Robertson, 2003-10 **Prison Poems of Dietrich Bonhoeffer**

Dietrich Bonhoeffer's Letters and Papers from Prison Martin E. Marty, 2020-02-25 For fascination influence inspiration and controversy Dietrich Bonhoeffer's Letters and Papers from Prison is unmatched by any other book of Christian reflection written in the twentieth century A Lutheran pastor and theologian Bonhoeffer spent two years in Nazi prisons before being executed at age thirty nine for his role in the plot to kill Hitler Ever since it was published in 1951 Letters and Papers from Prison has had a tremendous impact on Christian and secular thought and has helped establish Bonhoeffer's reputation as one of the most important Protestant thinkers of the twentieth century In this the first history of the book's remarkable global career writer Martin Marty tells how and why Letters and Papers from Prison has been read and used in such dramatically different ways from the Cold War to today Dietrich Bonhoeffer and a Theology of the Exception Kevin O'Farrell, 2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer's late resistance theology and action particularly as it relates to his participation in the attempted coup d'état against Hitler this book attends to Bonhoeffer's understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O'Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one's understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer's corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions of this age *Dietrich Bonhoeffer's Christmas Sermons* Dietrich Bonhoeffer, 2011-01-04 The celebration of Advent is possible only to those who are troubled in soul who know themselves to be poor and imperfect who look forward to something greater to come For these it is enough to wait in humble fear until the Holy One himself comes down to us God in the child in the manger God comes The Lord Jesus comes Christmas comes Christians rejoice Dietrich Bonhoeffer Executed by the Nazis for his complicity in a plot to assassinate Hitler Dietrich Bonhoeffer remains with

us today through his writings far reaching ripples of deep thought passionate words and unflinching character Including biographical insights Dietrich Bonhoeffer s Christmas Sermons spans Bonhoeffer s seventeen years as a preacher This collection of vintage sermons and writings searches out the power and mystery of the Christmas season its joyous riches and its implications for our lives Also available Dietrich Bonhoeffer s Prison Poems Dietrich Bonhoeffer s Meditations on Psalms

The Battle for Bonhoeffer Stephen R. Haynes,2018-09-13 The figure of Dietrich Bonhoeffer 1906 1945 has become a clay puppet in modern American politics Secular radical liberal and evangelical interpreters variously shape and mold the martyr s legacy to suit their own pet agendas Stephen Haynes offers an incisive and clarifying perspective A recognized Bonhoeffer expert Haynes examines populist readings of Bonhoeffer including the acclaimed biography by Eric Metaxas Bonhoeffer Pastor Martyr Prophet Spy In his analysis Haynes treats among other things the November 2016 election of Donald Trump and the Bonhoeffer moment announced by evangelicals in response to the US Supreme Court s 2015 decision to legalize same sex marriage The Battle for Bonhoeffer includes an open letter from Haynes pointedly addressing Christians who still support Trump Bonhoeffer s legacy matters Haynes redeems the life and the man Theology, Empowerment, and Prison Ministry Meins G.S. Coetsier,2022-09-26 In Theology Empowerment and Prison Ministry Meins G S Coetsier offers a new scholarly account of Karl Rahner s theological anthropology and the prison pastorate with a contemporary expansion for meaning seeking an antidote to the suffering and isolation of those incarcerated with a theology of empowerment Drawing on prison ministry theorists and practitioners and on the experiences of Viktor Frankl Aleksandr Solzhenitsyn and Etty Hillesum the book argues that Rahner s views on prison ministry are significant and encouraging but limited regarding the needs and demands of 21st century prison ministry In a convincing perceptive and groundbreaking study Coetsier goes beyond Rahner with ecumenical and interreligious perspectives reminding us all of our human dignity of meaning and transformation of our liberation creativity hope and community **The Bonhoeffer Legacy** ATF Press,2018-12-31 This collection of essays looks at a range of topics public theology why Chinese intellectuals are interested in engaging with Bonhoeffer Bonhoeffer s concept of the logos and public theology and Bonhoeffer s approach to social analysis Contributors Barry Harvey Robert Vosloo Jason Lam Joel Banman and Dustin Benac **Sanctorum Communio** Dietrich Bonhoeffer,2009-07-01 Here is offered the complete text in translation annotated by the German and American editors The historical context is explained and textual commentary is provided in a Foreword and Afterword *A Stroll at Leisure with God* John D. Talbert,2012-07 The word cancer is frightening What happens when a doctor tells you that you have cancer How do you deal with that What goes on in the immediate aftermath of that diagnosis What is chemotherapy like How will you feel These are only a few of the questions that proliferate when we face any uncertain turn in the road of life A Stroll at Leisure with God is a unique perspective of how to walk with the Lord through any crisis or life s daily challenges Through it all whatever comes our way we can learn what it truly means to have faith even in times of crisis **The Bonhoeffer Phenomenon** Stephen R. Haynes,2004 Stephen

