## **Difficult Gospel The Theology Of Rowan Williams:**

Difficult Gospel Mike Higton, 2005-01-01 Rowan Williams is widely recognized as a creative and powerful theologian but his theological writings are frequently complex and difficult This book provides a clear and simple guide to all the main themes of his theology and shows how they are related to his reading of the Bible his careful and wide ranging engagement with the Christian tradition and his grappling with contemporary culture It shows how the Archbishop's ideas about peace or about popular culture about sexuality or about evangelism relate to his understanding of the nature of the life of God and the challenging good news of Jesus Christ This book is designed especially for those who have no formal training in theology or academic expertise but are interested in finding out more about what Rowan Williams stands for Jesus in the Theology of Rowan Williams Brett Gray, 2016-11-17 Brett Gray traces the portrayal of Christ that emerges throughout Williams' diverse writings including in his engagements with literature and philosophy What emerges is a vision of Jesus that grows from the roots of the Christian tradition but is pronounced in a contemporary idiom and sensitive to modern concerns Although attentive to the broad sweep of the Christian tradition Williams' Christology is also seen in this book to be a particular British artefact shaped in dialogue with thinkers such as Donald MacKinnon and Gillian Rose What is ultimately brought to the surface in this work is the profoundly hopeful if frequently under pronounced eschatology underlying Williams' Christology Jesus is the last word changing creation's possibilities and summoning it into an endless and vivifying journey **On Rowan Williams** Matheson Russell, 2009-01-01 Theologian poet public intellectual and clergyman Rowan Williams is one of the leading lights of contemporary British theology He has published over twenty books and one hundred scholarly essays in a distinguished career as an academic theologian that culminated in his appointment as Lady Margaret Professor of Divinity at Oxford University Williams left this post to serve in the Anglican Church first as Bishop of Monmouth then Archbishop of Wales before finally being enthroned in 2003 as the 104th Archbishop of Canterbury In this collection of essays a talented younger generation of Australian theologians critically analyzes the themes that bind together Williams' theology These sympathetic yet probing essays traverse the full breadth of Williams' work from his studies on Arius the Desert Fathers Hegel and Trinitarian theology to his more pastoral writings on spirituality sexuality politics and the Anglican Church

Samantha R. E. Gottlich,Ian S. Markham,2016-04-18 Foreword by Presiding Bishop Michael B Curry illustrations by Benjamin Hart **Philosophy and the Burden of Theological Honesty** Donald MacKinnon,2011-06-23 This is a collection of writings of one of Britains most prominent theologian and thinker Donald M MacKinnon has been one of the most important and influential of post war British theologians and religious philosophers Generally eclectic frequently allusive usually intellectually generous persistently richly challenging and always astonishingly erudite he had a significant impact on the development and subsequent theological work of the likes of Rowan Williams Nicholas Lash David Ford and John Milbank A younger generation largely emerging from Cambridge but with influence elsewhere has more recently brought MacKinnon s normally occasionalist writing to a larger audience worldwide where it is beginning to receive noteworthy attention In this collection several of MacKinnon s most outstanding papers not yet published in book format is collected together with an Editorial Introduction by a former student of one of MacKinnon s own students They range from his reflections on theology as educational the nature of moral reasoning considerations of ecclesial practice dogmatics and hope Here is another reminder of MacKinnon s intellectual brilliance **Theology and the Films of Terrence Malick** Christopher B. Barnett,Clark J. Elliston,2016-08-12 Terrence Malick is one of the most important and controversial filmmakers of the last few decades Yet his renown does not stem from box office receipts but rather from his inimitable cinematic vision that mixes luminous shots of nature dreamlike voiceovers and plots centered on enduring existential questions Although scholars have thoroughly examined Malick s background in philosophy they have been slower to respond to his theological concerns This volume is the first to focus on the ways in which Malick integrates theological inquiries and motifs into his films The book begins with an exploration of Malick s career as a filmmaker and shows how his Heideggerian interests relate to theology Further essays from established and up and coming scholars analyze seven of Malick s most prominent films *Badlands* 1973 *Days of Heaven* 1978 *The Thin Red Line* 1998 *The New World* 2005 *The Tree of Life* 2011 *To the Wonder* 2012 and *Knight of Cups* 2015 to show how his cinematic techniques point toward and overlap with principles of Christian theology A thorough study of an iconic filmmaker this book is an essential resource for students and scholars in the emerging field of religion and film

