Challenged By The New Testament Challenged By The Restoration:

The Challenges of the Pentecostal, Charismatic and Messianic Jewish Movements Peter Hocken, 2016-04-01 This book explores the Pentecostal and charismatic movements tracing their development and their variety Hocken shows how these movements of the Holy Spirit both outside the mainline churches and as renewal currents within the churches can be understood as mutually challenging and as complementary The similarities and the differences are significant The Messianic Jewish movement possesses elements of both the new and the old Addressing the issues of modernity and globalization this book explores major phenomena in contemporary Christianity including the relationship between the new churches and Seven Challenges That Shaped the New Testament F. Scott Spencer, 2024-06-25 The New entrepreneurial capitalism Testament writings reflect a sense of wrestling to understand what the world shattering events of Jesus s life death resurrection and ascension mean in the rough and tumble of daily life in a conflicted world In this book a senior New Testament scholar investigates seven critical areas of tension historical moral political material social perceptual and temporal that shape the big ideas discussed and debated in the New Testament This lively investigation explores the challenges that influenced the New Testament writings and how the writers responded to those tensions The author shows that out of this upheaval came a remarkable set of creative dynamic writings that have shaped and challenged millions of lives as sacred Scripture This accessibly written book offers a fresh way to learn about the world and content of the New Testament writings It will help readers appreciate the rich diversity of New Testament thought cohering around commitment to the one Lord and Savior Jesus Christ Contested Issues in Christian Origins and the New Testament Luke T. Johnson, 2013-01-15 In a collection of essays spanning some 35 years Luke Timothy Johnson takes on some of the most contested issues in the study of Christian Origins and the New Testament from the historical Jesus and the Jesus of the Gospels through exegetical studies of Luke Acts and Paul to guestions pertaining to the development of early Christian history relations with Judaism the uses of polemic sexuality and law Johnson's work is characterized by close attention to texts and a concern for methodological rigor Far from representing scholarly consensus these essays consistently display independence of judgment whether concerning the authorship of Paul's disputed letters the legitimacy of the quest for the historical Jesus or the toxic character of some early Christian texts The New Mormon Challenge Zondervan, 2010-12-21 Current facts about Mormonism Over 11 million members Over 60 000 full time missionaries more than any other single missionary sending organization in the world More than 310 000 converts annually As many as eighty percent of converts come from Protestant backgrounds In Mormon circles the saying is We baptize a Baptist church every week Within fifteen years the numbers of missionaries and converts will roughly double Within eighty years with adherents exceeding 267 million Mormonism could become the first world religion to arise since Islam You may know the statistics What you probably don t know are the advances the Church of Jesus Christ of Latter day Saints LDS is making in apologetics and academic

respectability With superb training Mormon scholars outclass many of their opponents Arguments against Mormon claims are increasingly refuted as outdated misinformed or poorly argued The New Mormon Challenge is a response to the burgeoning challenge of scholarly Mormon apologetics Written by a team of respected Christian scholars it is free of caricature sensationalism and diatribe The respectful tone and responsible rigorous yet readable scholarship set this book in a class of its own It offers freshly researched and well documented rebuttals of Mormon truth claims Most of the chapter topics have never been addressed and the criticisms and arguments are almost entirely new But The New Mormon Challenge does not merely challenge Mormon beliefs it offers the LDS Church and her members ways to move forward The New Mormon Challenge will help you understand the intellectual appeal of Mormonism and it will reveal many of the fundamental weaknesses of the Mormon worldview Whether you are sharing the gospel with Mormons or are investigating Mormonism for yourself this book will help you accurately understand Mormonism and see the superiority of the historic Christian faith Outstanding scholarship and sound methodology make this an ideal textbook The biblical historical scientific philosophical and theological discussions are fascinating and will appeal to Christians and Mormons alike Exemplifying Christian scholarship at its best The New Mormon Challenge pioneers a new genre of literature on Mormonism The Editors Francis I Beckwith Carl Mosser and Paul Owen are respected authorities on the Church of Jesus Christ of Latter day Saints and the authors of various books and significant articles on Mormonism With contributors including such respected scholars as Craig L Blomberg William Lane Craig J P Moreland and others The New Mormon Challenge is as Richard Mouw states in his foreword an important event for both Protestant evangelicals and Mormons that models to the evangelical community what it is like to engage in respectful and meaningful exploration of a viewpoint with which we disagree on key points Worlds? Challenges in Classics and New Testament Studies Caroline Johnson Hodge, Timothy A. Joseph, Tat-siong Benny Liew, 2023-07-07 This volume brings together scholars from New Testament studies and classics whose fields of study have much in common but are not often in in conversation. The contributors explore how the ancient works they study can be resources for thinking critically and creatively about issues that matter today The essays address our obligation to take positive moral stands on divisive issues of both the past and the present including empire racial ethnic and religious difference economic inequality gender and sexuality slavery and disability Contributors include Douglas Boin Denise Kimber Buell Gay L Byron Allen Dwight Callahan Joy Connolly Jennifer A Glancy Shelley P Haley Caroline Johnson Hodge Katherine Lu Hsu Timothy Joseph Tat siong Benny Liew Yii Jan Lin Dominic Machado Joseph A Marchal Thomas R Martin Candida R Moss Laura Salah Nasrallah Jorunn kland and Abraham Smith Challenges to Biblical Interpretation Heikki Räisänen, 2021-11-22 The book offers a selection of the author's seminal recent articles focusing on Jesus Paul and questions of principle It contributes to the Jesus quest by questioning the authenticity of some sayings and stories usually counted to the bedrock of the tradition It analyses the ambiguous relationship of early Christians especially Paul to their Jewish heritage

