fully revised to give a nuanced account of the skills required in an online environment this book is an essential companion for your journalism degree and beyond *Covering Canadian Crime* Chris Richardson, Romaine Smith Fullerton, 2016-05-12

Crime reporting in one form or another is as old as crime itself Almost all young reporters have spent some time on this beat and their work affects all of us *Covering Canadian Crime* offers a deep and detailed look at perennial issues in crime reporting and how changes in technology business practices and professional ethics are affecting today's crime coverage Social media in the courtroom the stigmatization of mental illness the influence of police media units the practice of knocking on victims' doors the culture of masculinity in the newsroom these are among the topics of discussion explored from various disciplinary perspectives and combined with poignant interviews and thought provoking introspection from seasoned journalists such as Christie Blatchford Timothy Appleby Linden MacIntyre Kim Bolan and Peter Edwards A critical account of the challenges involved in crime reporting in ethical informed and powerful ways *Covering Canadian Crime* poses the questions that reporters journalism students and the public at large need to ask and to answer **The Unfulfilled Promise**

of Press Freedom in Canada Lisa Taylor, Cara-Marie O'Hagan, 2017-01-01 Canadian news reports are riddled with accounts of Access to Information requests denied and government reports released with large swaths of content redacted *The Unfulfilled Promise of Press Freedom in Canada* offers a vast array of viewpoints that critically analyze the application and interpretation of press freedom under the Charter of Rights This collection assiduously put together by editors Lisa Taylor and Cara Marie O'Hagan showcases the insights of leading authorities in law journalism and academia as well as broadcasters and public servants The contributors explore the ways in which press freedom has been constrained by outside forces like governmental interference threats of libel suits and financial constraints These intersectional and multifaceted lines of inquiry provide the reader with a 360 degree assessment of press freedom in Canada while discouraging complacency among Canadian citizens After all an informed citizenry is a free citizenry **Investigative Reporting in**

Canada Maxine Ruvinsky, 2007 Maxine Ruvinsky explores investigative reporting in Canada through a series of 13 case studies **Developing and Leading Emergence Teams** Peter A.C. Smith, Tom Cockburn, 2016-03-10

Developing and Leading Emergence Teams describes a future business landscape that seems to be complicated complex and chaotic in almost equal measures The variety and diversity of the environments within which large organizations will be seeking to operate require a similar variety of systems process and structures if they are to respond successfully to emerging opportunities The established models of teamworking matrix cross functional or transdisciplinary can all adapt to this new environment but will only do so if the culture leadership and management style of the business enables this The authors describe a model of emergence teams high trust teams that exhibit exceptional affinity for knowledge sharing sense making and consensus building They then explore the specifics of leading such a team how the team leader should design the team interact and facilitate the team's development understand the personal nature of each of the team members and the overall

emotional regime that will affect trust commitment and motivation Peter Smith and Tom Cockburn draw on research and detailed case examples to provide techniques your organization can adopt in order to build and support the various teams capable of addressing complexity *Freedom of Information and Social Science Research Design* Kevin Walby,Alex Luscombe,2019-11-25 This multidisciplinary volume demonstrates how Freedom of Information FOI law and processes can contribute to social science research design across sociology criminology political science anthropology journalism and education Comparing the use of FOI in research design across the United Kingdom the United States Australia Canada and South Africa it provides readers with resources to carry out FOI requests and considers the influence such requests can have on debates within multiple disciplines In addition to exploring how scholars can use FOI disclosures in conjunction with interview data archival data and other datasets this collection explains how researchers can systematically analyse FOI disclosures Considering the challenges and dilemmas in using FOI processes in research it examines the reasons why many scholars continue to rely on more easily accessible data when much of the real work of governance the more clandestine but consequential decisions and policy moves made by government officials can only be accessed using FOI requests **The Bigger Picture** Ivor Shapiro,2009 A combination manual and reader this book offers a comprehensive overview of practical skills complemented by full length examples of some of the best work in the genre The chapters are written by a team of seasoned journalists and educators and the readings have been carefully chosen to help illustrate a specific skill or approach This book will inform and inspire feature writers at every level Publisher description Brokering Access Mike Larsen,Kevin Walby,2012-08-10 Is the business of public officials any of the public s business Most Canadians would argue that it is that we citizens are entitled to enquire and get answers about our government s actions Yet on a practical level there still exists a struggle between the public s quest for accountability and the government s culture of secrecy Drawing together the unique perspectives of social scientists journalists and access to information ATI advocates *Brokering Access* explores the history of ATI law and supplies multiple examples of its contemporary application at the federal provincial and municipal levels From restrictions to access of airport security data post 9 11 to censorship under the Access to Information Act to the difficulties of obtaining details on streetscape video surveillance this book reveals the legal and bureaucratic obstacles citizens face when trying to access government information *Canadian Who's Who 2008* Elizabeth Lumley,2008-01-05 Now in its ninety eighth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity Each entry details birth date and place education family career history memberships creative works

