the cards can help you unlock just about any answer you're looking for. But what if you've never read the tarot before? Or what if you've only worked with your cards for a short while or are uncertain about the meanings? In this book, I'll cover how to use your intuition so you can do Love Readings for yourself or even others. I offer traditional meanings at the end of the book too, just to offer a bit more guidance. Something I love about the tarot is that no two people will see the cards in the same way. That's why tapping into your intuition is so important. Yes, you're going to interpret the cards based on your current hopes and fears, your past and present, but as you go even deeper, you'll reach your very soul where all of the guidance you need now or ever will need is unlocked.