*SCM Core Text: Christian Doctrine* Mike Higton,2013-01-25 The SCM Core Text *Christian Doctrine* offers an up to date accessible introduction to one of the core subjects of theology Written for second and third year university students it shows that *Christian Doctrine* is not a series of impossible claims to be clung to with blind faith Mike Higton argues that it is rather

a set of claims that emerge in the midst of Christian life as Christian communities try to make enough sense of their lives and of their world to allow them to carry on Christian communities have made sense of their own life and the life of the wider world in which they are set as life created by God to share in God's own life They have seen themselves and their world as laid hold of God's life in Jesus of Nazareth and as having the Spirit of God's own life actively at work within them This book explores these and other central Christian doctrines and in each case shows how the doctrine makes sense and how it is woven into Christian life It will help readers to see what sense it might make to say the things that Christian doctrine says and how that doctrine might affect the way that one looks at everything the natural world gossip culture speaking in tongues politics dieting human freedom love High Noon justice computers racism the novels of Jane Austin parenthood death and fashion

The Text in Play Mike Higton, Rachel Muers, 2012-11-02 In *The Text in Play* Mike Higton and Rachel Muers conduct a series of experiments in the reading of Scripture They experiment in the first place with a form of Christian theological exegesis of the Bible that they call serious play a form of reading beyond the literal sense that is nevertheless serious about the ethical historical and textual responsibilities of the reader They experiment in the second place with the practice called Scriptural Reasoning in which Jews Christians and Muslims read and argue over their respective Scriptures together and argue that the practice makes deep sense for seriously playful Christian readers This constitutes the most detailed and developed account of Scriptural Reasoning yet published

*Personhood and Christianity* Oliver Forshaw, 2010-12-31 Making clear the Christian position that God's self revelation is through human nature the author gives an account of the way a person is formed as an individual in community from the moment of conception onward The research and teaching of Dr Frank Lake are explained drawing out the distinction between Lake's kind of psychodynamic therapy and psychoanalytical practices whether Freudian or Jungian The book is aimed at showing that Christian living and spirituality are properly focused on the non religious activity of God in the world and that the Church's mission requires the formation of worshipping congregations that are increasingly free of the defensive behaviours commonly encouraged by religion In *Personhood and Christianity* Forshaw makes a three fold approach Arguing that many of the practices and attitudes of the divided churches still make it difficult for people to understand Christianity Taking up proposals of leading theologians and therapists he discusses the kind of holiness in the midst of ordinary life that can lead to practical reform in parishes and contribute towards radical change in community life more widely The discussion focuses on emotional healing as a primary element in the Church's work and on the New Testament theology of the corporate Christ as key to the recovery of faith in the 21st century Stress is laid on the world directed purpose of the Eucharist through the ascended Jesus who is present everywhere *Personhood and Christianity* will be of great interest to all involved in Christian leadership and in the caring services of Church and society generally to those training for ministry and to everyone engaged in pastoral counselling and therapy

*T&T Clark Handbook of Christian Prayer*, 2021-12-16 The essays collected in this volume provide a resource for

thinking theologically about the practice of Christian prayer In the first of four parts the volume begins by reaching back to the biblical foundations of prayer Then each of the chapters in the second part investigates a classical Christian doctrine including God creation Christology pneumatology providence and eschatology from the perspective of prayer The chapters in the third part explore the writings of some of the great theorizers of prayer in the history of the Christian tradition The final part gathers a set of creative and critical conversations on prayer responding to a variety of contemporary issues Overall the T T Clark Handbook of Christian Prayer articulates a theologically expansive account of prayer one that is deeply biblical energetically doctrinal historically rooted and relevant to a whole host of critical questions and concerns facing the world today

Political Formation Jenny Leith, 2023-01-31 What might it mean us to be formed as disciples not only by the church but also by the world In *Political Formation Being Formed by the Spirit in Church and World* Jenny Leith argues that ethical and political formation of Christians takes place through the work of the Spirit both in the church and in civic life and the church too has something to learn from wider political practices and movements This account of formation places centre stage a reckoning with the forms of exclusion and marginalisation that mar the church and yields an understanding of the church as not only ethically formative but also in constant need of being formed itself Offering a fresh vision for ecclesiology which grapples with the ethical failings of the church and takes seriously the need for the church to keep on recognising and repenting of its sins the book offers a major new contribution to discussions around Christian formation and the relationship between discipleship and ethics

**Abraham Heschel and the Phenomenon of Piety** Joseph Harp Britton, 2013-10-24 Piety is often regarded with a pejorative bias a pious person is thought to be overly religious supercilious even Yet historically the concept of piety has played an important role in Christian theology and practice For Abraham Heschel piety describes the contours of a life compatible with God's presence While much has been made of

Heschel's concept of pathos relatively little attention has been given to the pivotal role of piety in his thought with the result that the larger methodological implications of his work for both Jewish and Christian theology have been overlooked