Bow, Andrea Lane, 2020-11-01 Canadian Foreign Policy as an academic discipline is in crisis Despite its value CFP is often considered a stale and pale subfield of political science with an unfashionably state centred focus This book asks why Contributors from both inside and around the field investigate how they came to view themselves as participating in CFP as an academic project or not and what that means for both their intellectual trajectory and the development of the field How were they taught to think about Canada How does that affect their interpretation of this country s place in the world And how do they teach the subject themselves The thoughtful essays in this nuanced collection shine a light on issues such as the casualization of academic labour the prospect of Indigenizing the field and the relationship between study and practice More broadly they offer a much needed assessment of the boundaries goals and values of the discipline and an important guide to its revitalization The British National Bibliography Arthur James Wells, 2007 *Family Ties: How a Ukrainian Nazi and a living witness link Canada to Ukraine today* PETER MCFARLANE, 2024-09-16 The standing ovation accorded in 2023 to a

Second World War Ukrainian Nazi unit veteran in Canada's House of Commons shocked Canadians and the world. Author Peter McFarlane was not surprised. He had already spent three years learning about two people: Mikael Chomiak and Ann Charney, whose parallel lives during and after that war highlight the complex and disturbing story of Ukraine and Canada's post-war Ukrainian Canadian community. Ann Charney was two years old when she and her Jewish mother evaded their certain death by hiding out in a hayloft in the Ukrainian countryside. Ann spent two long years in that attic. She and her mother survived the war and ultimately made their way to Montreal. There, Ann has had a brilliant career as a novelist and journalist. Mikael Chomiak spent the war working for the German SS as the editor of an influential Ukrainian newspaper celebrating Hitler and promoting antisemitism. He and his family were easily accepted as postwar immigrants to Canada, settling in Alberta. There, he continued his work as a writer and editor, avoiding public expressions of his antisemitic views or his wartime record. In this book, Peter McFarlane tells the stories of these two during the war and afterwards. He brings their stories up to date through research in Ukraine today. When he visits Chomiak's relatives in Ukraine, he finds the themes of ethnic hatred and antisemitism strongly in play today in public support for the war with Russia. Canadian descendants of pro-Nazi Ukrainians often do not acknowledge this connection of past to present. Mikael Chomiak's granddaughter, Chrystia Freeland, has a lead role in government as a senior federal cabinet minister. Like many others, she remains in denial about her grandfather's role promoting the Nazis' policies and the Holocaust in Ukraine. Visiting Ann Charney's home town of Brody, Peter McFarlane finds that the local history museum celebrates Ukrainian Nazi soldiers while saying nothing about their Holocaust role in executing the town's 10,000 Jewish residents, including all of Ann's family and relatives. This book provides context and background for understanding the complex dynamics behind the war between Ukraine and Russia and Canada's role in that conflict.
