

The background of the cover is a photograph of an archaeological excavation. It shows a dirt path leading through a site with several ancient clay pots or jars lying on the ground. The scene is dimly lit, with a strong light source from the upper left creating a bright area at the top of the excavation.

This book offers a way to engage with the Bible as a set of sacred texts that can serve as a song sheet for believers in exile those people Bishop John Shelby Spong calls the church alumni association This includes those internally displaced persons of faith who have not yet become spiritual refugees but who feel the pressure to conform to traditional expressions of faith that no longer serve as springs of living water for the journey of life These ancient texts come from another world and another time but they can serve as maps for the journey of life They can best do this when the sacred wisdom of the Bible is accepted as permission to voice the new questions we face today in the confidence that authentic faith has always required such boldness Religious progressives are people who live the questions not dodge them Our task is not to guard a set of traditional answers but to live life boldly taking risks for God s sake and our own One of the hallmarks of this book is that the problems posed by the Bible are acknowledged In particular the contributions of recent critical scholarship are embraced rather than being ignored or neutralized by pious ambivalence The intended reader of this book is not a traditional believer secure in her assumptions about God and salvation but someone struggling to live with integrity in a time when traditional religion seems increasingly irrelevant The goal is not to persuade the reader that the Bible is credible but more modestly to offer an account of the Bible that may encourage religious progressives to reclaim the Bible as a valued part of our spiritual baggage *Digging Up the Bible* Moshe Pearlman,1980 **The Bible Reset** Alex Goodwin,2023-10-17 By the Co Creator

of Immerse The Reading Bible ECPA 2022 Bible of the Year Confused Frustrated Apathetic If you feel this way about the Bible you re not alone The reality is that we ve been set up to fail when we read the Bible inheriting barriers and habits that make reading Scripture harder than it needs to be Alex Goodwin co founder of the Institute for Bible Reading will show you a better way forward Discover how the physical format of our Bibles can make or break our Bible reading and how changing our reading habits can help us see that Scripture is alive Learn how the ancient collection of writings compiled in the Bible tells a story that is still unfolding a story God is inviting you to live into today You ll get actionable steps toward a flourishing relationship with the Bible a grand sense of the overall story the Bible is telling a clear sense of how you can participate in God s work of restoration and renewal and renewed curiosity about the Bible in ways you didn t think were possible Alex was once intimidated and bored by Bible reading too He presents his discoveries in ways that are easy to access full of illustrations and peppered with humor to keep you engaged Whether reading on your own or with a church or small group you ll be surprised at how your fascination will develop and your life will be transformed as you read and enjoy Scripture in fresh new ways **Counting Raindrops** Robert Thornton,2020-11-25 There shall be showers of blessings Ezekiel 34 26 The goodness kindness and blessings of God did not start when we repented of our sins and came to Christ because it was the

goodness and mercy of God that led us to repentance Romans 2 4 says that we did not know that it was the goodness and forbearance of God that leads us to repentance This is due to the fact that before our conversion our spiritual birth or our born again experience we were blind to spiritual things even the benevolent intervention of God in our lives Remember Jesus said in St John 3 3 Except a man be born again he cannot see the kingdom of God Before we received Christ and became born again we were spiritually blind Saint John 1 12 13 says But as many as received him to them gave the power to become the sons of God even to them that believe on his name Which were born not of blood nor of the will of the flesh nor of the will of man but of God Therefore after we are born again and are alive unto God we are able to see and recognize all the goodness and mercy of God in our lives When we look back over our lives with our new spiritual perception we see the goodness and forbearance of God that tenderly guided us to our salvation Often the Holy Spirit will take us on a retrospective journey into our past and illuminate various times and situations that as born again children we are now able to see and identify as the gracious hand of our Heavenly Father at work in our lives He was working in our lives long before we ever came to truly know Him or appreciate the goodness and mercy that was granted to us However when we do take the time and look back through the years with the eyes of our understanding being opened by our new birth in Christ we begin to realize the blessings are more than we are able to count It s like trying to count raindrops during a springtime shower Of course we know that it would be impossible to count each one But whenever we recognize any of the providential blessings of God and testify of his goodness and his mighty acts we are giving praise to his name Since there are so many of them and they never cease then our praises of God would be continuous This is why the palmist said I will bless the Lord at all times his praise shall continually be in my mouth Psalm 34 1 Also I will shew forth all thy marvelous works Psalm 9 1 And O magnify the Lord with me and let us exalt his name together Psalm 34 3 The greatest form of praise is to describe what our God is able to do has done and is still doing even in our times He is able to do exceeding abundantly above all that we ask of think according to the power that worketh in us Ephesians 3 20 It is my prayer that every believer will be more inspired to look through the clear prism of spiritual discernment and review their lives before and after coming to Christ and show forth all his marvelous works