Grounding Heschel's work in Husserl Dilthey Schiller and Heidegger the book explores his phenomenological method of penetrating the consciousness of the pious person in order to perceive the divine reality behind it The book goes on to consider the significance of Heschel's methodology in view of the theocentric ethics of Gustafson and Hauerwas and the post modern context reflected in the works of Levinas Vattimo Marion and the Radical Orthodoxy movement

**Receptive Ecumenism As Transformative Ecclesial Learning** Paul D. Murray, Gregory A. Ryan, Paul Lakeland, 2022 Receptive Ecumenism asks not what other churches can learn from us but what can we learn and receive with integrity from our ecclesial others The chapters in this volume by academics church leaders and ecumenical practitioners show how Receptive Ecumenism has grown and matured over the past two decades

McDowell, Mike Higon, 2021-11-18 Karl Barth addressed all the major themes of dogmatic theology and in so doing made his own distinctive contribution to each of the ongoing conversations that constitute that theology This book presents important new conversations with Barth by leading contemporary theologians and Barth scholars Each contributor offers their own distinctive emphasis to bring to light the ways in which the depths of Barth's work may illuminate or be illuminated by the work of other prominent thinkers who preceded or followed him The conversations they host between Barth and other philosophers and theologians raise critical questions in the reading and appreciation of Barth's thought and explore a wide range of themes in dogmatic theology This book not only adds to the comprehension of the riches of Barth's theology but also presents an important contribution to the ongoing conversations and debates alive in theology today Contributors Nicholas Lash John Webster Timothy Gorringer Graham Ward George Hunsinger Ben Quash Mike Higon John McDowell Eugene Rogers Katherine Sonderegger David Clough David Ford

**The Church on Capitalism** Eve Poole, 2010-10-27 An examination of the views on capitalism of bishops academics and business people in the Church of England Highlighting the richness and distinctiveness of these arguments it also points to flaws and gaps Offering a new framework for public theology Poole urges the Church to take its proper place in re shaping the global economy

**Sharing Friendship** John B. Thomson, 2016-03-03 Sharing Friendship represents a post liberal approach to ecclesiology and theology generated out of the history practices and traditions of the Anglican Church Drawing on the theological ethics of Stanley Hauerwas this book explores the way friendship for the stranger emerges from contextually grounded reflection and conversations with contemporary Anglican theologians within the English tradition including John Milbank Oliver O Donovan Rowan Williams Daniel Hardy and Anthony Thiselton Avoiding abstract definitions of character mission or friendship John Thomson explores how the history of the English Church reflects a theology of friendship and how discipleship in the New Testament the performance of worship and the shape of Anglican ecclesiology are congruent with such a theology The book concludes by

rooting the theme of sharing friendship within the self emptying kenotic performance of Jesus mission and looks at challenges to the character of contemporary Anglican ecclesiology represented by secularization and globalization as well as by arguments over appropriate new initiatives such as Fresh Expressions

**The Church of England in the First Decade of the 21st Century** Andrew Village, 2018-12-11 This book analyzes two large surveys of clergy and lay people in the Church of England taken in 2001 and 2013 The period between the two surveys was one of turbulence and change and the surveys offer a unique insight into how such change affected grassroots opinion on topics such as marriage women's ordination sexual orientation and the leadership of the Church Andrew Village analyzes each topic to show how opinion varied by sex age education location ordination and church tradition Shifts that occurred in the period between the two surveys are then examined and the results paint a detailed picture of how beliefs and attitudes vary across the Church and have evolved over time This work uncovers some unforeseen but important trends that will shape the trajectory of the Church in the years ahead

**Charles Taylor and Anglican Theology** J. A. Franklin, 2021-09-21 This book considers the work of Charles Taylor from a theological perspective specifically relating to the topic of ecclesiology It argues that Taylor and related thinkers such as John Milbank and Rowan Williams point towards an Aesthetic Ecclesiology an ecclesiology that values highly and utilizes the aesthetic in its self understanding and practice Jamie Franklin argues that Taylor's work provides an account of the breakdown in Modernity of the conceptual relationship of the immanent and the transcendent and that the work of John Milbank and radical orthodoxy give a complementary account of the secular from a more metaphysical angle Franklin also incorporates the work of Rowan Williams which provides us a way of thinking about the Church that is rooted in a material and historical legacy The central argument is that the reconnection of the transcendent and the immanent coheres with an understanding of the Church that incorporates the material reality of the sacraments the importance of artistic beauty and craftsmanship and the Church's status as historical global and eschatological Secondly the aesthetic provides the Church with a powerful apologetic beauty cannot be reduced to the presuppositions of secular materialism and so must be accounted for by recourse to transcendent categories
