## **Dietrich Bonhoeffer His Significance For North Americans:**

*Dietrich Bonhoeffer* Larry Rasmussen, Renata Bethge, 2016-05-15 Dietrich Bonhoeffer 1906 1945 remains the most seminal theologian of those whose work was forged and tested in the worst years of the twentieth century A German who loved his country and culture and who mourned its crimes and actively resisted them his ethic was wholly contextual attuned to what he must do in his own land as a disciple of Jesus Christ He might have been surprised to find that a half century and more later his work has been widely appropriated by others in different circumstances for their exercise of Christian responsibility This volume of essays is one example of Bonhoeffer s ongoing relevance Rasmussen engages Luther Barth Niebuhr Hauerwas Yoder and Berrigan as a way to illuminate aspects of Bonhoeffer s ethics He also compares the post holocaust theology of Rabbi Greenberg with Bonhoeffer s own treatment of divine presence and human responsibility in a world that has come of age One essay The Meaning of the Theology of the Cross for Social Ethics in the World Today pulls the main themes of the book together This 2016 edition also includes a new chapter which relates Bonhoeffer s ethics to the current environmental crisis *Dietrich Bonhoeffer* Larry L. Rasmussen, 1970 **The Cambridge Companion to**

**Dietrich Bonhoeffer** John W. de Gruchy, 1999-05-13 This Companion serves as a guide for readers wanting to explore the thought and legacy of the great German theologian Dietrich Bonhoeffer 1906 45 The book shows why Bonhoeffer remains such an attractive figure to so many people of diverse backgrounds Its chapters written by authors from differing national theological and church contexts provide a helpful introduction to and commentary on Bonhoeffer s life work and writing and so guide the reader along the complex paths of his thought Experts set out comprehensively Bonhoeffer s political social and cultural contexts and offer biographical information which is indispensable for the understanding of his theology Major themes arising from the theology and different interpretations to it lead the reader into a dialogue with this most influential of thinkers who remains both fascinating and challenging There is a chronology a glossary and an index **Dietrich**

**Bonhoeffer and a Theology of the Exception** Kevin O'Farrell, 2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer s late resistance theology and action particularly as it relates to his participation in the attempted coup d tat against Hitler this book attends to Bonhoeffer s understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one s understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer s corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions of this age *The Virtue of*

*Bonhoeffer's Ethics* Jennifer Moberly, 2013-06-19 Does Dietrich Bonhoeffer's Ethics have any affinities with what we have now come to call virtue ethics If so what is the relationship between those affinities and the more widely recognized influence of Karl Barth Moberly seeks to answer these questions through close analysis of the Ethics and engagement with other interpreters of Bonhoeffer while discussing the nature of virtue ethics in a Christian context The answers may be surprising but they are certainly rewarding for anyone wanting to better understand Bonhoeffer and to see how his work could be helpful for current ethical debates

**Bonhoeffer and the Responsibility for a Coming Generation** Robert Vosloo, Teddy Sakupapa, Karola Radler, Ashwin Thyssen, 2024-07-25 This volume draws together a selection of high quality presentations at the 13th International Bonhoeffer Congress held in January 2020 in Stellenbosch South Africa The theme of the conference was How a coming generation is to go on living Bonhoeffer and the response to our present crisis and hope The selected essays engage thoroughly and creatively with this concern to take responsibility not only for our own personal and communal life in all of its complexity and richness but also for the ethos and society that future generations will inherit from us The pertinence of Bonhoeffer's question is addressed in these contributions anew as we experience threats on a global level to socio political economic and inter religious stability and solidarity Attention is also given to some important challenges experienced in the so called global South and the reality of climate change and ecological devastation implies that the question of how future generations are going to go on living is linked to the fact that we live on a planet that is in jeopardy Also included as an appendix is the powerful sermon preached by the South African Anglican archbishop of Cape Town Thabo Makgoba at the opening worship service of the congress

**Beyond Abuse in the Christian Home** Catherine Clark Kroeger, Nancy Nason-Clark, Barbara Fisher-Townsend, 2008-08-15 In January 2004 a newly founded evangelical organization called PASCH was formed The word denotes the Passover or time of new beginnings when God kept people safe in their own homes before leading them into freedom from abuse and oppression Yet the word PASCH also stands for Peace and Safety in the Christian Home PASCH began as a small group of therapists sociologists domestic violence experts clergy biblical scholars survivors and dedicated Christians In essence PASCH was born out of the cries confusion and frustration of the people of God As we encountered many horrifying situations of domestic abuse in Christian homes those of us who seek to address various aspects of the issue concluded that we needed a fellowship of concerted study prayer and action It was the dream of Catherine Clark Kroeger that an edited book might emerge from the 2005 and 2006 PASCH conferences in order that the papers presentations and discussions might be widely available We found that to make that happen we needed to work together that each of us possessed one piece of the puzzle and that by God's grace we could collectively begin to put the pieces together The topic of abuse is ugly which is why so many Christians shy away from discussing it But in this volume we have tried to present an accurate faith based analysis of abuse in the Christian family context We hope that various chapters stimulate discussion sometimes debate and in so doing prompt pastor and people to action We call on you the

