Cha Ching A Medical Nightmare:

Cha-ching \$\$\$\$\$\$\$\$\$\$ Penelope Nicholas, 2007-07 A medical nightmare was about to begin Libby's primary doctor was now searching for an answer as to why she was losing iron in her system and passing out in public places. He then decided to put her through a battery of tests. These tests included blood work, fourteen iron infusions, biopsies, ultrasounds, upper GI and colon tests, X-rays, and on and on, sending her from one specialist to another. Finally, her doctor concluded that she had hemorrhoids and she was losing iron through her hemorrhoids. However, there wasn't any blood in her stool and that theory went out the window. Libby was getting weaker with each passing day. She decided to find another doctor through her HMO. Libby picked up the phone in her trembling hands and dialed. After three rings, a woman answered and said, "Hello Diane speaking, may I help you?"
