

**THERE'S BLOOD IN THE WATER AS DILLON
CRUISES INTO HIS WILDEST ADVENTURE EVER!**

Once upon a time in the far away island nation of Xonira, Dillon was instrumental in halting a bloody revolution and handing the reins of power over to Lord Chancellor C'jai. Now, a mysterious group of international businessmen contact Dillon with evidence that Dillon's old friend, the Lord Chancellor C'jai, is engaging in high sea piracy in the oceans surrounding Xonira. In order to discover the truth behind the matter, Dillon decides to fight fire with fire and assembles a motley crew of rogues and cutthroats aboard the diesel-powered submarine, *Morgan Adams*, and sails for Xonira.

In Xonira, it seems, beautiful women, treasure, and tyrants are in no short supply, and Dillon's less than triumphant return is marked by a cascade of bullets, bombs, and blood!

"Dillon and the Pirates of Xonira exemplifies everything that is best about the New Pulp movement: a larger than life hero, an incredible cast of characters, plentiful twists and turns, and cover to cover action." *Joel Jenkins, author of Dice Planet and The Nuclear Subcase*
