Dietrich Bonhoeffer Called By God:

Dietrich Bonhoeffer Elizabeth Raum,2003-09-03 Nazi Germany produced an unusual group of Christian martyrs among them the nun philosopher Edith Stein the mystical philosopher Simone Weil and the peasant conscientious objector Hans J Sgerstatter but perhaps none so complex as the Lutheran theologian Dietrich Bonhoeffer Born into a large upper middle class professional family that was not particularly devout or observant his father was one of the leading psychiatrists in Germany Dietrich early in life decided he wanted to be a Christian theologian Yet his family background and connections insured that he wouldn't be one in the narrow mold of so many of his colleagues Opportunities for travel to Spain North Africa Mexico Cuba America twice and England often gave him a broad horizon of possibilities The greatest thing about America for him was his experiences in Harlem and his friendships with African Americans His great regret was that he missed an opportunity to travel to India to meet Gandhi He was one of the few German churchmen who spoke forthrightly against the persecution of Jews as Jews and not merely of Christians of Jewish descent How much of this was due to his beloved 90 year old grandmother Sophie who defied the Nazi ban on shopping in Jewish stores I buy the things I need where I like His family connections drew him into a dangerous double game His employment as a member of the Counterintelligence Office of the High Command of the Armed Forces enabled him to continue work as a pastor and seminary director It allowed him to travel abroad where he worked for a negotiated peace And it eventually drew him into the plot to kill Hitler an ethical stand which many German Christians of his generation couldn't understand or forgive He was executed on 9 April 1945 three weeks before Hitler committed suicide He was thirty nine years old The life of Dietrich Bonhoeffer has been told at great length and in magnificent detail by his younger colleague Eberhard Bethge It's a biography that will never be surpassed but which only the most devoted will have the perseverance to read Elizabeth Raum has retold the story concisely and readably for a whole new generation of readers *I Want to Live These Days with You* Dietrich Bonhoeffer,2007-01-01 Inspirational writings from Bonhoeffer drawn from his many works are organized by theme into a series of daily meditations to last throughout the year These prayers sermons meditations letters and notes offer readers a new glimpse at how Bonhoeffer understood the meaning of faith and discipleship Meditating on the Word Dietrich Bonhoeffer,1986-01-25 Daily quiet reflection on the Word of God as it applies to me becomes for me a point of crystallization for everything that gives interior and exterior order to my life wrote Dietrich Bonhoeffer to his colleagues at the warfront in the winter of 1942 Now back in print after a decade this collection of Bonhoeffer's writings sermons and letters on meditation including his unfinished meditation on Psalm 119 reveals his deep love for the Bible as a focus for his prayer life and a support in his courageous political life Why do I meditate asks Bonhoeffer Because I am a Christian Therefore every day in which I do not penetrate more deeply into the knowledge of God's Word in Holy Scripture is a lost day for me

Called To Mission Mirjam Scarborough, 2012-02-27 PAPERBACK 192 pages Crown Quarto format According to the meta study ReMAP between 1992 and 1994 one missionary in twenty prematurely left mission service each year This implies the loss of half of all missionaries every thirteen years With this in mind it is widely thought that a clear sense of call serves to prevent such dropout This detailed and compassionate study of Mennonite women missionaries in Central Africa finds this to

be true in the short term But in the long term the sense of call itself tends to turn on the call resulting in burnout and dropout Through extensive field work the author charts the course of missionaries who remodeled the call turning its burden into blessing This is embedded in a careful theological analysis drawing on a wide sweep of Mennonite thought and praxis
