

The background of the cover is a detailed, high-contrast photograph of the Apollo 11 command module's interior. On the left, a large, rounded rectangular window shows a view of Earth from space, with a thin white line of the horizon and a dark, starry background. To the right of the window is the main instrument panel, densely packed with various controls. At the top, several digital displays show green numbers: '102 43 13', '10 08', and '00595'. Below these are numerous analog gauges, switches, and buttons. A prominent red button with a white 'E' is visible in the center-right. The overall lighting is dramatic, with the window and digital displays providing the primary light sources against the dark interior.
