Chameleon Christianity Moving Beyond Safety And Conformity:

Chameleon Christianity Dick Keyes, 1999 Keyes examines the perils of polarization accommodation or tribalism and provides a biblical way to engage and transform society *Truth Decay* Douglas Groothuis, 2009-09-20 A 2001 Christianity Today Award of Merit winner The concept of truth as absolute objective and universal has undergone serious deterioration in recent years No longer is it a goal for all to pursue Rather postmodernism sees truth as inseparable from culture psychology race and gender Ultimately truth is what we make it to be What factors have accelerated this decay of truth Why are people willing to embrace such a devalued concept How does this new view compare and contrast with a Christian understanding While postmodernism contains some truthful insights despite its attempt to dethrone truth Douglas Groothuis sees its basic tenets as intellectually flawed and hostile to Christian views In this spirited presentation of a solid biblical and logical perspective Groothuis unveils how truth has come under attack and how it can be defended in the vital areas of theology apologetics ethics and the arts **Luke (Teach the Text Commentary Series)** R. T. France, 2013-11-19 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text A Tapestry of Faiths Winfried Corduan, 2009-06-01 Christians find themselves in an increasingly diverse world The new place of worship in our neighborhood might just as likely be a Hindu temple or a Muslim mosque as a church or a synagogue How should we view other world religions and more important how should we engage our religiously oriented neighbors in conversation Do all religions teach the same thing Or are there significant differences Do we try to minimize differences and just get along Or do we hold out the Christian faith as the one true hope for all the world Drawing on his wide experience and knowledge of other religions and how they are actually lived Winfried Corduan helps us sort through the complex tapestry of faiths around the globe He contends that there are common threads of understanding that can serve to link us in meaningful discussion From these common threads we can go on to explore genuine differences Through the course of the book Corduan leads readers to explore the important issues of revelation and truth morality and guilt grace and redemption eschatology and hope Ultimately Jesus Christ he argues stands unique among religious figures and Christianity unique among the world's religions This is a book that strengthens Christians in their convictions while encouraging them to engage their neighbors with humility loved and discernment *Edwards on the Christian Life* Dane Ortlund, 2014-08-31 Jonathan Edwards is widely hailed as the greatest theologian in American history In *Edwards on the Christian Life* Dane Ortlund invites us to explore the great eighteenth century pastor's central passion God's resplendent beauty Whether reflecting on the nature of love the preeminence of Scripture or the glory of the natural world the concept of beauty stood at the heart of Edwards's theology

and permeated his portrait of the Christian life Clear and engaging this accessible volume will inspire you to embrace Edwards s magnificent vision of what it means to be a Christian enjoying and reflecting of the beauty of God in all things Part of the Theologians on the Christian Life series **Volunteer Church** Mike W. Henry,2010 [American Book Publishing Record](#) ,1999 **Jonathan Edwards e a vida cristã** Dane C. Ortlund,2021-12-10 Jonathan Edwards bem conhecido como um pregador de fogo e enxofre Estudiosos s rios como Dane Ortlund sabem h muito tempo que ele muito mais que isso Neste livro Ortlund direciona cuidadosamente sua pesquisa ao objetivo positivo como ele demonstra convincentemente de que o centro da preocupa o de Edwards sempre foi acima de tudo a beleza em Deus de Deus e para Deus Agradecidos os leitores v o perceber este livro altamente informativo em rela o a Edwards e profundamente encorajador para a vida crist atual Mark A Noll *Books & Culture* ,1999 **Chameleon Christianity** Dick Keyes,2014-11-01 Chameleon Christianity confronts two great temptations before God s people to either accommodate and blend into society as chameleons change colors or to tribalize out of society in quarantined ghettos The first removes conflict with the world by compromise the second eliminates contact with it by isolation Both are forms of worldliness and are challenged by Jesus images of Christian identity as salt of the earth and light of the world A practical and culturally aware sense of apologetics and a recovery of Christian community will be key pressure points for the health of the church into the future Dick Keyes and his wife Mardi have worked with L Abri Fellowship for over forty years in Switzerland England and now in Massachusetts He is a graduate of Harvard University and Westminster Theological Seminary He is also the author of Heroism Beyond Identity and Seeing Through Cynicism *Forthcoming Books* Rose Arny,1999 *Cumulated Index to the Books* ,1999 *Books in Print Supplement* ,2002 *The Standard* ,1908