reader to consider the various ideas and perspectives offered throughout the book Hopefully each chapter will prompt you to consider afresh how you conceptualize violence among families of faith Like you the reader the contributors to our collection come from various faith traditions work in different contexts and see the issue in part based on their own narrative and training Yet despite our differences and our ongoing debates we are unanimous that violence has no place in the home Every home should be a safe place every home a shelter When abuse occurs in families of faith it is the responsibility of the church to offer compassion and support to victims and to call those who act abusively to accountability and justice Our edited collection includes Dan Allender speaking from the heart about the impact of the fall on relationships between men and women Al Miles reflecting on his pastoral experience of the difficulties and opportunities of speaking out against violence in Christian families Bruce and Karen McAndless Davis offering one couple s story of the long journey toward accountability and dramatic change Julie Owens retelling her own dramatic story of abuse the life imprisonment of her ex partner and what she wished every pastor knew about domestic violence      *Reading from the Underside of Selfhood* Lisa E. Dahill,2009-01-01 Dietrich Bonhoeffer s example of self sacrificing discipleship has for over fifty years inspired Christians around the world in both their resistance to evil and their devotion to Jesus Christ Yet for some readers particularly those who suffer trauma abuse and other forms of violence Bonhoeffer s insistence on self sacrifice on becoming a person for others may prove more harmful than liberating For those already socialized into self abnegation uncritical applications of Bonhoeffer s teachings may reinforce submission rather than resistance to evil This study explores Bonhoeffer s understandings of selfhood and spiritual formation both in his own experience and writings and in light of the role of gender in psycho spiritual development The central constructive chapter creates a mediated conversation between Bonhoeffer and these feminist psychologists on the spiritual formation of survivors of trauma and abuse including not only dimensions of his thinking to be critiqued from this perspective but also important resources he contributes toward a truly liberating Christian spirituality for those on the underside of selfhood The book concludes with suggestions regarding the broader relevance of this study and implications for ministry The insights for spiritual formation developed here provide powerful proof of Bonhoeffer s continuing and concretely contextualized relevance for readers across the full spectrum of human selfhood      **SPCK Introduction to Bonhoeffer** Keith Clements,2011-01-01 Dietrich Bonhoeffer remains one of the twentieth century s most influential theologians and this is a short accessible and engaging introduction to the man Written by an internationally acclaimed Bonhoeffer scholar the book considers the role Bonhoeffer played in resisting the Nazis and his attitude to the Jews and the Holocaust      Moral Leadership for a Divided Age David P. Gushee,Colin Holtz,2018-10-16 Great moral leaders inspire challenge and unite us even in a time of deep divisions Moral Leadership for a Divided Age explores the lives of fourteen great moral leaders and the wisdom they offer us today Through skillful storytelling and honest appraisals of their legacies we encounter exemplary human beings who are flawed in some ways gifted in others but unforgettable all the same The authors tell the stories of

remarkable leaders including Ida B Wells Barnett William Wilberforce Harriet Tubman Florence Nightingale Mohandas Gandhi Malala Yousafzai Martin Luther King Jr Nelson Mandela Oscar Romero Pope John Paul II Elie Wiesel Mother Teresa Abraham Lincoln and Dietrich Bonhoeffer Short biographies of each leader combine with a tour of their historical context unique faith and lasting legacy to paint a vivid picture of moral leadership in action Exploring these lives makes us better leaders and people and inspires us to dare to change our world Taking Stock of Bonhoeffer Stephen J. Plant, 2016-04-01

Bonhoeffer's theology continues to prove richly fruitful in the 21st century This book gathers together Stephen Plant's scholarly engagement with Bonhoeffer's life and theology over two decades This collection makes accessible Plant's distinctive perspective on Bonhoeffer's theology in particular on the key themes of biblical exegesis ethics and the intimate connections Bonhoeffer discerns between them **Ontology and Ethics** Adam C. Clark, Michael Mawson, 2013-08-27

Recent scholarship in a number of disciplines has explored the relationship between ontology and ethics The essays in this collection indicate what the German theologian Dietrich Bonhoeffer 1906 1945 has to contribute to this discussion By engaging the breadth of his academic and pastoral writings these essays retrieve Bonhoeffer's theology for a contemporary audience They do so by critically clarifying and extending key concepts developed by Bonhoeffer across his corpus and in dialogue with Hegel Heidegger Dilthey Barth and others They also create dialogues between Bonhoeffer and more recent figures like Levinas Agamben Foucault and Lacoste Finally they take up pressing contemporary ethical issues such as globalization managerialism and racism *Bonhoeffer's Questions* John W. de Gruchy, 2019-11-08 While in prison during the Third Reich Dietrich Bonhoeffer raised several core questions in his correspondence with his close friend Eberhard Bethge How shall future generations live Who is Jesus Christ actually for us today What does it mean to be truly human And who am I In Bonhoeffer's Questions John W de Gruchy explores the development of each question in the course of Bonhoeffer's life how he attempted to answer them and how each prompted further questions in an ongoing conversation with himself with others and now with us today De Gruchy does this within the framework of his own life long and life changing conversation with Bonhoeffer in the context of South Africa from the beginning of the apartheid era to the present day He also describes how he has come to know Bonhoeffer as a theological witness to Christ a prophet of God's justice and a Christian humanist before proceeding with a series of questions addressed to Bonhoeffer with the reader in mind These range from the debate about God and the future of Christianity to the involvement of Christians and the church in political struggles today

