research chronicles in detail Tsafendas's life and conclusively demonstrates that he was a perfectly sane and deeply political person with a long history of political activism. At the same time the book exposes the lie at the heart of apartheid's posture on the assassination of Hendrik Verwoerd and provides a rare picture of how the racist regime operated and what it was like to live and die under apartheid.

The Ray Pool: Mila and Julieta's Story Andy Jarvis, 2019-02-27 Prepare for another journey to a place far away and long ago in this sequel to *The Ray Hunters* a charming and captivating tale rich with character and an absorbing plot. Three years have passed since Mila and Julieta were reunited and travelled to their new life on the island of Kerkira. But soon that idyll is under threat. Others from the past have learned of their whereabouts. And one person in particular has not forgotten.

Irina's Story Jim Williams, 2018 Irina's Story is the history of the Uspensky family and its attempt to negotiate the perils of 20th century Russia. It begins in the twilight years of the Tsarist empire in the idyllic setting of the family's country home at Babushkino and describes a world which is destroyed by war, revolution and Stalin's terror and ends with the fall of communism and the beginning of a new Russia of gangsters and crony capitalism. At the age of 90 Irina Uspenskaya is the last surviving witness of these events. In her Moscow apartment while her young relative Slavochka and his friends in the International Syndicate aspire to become successful drug dealers, Irina collects the letters and diaries of her parents' generation and sets down the tale of what happened to them all. In turn she describes the doomed marriage of her father Nikolai and her mother Xenia who love but never understand each other, her idealistic aunt Adalia who marries the sinister Grodsky, her disreputable uncle Alexander and his feisty wife Tatiana. These and a host of other colourful characters populate the story and we see their world through their eyes and understand it through their thoughts and writings. Our guide Irina is wry, funny, insightful and humane. Born with a disability she views events through detached yet sympathetic eyes and reflects on her own history and her unrequited love for a boy she met as a little girl and the family and children she will never have. Irina's Story is told with verve, compassion and a command of the sweep of Russian history. It is at times funny, romantic, tragic and appalling but suffused throughout with deep humanity.

Southern Style Craig Marriner, 2011-11-01 The youth from the old colonies head to London a mecca for hedonism dangerous encounters and self discovery in this vibrant shocking novel by the award winning writer of Stonedogs

Craig Marriner's second novel lifts the lid on the Big OE as his sprawling cast of young Southerners tackle London head on. There's Lisa from Cape Town, class warrior and part-time drug dealer, Ryan the Aussie with little to show for two years of overstaying but hangovers and hang-ups, and Alex from Auckland, fresh off the plane, a management graduate with the world at his feet if he can grow up fast enough. And there's London itself, a stage that sets no limits on hedonism and personal discovery. The ancient city has never seemed so promising. Or so dangerous. Cockney villains tussle with blacks, establishment toffs tug invisible strings, but newcomers from the East could be the jokers in the pack as old institutions are threatened by the forces of a globalised world. In the midst of it all, the neo-explorers are set to learn just how far from home they really are, how much London has to give and the price it can demand in return. In this brilliant novel, Marriner further develops the distinctive brand of fiction he introduced in the jaw-dropping *Stonedogs*. Southern Style rubs philosophy and polemic up against a story that swings from the hilarious to the shocking and every shade in between. **The Story of the Greatest Nations**

Edward Sylvester Ellis, Charles Francis Horne, 1914 *The Story*, 1967 *The Surviving Twin* Diana Lockwood, 2020-10-13 This memoir chronicles the unique ordeals of identical twin sisters Diana and Julia Lockwood. Even among twins, Diana and Julia were especially close and deeply entwined; they were more than just sisters or best friends, they were like one soul in two bodies. While their total attunement sometimes saved them in funny and unexpected ways, it also eventually destroyed them. A survivor of sexual assault and anorexia and living with Asperger's, the author tells her own life story while weaving Julia's letters and journal entries into the text. While Diana survived the struggles that led her to three suicide attempts, her twin unfortunately took her own life only a year after their father did the same. This book explores the life and relationship of twins separated by tragedy and follows a woman's struggle to make it on her own. **Toxic Attraction**

As competitive events begin to uncover death and life-threatening circumstances, she becomes a Norm.
