

A silhouette of a person in mid-air, jumping or running upwards with arms outstretched, set against a bright blue sky with scattered white clouds. A large, bright sun is positioned in the upper right, creating a strong lens flare effect. The overall mood is one of hope, aspiration, and spiritual pursuit.

Jesus challenges us to do,
to act, to follow, to serve, to
be better, to do more, to try
harder, to be humble in our
Righteousness, and to serve
God.

Challenges Of Faith Choosing Christ As The Better Way:

Challenges of Faith Dirk Willner, 2014-06-01 In this Study of the Book of Hebrews Dirk Willner shows readers that our faith can be challenged in many ways but that God has provided the perfect solution for us in His Son Jesus Christ We can see that even though we live in a very different world from the Hebrews of Jesus time we still ask the same questions and have similar challenges God still has the answer and provides us with the guidance we need to find Him in every part of our lives

Christianity or Humanism: Which Will You Choose? Robert L. Waggoner, D.Min., 2014-06-09 Most Christians are blissfully uninformed about the worldview of Humanism and therefore do not realize that secular Humanism has now largely displaced our society's Christian foundations Robert Waggoner Precise information Secular Humanism is the major belief system that currently challenges Christian faith in the Western world Arguments and evidence The Christian worldview is indeed superior to Humanism Warning Humanism is a threat to Christian institutions and beliefs Motivation Greater activity is necessary not only in service to God and humanity but also in resisting and overthrowing Humanism

Choosing Faith John W. Saultz, 2019-05-16 A belief is a judgment that we assume to be true when making life decisions Our beliefs cannot conclusively be proven true or false Beliefs can be as simple as our preference for food or as profound as our religious beliefs How are beliefs different from knowledge or opinion How do beliefs develop and change over time and how do they become the foundation of our purpose in life This book is divided into three sections The first explains how beliefs are formed in childhood and modified and adapted when we become adults The second section explores different types of belief and introduces the notion of moral beliefs about right and wrong and religious beliefs about the existence and nature of God The final section of the book explains how beliefs are prioritized into a faith that becomes our framework for making life decisions The beliefs we hold most dear form the building blocks of our purpose in life We have the freedom to choose our beliefs so we have the freedom to choose our purpose The goal of this book is to help the reader think deeply about this process and explore the meaning of this freedom

Problems of Faith S.H. Smith, 2014-07-11 The material here was originally intended as a third section in Smith's previous offering *The Problem of God* but took on a life of its own to become a separate work The Problem of Faith is thus a sequel to the former work and deals with those questions with which all thinking believers wrestle the nature of religious language evil and the God of love the concept of miracles and of prayer the relationship between faith and reason life after death and the problem of hell The aim is to encourage the reader to engage afresh with these essential issues

Choices and Challenges Alan G. Greer, 2009-05 Choices and Challenges is a fresh way of looking at humanity's relationships with God and each other Based on the concept that while God loves us He does not exist to serve humanity but that we exist to serve God Alan Greer confronts and debunks the atheistic notion that since our world and its multitude of religions are demonstrably imperfect with each and every one of us not being protected from all harm God can not exist because if He did He would have prevented all such imperfections Greer likewise challenges the other extreme that two to

four thousand years ago God laid down a series of laws and rules that can not under any circumstances be changed or broken Instead Greer shows how God has taught us how and when to break those rules in favor of new and better ones Choices and Challenges demonstrates that God has an ongoing purpose for each of us and for humanity as a whole that stretches into the far distant future

The Question of God's Perfection Yoram Hazony, Dru Johnson, 2018-11-26 Philosophers have often described theism as the belief in the existence of a perfect being a being that is said to possess all possible perfections so that it is all powerful all knowing immutable perfectly good perfectly simple and necessarily existent among other qualities But such a theology is difficult to reconcile with the God we find in the Bible and Talmud The Question of God's Perfection brings together leading scholars from the Jewish and Christian traditions to critically examine the theology of perfect being in light of the Hebrew Bible and classical rabbinic sources Contributors are James A Diamond Lenn E Goodman Edward C Halper Yoram Hazony Dru Johnson Brian Leftow Berel Dov Lerner Alan L Mittleman Heather C Ohaneson Randy Ramal Eleonore Stump Alex Sztuden and Joshua I Weinstein

Challenging History Gerald Berube, 2022-07-25 Purpose of this book is to hopefully encourage readers that history is a resource an open mind can learn from in order to help make better useful decisions This book exposes events in the American history of people that made decisions to benefit self and others based on biblical standards Some of my personal testimony was mentioned in order to encourage who so ever to see and accept themselves as they are because God does and He didn't create anyone or anything imperfect My past and present helped me to prepare for my future relationships and decisions The people noted in this book made decisions according to the status quo within their environment and made a decision on how to witness a better way to live Hopefully you as a reader or one searching for answers can find self worth by encouraging you to dig deep into reviewing history scripture and your soul in order to receive that connection I encourage you to look up some of the events noted within this book and see for yourself how the truth written in history can be relevant for decision making for today and
