**Who Am I?** Dietrich Bonhoeffer, 2005-03-01 Written while imprisoned by the Nazis in 1944 Dietrich Bonhoeffer's poem *Who Am I* reflects on universal questions about the uncertainty of the future the nature of humanness and the quest to find our purpose in life To illuminate central thoughts within the poem this attractive full color book also contains excerpts from other writings Finally a brief biography of Bonhoeffer introduces the reader to the theologian's life making this book a wonderful gift for those interested in Dietrich Bonhoeffer and those facing key life transitions where one might ask the crucial question Who am I [Summary of Dietrich Bonhoeffer's Letters and Papers from Prison](#) Everest

Media, 2022-03-27T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Bonhoeffer wrote this final paragraph at the end of 1942 or in autumn 1943 It was never completed but it was planned as part of *After Ten Years* The German text does not appear in the new German edition of *Letters and Papers* but in *Gesammelte Schriften* II p 441 2 I am fine and I am grateful for the small things in prison I am anxious about my fiancée though who has only recently lost her father and brother in the East 3 Dietrich had not thought of the most obvious things first He had not written to Dietrich but he wanted to let him know that people were thinking about him He had many heartfelt questions but this note could not be more than the need to tell him all sorts of inconsequential matters 4 I want you to know that I am grateful to you for everything you have been and are to my wife my children and myself I hope that you can be free soon and that the two of you can be together *Who Am I?* Bernd Wannenwetsch, 2009-07-21 A unique look at Bonhoeffer's poetry written during his prison years facilitating a fascinating conversation between biography and theology

**Here I Am** Quentin J. Schultze, 2005-05 Schultze helps readers identify God's call on their lives offers an expanded understanding of vocation and shows that what people do is not as important as how they do it [Dietrich Bonhoeffer's Christological Reinterpretation of Heidegger](#) Nik Byle, 2021-10-01 Dietrich Bonhoeffer was the intellectual progeny of the competing liberal and dialectical theological camps of his time Yet he found both camps incapable of properly accounting for Christ's relation to time and history which both grounds their conflict and generates further theological problems both theoretical and practical In this book Nik Byle argues that Bonhoeffer was able to mine Martin Heidegger's *Being and Time* for material theologically useful for moving beyond this impasse Bonhoeffer sifts through Heidegger's analysis of human existence and finds a number of moves and concepts useful to theology These include Heidegger's emphasis on anthropology over epistemology his position that one must begin with concrete existence and that human existence is fundamentally temporal Bonhoeffer must however reject other hallmark concepts such as authenticity and Heidegger's entire anthropocentric method that would threaten the legitimate theological use of Heidegger Making the appropriate theological alterations Bonhoeffer applies the useful elements from Heidegger to his Christocentric theology Essentially Christ and the church become fundamentally temporal and historical in the same way that human existence is for Heidegger This sets a new

foundation for Bonhoeffer's Christology with concomitant effects in his ecclesiology sacramentalism theological anthropology and epistemology

**My Dearest Dietrich** Amanda Barratt, 2019-06-09 A staggering love illuminating the dark corners of a Nazi prison Renowned German pastor and theologian Dietrich Bonhoeffer is famous for his resistance to the Nazi regime and for his allegiance to God over government But what few realize is that the last years of his life also held a love story that rivals any romance novel Maria von Wedemeyer knows the realities of war Her beloved father and brother have both been killed on the battlefield The last thing this spirited young woman needs is to fall for a man under constant surveillance by the Gestapo How can she give another piece of her heart to a man so likely to share the same final fate Yet when Dietrich Bonhoeffer an old family friend comes to comfort the von Wedemeyers after their losses she discovers that love isn't always logical Dietrich himself has determined to keep his distance from romantic attachments There is too much work to be done for God and his involvement in the conspiracy is far too important But when he encounters a woman whose intelligence and conviction match his own he's unprepared for how easy it is to give away his heart With their deep love comes risk and neither Dietrich nor Maria is prepared for just how great that risk soon becomes Based on detailed historical research this true love story is at once beautiful and heartrending *My Dearest Dietrich* sheds new light on a world famous theologian and the woman who changed his life

**Bonhoeffer's Seminary Vision** Paul R. House, 2015-04-16 Dietrich Bonhoeffer is best known for his role in a plot to assassinate Adolf Hitler and his subsequent execution at the hands of the Nazis However readers are less familiar with his tireless work educating seminary students for a life of pastoral ministry Anchored in a variety of influential lectures personal letters and major works such as *The Cost of Discipleship* this book attempts to recover a largely unexamined part of Bonhoeffer's life exploring his philosophy and practice of theological education in his original context It then builds on this foundation to address the drift toward increasingly impersonal educational models in our own day affirming the value of personal face to face seminary education for the health of pastors and churches

*Dietrich Bonhoeffer's Christian Humanism* Jens

Zimmermann,2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer s own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer s theological anthropology and establishes that Bonhoeffer s Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer s mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer s theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer s ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer s life and theology namely his dedication to the Bible as God s word is also consistent with his Christian humanism **Known by God** Brian S.