Haynes's provocative study articulates the many motives and agendas that readers and scholars have brought to their study of Bonhoeffer making it difficult to assess objectively the relationship of his political and religious commitments the real meaning of his theology and his words and actions on behalf of Jews Reading Haynes's book helps us learn not only what Bonhoeffer has to teach us but also what it is we most desire to learn

Dietrich Bonhoeffer's Christian Humanism Jens Zimmermann, 2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer's own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer's theological anthropology and establishes that Bonhoeffer's Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer's mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer's theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer's ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer's life and theology namely his dedication to the Bible as God's word is also consistent with his Christian humanism

Attacks on Christendom in a World Come of Age Matthew D. Kirkpatrick, 2011-08-19 Though Søren Kierkegaard and Dietrich Bonhoeffer both made considerable contributions to twentieth century thought they are rarely considered together Against Kierkegaard's melancholic individual Bonhoeffer stands as the champion of the church and community In *Attacks on Christendom* Matthew D Kirkpatrick challenges these stereotypical readings of these two vital thinkers Through an analysis of such concepts as epistemology ethics Christology and ecclesiology Kirkpatrick reveals Kierkegaard's significant influence on Bonhoeffer throughout his work Kirkpatrick shows that Kierkegaard underlies not only Bonhoeffer's spirituality but also his concepts of knowledge being and community So important is this relationship that it was through Kierkegaard's powerful representation of Abraham and Isaac that Bonhoeffer came to adhere to an ethic that led to his involvement in the assassination attempts against Hitler However this relationship is by no means one sided *Attacks on Christendom* argues for the importance of Bonhoeffer as an interpreter of Kierkegaard drawing Kierkegaard's thought into his own unique context forcing Kierkegaard to answer very different questions Bonhoeffer helps in converting the obscure obdurate Dane into a thinker for his own unique age Both Kierkegaard and Bonhoeffer have been criticized and misunderstood for their final works that lay bare the religious climates of their nations In the final analysis *Attacks on Christendom* argues that these works are

not unfortunate endings to their careers but rather their fulfilment drawing together the themes that had been brewing throughout their work *Spiritual Friendship* Wesley Hill, 2015-04-14 Christianity Today Book Award Winner Friendship is a relationship like no other Unlike the relationships we are born into we choose our friends It is also tenuous we can end a friendship at any time But should friendship be so free and unconstrained Although our culture tends to pay more attention to romantic love marriage family and other forms of community friendship is a genuine love in its own right This eloquent book reminds us that Scripture and tradition have a high view of friendship Single Christians particularly those who are gay and celibate may find it is a form of love to which they are especially called Writing with deep empathy and with fidelity to historic Christian teaching Wesley Hill retrieves a rich understanding of friendship as a spiritual vocation and explains how the church can foster friendship as a basic component of Christian discipleship He helps us reimagine friendship as a robust form of love that is worthy of honor and attention in communities of faith This book sets forth a positive calling for celibate gay Christians and suggests practical ways for all Christians to cultivate stronger friendships **Barcelona, Berlin, New York** Dietrich Bonhoeffer, Clifford J. Green, Douglas W. Stott, 2008-06-05 900 pages of never before translated Bonhoeffer works Illuminating essays letters and lectures clarify Bonhoeffer's biographical and theological path