Acting for Others Michaela Kusnierikova, 2017-03-01 This book explores why the metaphor of the church as a family is insufficient In this Arendt's concept of action and her criticism of privatizing the public political space by viewing it as a family are engaged through Bonhoeffer's ecclesiology and political theology and St niloae's triadology and theology of the world The roots of the different views of Arendt and Bonhoeffer on family symbolism are traced to their distinct notions of acting Human action becomes the central theme of the debate particularly influenced by the Eastern Orthodox ecumenist St

niloae and his vision of the communal relationship and interactivity of human subjects and their place in the world  
 Synthesizing Bonhoeffer and St niloae Christian calling is unfolded not only as acting for others but also with others as  
 Trinitarian participatory response response to the words and deeds of the three divine Persons acting in communion In being  
 drawn into these unique relations human beings are empowered for communal and common acting of equals participating in  
 public political issues Since the family metaphor fails to articulate such acting this study complements this symbolism with  
 the metaphor of the church as a political community of solidarity     *The Bonhoeffer Legacy* Stephen R. Haynes, Stephen  
 Haynes whose volume *The Bonhoeffer Phenomenon* probed the many conflicting ways in which Bonhoeffer has been  
 understood by Christians for their own uses now brings new clarity to the vexed and controversial question of Bonhoeffer s  
 relationship to Jews and the Jewish people Haynes s text analyzes the historical record and Bonhoeffer s maturing theology  
 and offers an analysis of Bonhoeffer himself his work and his legacy for a generation learning from the Holocaust BOOK  
 JACKET     **Who Am I?** Bernd Wannenwetsch, 2009-07-21 A unique look at Bonhoeffer s poetry written during his prison  
 years facilitating a fascinating conversation between biography and theology     **Militant Grace** Philip G.  
 Ziegler, 2018-03-20 This clear and comprehensive introduction to apocalyptic theology demonstrates the significance of  
 apocalyptic readings of the New Testament for systematic theology and highlights the ethical implications of the apocalyptic  
 turn in biblical and theological studies Written by a leading theologian and proponent of apocalyptic theology this primer  
 explores the impact of important recent Pauline scholarship on contemporary theology and argues for a renewed  
 understanding of key Christian doctrines including sin grace revelation redemption and the Christian life     **Reinhold  
 Niebuhr** Reinhold Niebuhr, Reinhold Niebuhr the most significant North American theologian since the eighteenth century  
 has decisively influenced the shape of Christian thought and action in the United States for much of the twentieth century  
 Niebuhr addressed social and political issues from the perspective of Christian Realism This was his blend of liberalism  
 shrewd social analysis and elements within the Augustinian tradition His legacy continues to be influenced through his  
 writings and the work of many of his distinguished students Larry Rasmussen s introductory essay and notes on the selected  
 texts set Niebuhr in his historical context chart the development of his thought and indicate the significance of his theology  
 in the development of Christian theology as a whole     **Pacifism, Just War, and Tyrannicide** David M. Gides, 2012-03-02  
 Dietrich Bonhoeffer s perplexing and controversial shift from admitted pacifism to tyrannicide has been the source of  
 scholarly and popular inspiration and criticism How could an admitted Christian pacifist be involved in a plot to assassinate a  
 political figure Is there a way to understand and explain this phenomenon comprehensive enough to encompass all relevant  
 data One that takes into account the nuances of Bonhoeffer s theology and all of the elements of his complex historical and  
 personal contexts This study attempts to offer an explanation by linking Bonhoeffer s political thinking and action with his  
 understanding of the church world relationship and by evaluating the changes in that thought action dyad as his life

progressed What emerges is a portrait of a bold and visionary thinker and political agent whose church world theology while discontinuous is consistent enough to be authentic and yet flexible enough to meet the extraordinary challenges presented by Nazism and its intrusion into the churches Gides suggests that it is actually Bonhoeffer s malleable church world thinking that ultimately distinguishes him from his theological and ecclesial contemporaries and even from the mass of German church persons and citizenry it allowed him to confront evil by reaching beyond the constraints of traditional Lutheran thinking

**Interpreting Bonhoeffer** Clifford J. Green, Guy C. Carter, 2013-10-01 In the early twenty first century interest in the life and work of Dietrich Bonhoeffer is increasing significantly In this environment how should we understand and interpret Bonhoeffer Interpreting Bonhoeffer explores the many questions surrounding the complexities of Bonhoeffers life work and historical context and what they might mean for how we understand and interpret Bonhoeffer now and in the future