Rosner,2017-09-12 What does the Bible say about your sense of self In the past an individual s identity was more predictable than it is now Today personal identity is a do it yourself project Constructing a stable and satisfying sense of self is hard amidst relationship breakdowns the pace and rhetoric of modern life the rise of social media social mobility and so on Ours is a day of identity angst Who are you What defines you What makes you you In **Known by God** Rosner argues that rather than knowing ourselves being known by God is the key to personal identity He explores three biblical angles on the question of personal identity Being made in the image of God Being known by God Being in Christ At the center of a biblical understanding of personal identity is sonship God gives us our identity as a parent who knows his child Being known by him as his child gives our fleeting lives significance provokes in us needed humility supplies cheering comfort when things go wrong and offers clear moral direction for living \_\_\_\_\_ Part of the Biblical Theology for Life series this practical and insightful book will help you ground your longing to be known and the security of your identity on the solid foundation of biblical understanding and reflection **Prisoners of Hope** Nathan McConnell,2025-05-30 Prisoners of Hope focuses on ecclesiological and practical theological responses to migration asylum seeking and refugee integration and assimilation It considers the relationship between the church and the nation state relative to political asylum by questioning the various responses of Christians who advocate for refugees and asylum seekers in their spheres of influence Prisoners of Hope features how the Church might begin to appraise and address the various socio political strategies employed by nation states which situate migrants in a form of quasi political status as they move from one place to another It holds key benefits for exploring the philosophical and theological intersections of Dietrich Bonhoeffer Giorgio Agamben and Seyla Benhabib and those attempting to ask about treatment of the refugees and asylum seekers Prisoners of Hope will be of particular interest

to those attempting scholarly research in the areas of theology religion and migration studies as it investigates the phenomenological experiences of refugees going in and out of detention as well as arguments relating to porous borders within sovereign national entities Initially the book engages definitions of migration moving onto concepts of State of Exception and Homo Sacer and analysing arguments regarding porous borders and cosmopolitanism Of specific benefit for Christian theology is the second half of the book which examines the importance of vicarious witnessing prayer voicing inclusion worshipping communities and the inclusion of the other Overall Prisoners of Hope is a pertinent addition to those discussing concepts of national sovereignty migrant assimilation asylum seeking hospitality and the juxtapositioning of the foreigner within the often intricate dialogues associated with political entry

*Love & Death* Forrest Church, 2008-09-01 Nearing his final days a beloved Unitarian minister meditates on life love and death The goal is to live in such a way that our lives will prove worth dying for On a February day in 2008 Forrest Church sent a letter to the members of his congregation informing them that he had terminal cancer his life would now be measured in months not years He went on to promise that he would sum up his thoughts on the topics that had been so pervasive in his work love and death in a final book Church has been justly celebrated as a writer of American history but his works of spiritual guidance have been especially valued for

their insight and inspiration As a minister Church defined religion as our human response to the dual reality of being alive and having to die The goal of life he tells us is to live in such a way that our lives will prove worth dying for Love Death is imbued with ideas and exemplars for achieving that goal and the stories he offers all drawn from his own experiences and from the lives of his friends family and parishioners are both engrossing and enlightening Forrest Church s final work may be his most lasting gift to his readers     The God Who Kneels Douglas D. Webster,2015-02-06 The God Who Kneels is a meditative journey in John 13 The Apostle John opens the door and invites us into the upper room to relive the words and actions of Jesus He writes us into the scene and gives us a seat at the table On Thursday night Jesus gave his followers two simple object lessons during the evening meal He washed their feet and he broke bread These two enduring acts go a long way in defining the mission of God and the body of Christ They merge real hospitality and deep sacrament The towel and the basin and the bread and the cup signify the essence of Jesus s kingdom strategy The disciples missed the meaning of Jesus s message the first time around Like them we need a fresh experience of the upper room to grasp the Savior s humility and glory Less than twenty four hours before the crucifixion Jesus offered his disciples a vivid parable of the atonement and a true picture of discipleship This forty day Lenten series is a close reading of the biblical text revealing the significance of the God who kneels for today s discipleship     *Holiness* Stephen C. Barton,2003-01-01 Stephen Barton has commissioned social scientists philosophers of religion feminists biblical scholars historians moral theologians and systematic theologians international experts from a wide range of theological and related disciplines to reflect on holiness The book is divided into four parts the idea of holiness holiness and scripture holiness and Christian tradition and holiness and contemporary issues The contributions are inter denominational and inter religious There is nothing comparable on holiness available at present so this collection fills a significant gap in the literature Its comprehensive range and its interdisciplinary style will make it an important resource for students and scholars in theology church history ethics and religious studies
