Digging The Wells Of Revival Reclaiming Your Historic Inheritance Through Prophetic Intercession:

Reclaiming Your Spiritual Inheritance Vincent Carbone, 2023-03-27 Remembering the moves of God is a theme that runs throughout Scripture from the Passover to the Lord's Supper. By remembering and engaging these events, people encounter God's heart, motivation of love to move again. Connecticut is rich in revival history with people who have encountered the love of God for their generation. Their intimacy with God brought a fresh move that went on to touch the world. Exploring Connecticut's rich revival history is an invitation for you to engage with God and reclaim the spiritual inheritance for the land and you. *Digging the Wells of Revival* Lou Engle, 2011-07-28 Do you know that just beneath your feet are deep wells of revival? Are you aware that you are standing on bottomless geysers and fountains of the anointing and mandates of our spiritual forefathers and mothers that are just waiting to be released afresh to you? God is calling us as instruments today to unstop the wells and reclaim the spiritual inheritance of our nation. This same God who visited America in the Great Awakening, the Azusa Street Revival, the Jesus Movement, the Charismatic Outpouring, and more, wants to again honor His eternal covenants with the men and women of faith who have gone before us. God is ready to loose revival fires and miracles to the spiritual descendants of people like Jonathan Edwards, Henrietta Mears, Aimee Semple McPherson, Charles Finney, William Seymour, and Frank Bartleman. But who will contend for the mantle they wore? Will you? As America stands on the brink of the judgement of God for her sins, revival is our most glorious hope. This book is a prophetic call from the heart of a pastor in Los Angeles who calls his city his country and you to renew covenant with God, reclaim our glorious roots, and believe for the greatest revival the world has ever known. *Prophetic Community* Kim M. Maas, 2019-08-20 All God's people have been given the ability not only to hear his voice but to speak his words. Yet some still believe that the gift of prophecy ceased with the death of the New Testament apostles. Others believe that gifts are reserved only for those specially anointed and appointed. Grounded in Scripture, international speaker and author Kim Maas will help you understand the history of the modern prophetic movement, key misunderstandings and misconceptions about prophecy, where prophetic community fits into God's kingdom plan. When the body of Christ recognizes that we are called to be a prophetic community, the voice of God will be released with fresh power in the church and the family, in the halls of justice and of education, in places of business and of leisure, and in the streets of every neighborhood, city, and nation. Lives will be changed. Communities will be transformed. Culture will be influenced. And history will be made. *Praying with God's Heart* James W. Goll, 2018-10-02 What if there was a key that made every prayer more effective, something that would bring all prayers into agreement with the heart of God every single time? This type of praying does exist, says bestselling author and prophetic leader James W. Goll, and it's called prophetic intercession. It is the humble act of holding the needs of people before God while leaning into God's heart for them. There is nothing mystical or elite about this kind of praying, and it's for the new Christian and the most seasoned prayer warrior. All you need is to learn to lean into your heavenly Father and pray what you see and hear in

alignment with his heart empowered by the Holy Spirit God wants you to align your heart with his He wants you to pray more effectively in these turbulent times and he wants you to help usher in the fullness of his purposes on the earth Are you ready