It suggests new ways of handling fundamental questions of principle in biblical interpretation The book is likely to stimulate thought and discussion challenging widely held views The author reflects on the use of New Testament in responsible modern theology defending classical historical criticism against recent challenges The emphasis put on the role of experience in the formation of early Christian thought and on the significance of the effective history of the Bible is especially helpful

Burge, Gene L. Green, 2020-04-14 This completely revised and updated second edition of The New Testament in Antiquity skillfully develops how Jewish

Hellenistic and Roman cultures formed the essential environment in which the New Testament authors wrote their books and letters Understanding of the land history and culture of the ancient world brings remarkable new insights into how we read the New Testament itself Throughout the book numerous features provide windows into the first century world Nearly 500 full color photos charts maps and drawings have been carefully selected Additional features include sidebars that integrate the book s material with issues of interpretation discussion questions and bibliographies The Challenge of Jesus N. T. Wright, 2015-05-21 The Challenge of Jesus makes the arguments laid out in Jesus and the Victory of God accessible to lay readers Bestselling author and theologian N T Wright does more than just rehash these arguments he adds a discussion of the resurrection and addresses the prickly problem of relevance In the first six chapters of The Challenge of Jesus Wright tackles many of the questions of the historical Jesus debate He then moves on to address how all these historical cum theological issues are significant for Christians living in a postmodern world The Challenge of Jesus is ideal for those beginning academic studies or just wanting to go deeper with their Christology and understanding of the person and work of Christ The Ethical Challenge of Auschwitz and Hiroshima Darrell J. Fasching, 1993-07-01 This book addresses the problem of religion ethics and public policy in a global technological civilization. It attempts to do what narrative ethicists have said cannot be done to construct a cross cultural ethic of human dignity human rights and human liberation which respects the diversity of narrative traditions It seeks to do this without succumbing to either ethical relativism or ethical absolutism The author confronts directly the dominant narrative of our technological civilization the Janus faced myths of Apocalypse or Utopia Through this myth we view technology ambivalently as both the object of our dread and the source of our hope The myth thus renders us ethically impotent the very strength of our literal utopian euphoria sends us careening toward some literal apocalyptic final solution The demonic narrative that dominated Auschwitz killing in order to heal is part of this Janus faced technological mythos that emerged out of Hiroshima And it is this mythic narrative which underlies and structures much of public policy in our nuclear age This book proposes a coalition of members of holy communities and secular groups organized to prevent any future eruptions of the demonic Its goal is to construct a bridge not only over the abyss between religions East and West but also between religious and secular ethics Challenging Religion James A. Beckford, James T. Richardson, 2003-09-02 In the last half century new religious movements or cults of one sort and another have mushroomed throughout the US and Europe Increasingly these groups have been met with attempts to monitor and control them on the part of the state and concerns about the protection of religious consumers have been set against the democratic right to religious freedom In this collection leading sociologists of religion from the UK US Western and Eastern Europe debate the political practical and ethical issues which arise from these changes in the religious landscape The Princeton Theological Review ,1913 Challenge of the Church George H. Bennett, 1914 The People, the Land, and the Future of Israel Darrell L. Bock, 2014-09-10 What does the Bible teach about the role of the Jewish people and the nation of

Israel today What is God s plan for the future of Israel and the neighboring countries How can believers in Jesus be part of God s peace process in the Middle East The People the Land and the Future of Israel walks through the Bible s account of the role of Israel and the Jewish people both now and in the future Each contributor offers a profound insight into God s unfolding plan and purpose for the nation of Israel as the Scripture depicts them Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament Features an extensive foreword by best selling author Joel Rosenberg who addresses the question Will there ever be peace for Israel and her neighbors Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic Discussion questions in each chapter aid book group and classroom discussion

Jewish Jesus Research and its Challenge to Christology Today Walter Homolka, 2016-10-05 Historical Jesus research Jewish or Christian is marked by the search for origins and authenticity The various Quests for the Historical Jesus contributed to a crisis of identity within Western Christianity The result was a move back to the Jewish roots For Jewish scholars it was a means to position Jewry within a dominantly Christian culture As a consequence Jews now feel more at ease to relate to Jesus as a Jew For Walter Homolka the Christian challenge now is to formulate a new Christology between a Christian exclusivism that denies the universality of God and a pluralism that endangers the specificity of the Christian understanding of God and the uniqueness of religious traditions including that of Christianity The Sola Scriptura Challenge Brian E. Barnes, 2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early **Evangelical Faith and the Challenge of Historical Criticism** Christopher M. Hays, Christopher B. church Ansberry, 2013-11-19 Many introductions to biblical studies describe critical approaches but they do not discuss the theological implications This timely resource discusses the relationship between historical criticism and Christian theology to encourage evangelical engagement with historical critical scholarship Charting a middle course between wholesale rejection and unreflective embrace the book introduces evangelicals to a way of understanding and using historical critical scholarship that doesn't compromise Christian orthodoxy The book covers eight of the most hotly contested areas of debate in biblical studies helping readers work out how to square historical criticism with their beliefs Adventism Re-examined: 75 Years of Changes, Challenges and Choices Gordon Kainer, 2019-11-13 My book s objective is to describe the beliefs practices and ventures of the Adventist church that have had or still have a significant impact on my life Looking back I now have a better understanding why ancient Israel was repeatedly told to remember what God had done for them For this reason there will be much reminiscing retelling of personal experiences and evaluating church teachings and decisions all in the endeavor to make sense of what has happened That can only take place if we bathe our words and expressions in grace love and understanding The book endeavors to answer the underlying question what do we mean when we use the term church What are the primary reasons for its existence When you ask Adventists such a question we hope they answer with a reply that is inspiring and practical In presenting my view of Adventism over the past seventy five years it s had a positive effect on my knowing and understanding Jesus and I hope the same goes for you
