Chakrakey A Key For Humanity:

Chakrakey Rick Ireton, 2013-03-29 CHAKRAKEY is a book for spiritual students and teachers who seek a greater understanding of the meaning of life. If we are to evolve in a loving way here on Earth we will do so because we grow in knowledge of our spiritual nature and begin to love and honor one another as the kind and gentle people we truly are. ChakraKey reveals the human spiritual design. Through the marriage of two ancient symbols and one symbol recently found in the form of a crop circle, ChakraKey is an educational tool that reveals the energetic nature of all humanity and thus our purpose in life. It is through understanding and awareness of our human spiritual nature that we are able to transcend our bodies and live in the light of love as spiritual beings. We do better when we know better. ChakraKey marries ancient Hindu wisdom of the chakra system with the seven candle menorah. When the menorah is turned sideways and placed next to the seven energetic points of the human chakra system, a map is revealed of our human spiritual design, our core essence and love. The Knowledge and Wisdom contained within the ChakraKey will provide you with the greatest gift you might ever hope to find: the ability to live a life filled with love, meaning and purpose. Each of us has a unique combination of these elemental energies behind our personal characteristics: everything from the color of our eyes to our behaviors and emotional temperament.
