## **Digging Into Literature: Strategies for Reading, Analysis, and Writing** Joanna Wolfe,2016 Rhetor Response

Peter H. Khost,2018-09-10 Bridging the disciplinary divide between writing and literature Rhetor Response introduces the concept and pedagogical applications of literary affordances the ways in which readers use and integrate literature into their own writing or lives Unconcerned with authorial intent interpretive meaning or critical reception affordance signifies a shift in focus from what literary texts mean and do to what one can do with them This book presents both opportunities and challenges to writing studies a field whose burgeoning disciplinary independence ironically relies on a sizable underclass of specialists in literature rather than writing Incorporating elements of rhetorical theory literary criticism pedagogical methodology political critique and psychological and philosophical memoir Peter H Khost complicates and revives the relevance of literature from belles lettres to fanfiction by turning from interpretation to affordance in order to identify readers applications of literary textual features to unrelated lived situations Rhetor Response theorizes and exemplifies literary affordance as a constructive step toward professional reconciliation as well as an entry into greater textual power and pleasure for students and readers It is a one of a kind resource for college writing program administrators faculty and scholars in English and writing studies and graduate and advanced undergraduate students across both disciplines

*Reading Across the Disciplines* Karen Manarin,2022-05-03 Reading Across the Disciplines offers a collection of twelve essays detailing a range of approaches to dealing with students reading needs at the college level Transforming reading in higher education requires more than individual faculty members working on SoTL projects in their particular fields Teachers need to consider reading across the disciplines In this collection authors from Australia and North America teaching in a variety of disciplines explore reading in undergraduate courses doctoral seminars and faculty development activities By paying attention to the particular classroom and placing those observations in conversation with scholarly literature they create new knowledge about reading in higher education from disciplinary and cross disciplinary perspectives Reading Across the Disciplines demonstrates how existing research about reading can be applied to specific classroom contexts offering models for faculty members whose own research interests may lie elsewhere but who believe in the importance of reading

Re/Writing the Center Susan Lawrence,Terry Myers Zawacki,2019-03-15 Re Writing the Center illuminates how core writing center pedagogies and institutional arrangements are complicated by the need to create intentional targeted support for advanced graduate writers Most writing center tutors are undergraduates whose lack of familiarity with the genres preparatory knowledge and research processes integral to graduate level writing can leave them underprepared to assist graduate students Complicating the issue is that many of the graduate students who take advantage of writing center support are international students The essays in this volume show how to navigate the divide between traditional writing center theory and practices developed to support undergraduate writers and the growing demand for writing centers to meet the needs of advanced graduate writers Contributors address core assumptions of writing center pedagogy such as the concept of peers and peer tutoring the emphasis on one to one tutorials the positioning of tutors as generalists rather than specialists and even the notion of the

writing center as the primary location or center of the tutoring process Re Writing the Center offers an imaginative perspective on the benefits writing centers can offer to graduate students and on the new possibilities for inquiry and practice graduate students can inspire in the writing center Contributors Laura Brady Michelle Cox Thomas Deans Paula Gillespie Mary Glavan Marilyn Gray James Holsinger Elena Kallestinova Tika Lamsal Patrick S Lawrence Elizabeth Lenaghan Michael A Pemberton Sherry Wynn Perdue Doug Phillips Juliann Reineke Adam Robinson Steve Simpson Nathalie Singh Corcoran Ashly Bender Smith Sarah Summers Molly Tetreault Joan Turner Bronwyn T Williams Joanna Wolfe     **Digging Into Literature + Launchpad Solo for Literature Six-month Access** Joanna Wolfe, Bedford St.martin's, Laura Ingalls Wilder, 2018-07-24     **Journal of American Culture**, 1991     *Subject Guide to Books in Print*, 1971     *Working Mother*, 2000-10 The magazine that helps career moms balance their personal and professional lives     The North Carolina Historical Review, 2008-04     Florists Exchange and Horticultural Trade World, 1941
