Our Babies, Ourselves Meredith Small,2011-09-07 A thought provoking combination of practical parenting information and scientific analysis Our Babies Ourselves is the first book to explore why we raise our children the way we do and to suggest that we reconsider our culture s traditional views on parenting New parents are faced with innumerable decisions to make regarding the best way to care for their baby and naturally they often turn for guidance to friends and family members who have already raised children But as scientists are discovering much of the trusted advice that has been passed down through generations needs to be carefully reexamined In this ground breaking book anthropologist Meredith Small reveals her remarkable findings in the new science of ethnopediatrics Professor Small joins pediatricians child development researchers and anthropologists across the country who are studying to what extent the way we parent our infants is based on biological needs and to what extent it is based on culture and how sometimes what is culturally dictated may not be what s best for babies Should an infant be encouraged to sleep alone Is breast feeding better than bottle feeding or is that just a myth of the nineties How much time should pass before a mother picks up her crying infant And how important is it really to a baby s development to talk and sing to him or her These are but a few of the important questions Small addresses and the answers not only are surprising but may even change the way we raise our children *Solution Capsules* Simon Aranonu,2019-11-14 Life is full of challenges Regardless of race or creed no one is exempt from life s bitter struggles and no one can choose his or her own lot Neither can anyone decide or influence the timing of an ill wind In *Solution Capsules* author Pastor Simon Aranonu offers a handy tool that is ready made for you It is a Bible centered book that illuminates the battles of life in ten chapters through contemplative discourse and real life anecdotes Useful for private meditation or group study seekers will find miracle answers to help equip them for every quest and especially in the areas of marriage finances

promotion education health and fruitfulness With profound reflections rooted in simple language each chapter takes on a specified challenge and expounds on its different aspects in the light of the scriptures The book is rich in counsel and prayer suggestions are offered at every stop motivating Christians to stay strong against the devil s attacks Filled with important messages *Solution Capsules* serves as a useful companion to the Bible in your godly march from victory to victory

Reading through the Night Jane Tompkins, 2018-09-25 Jane Tompkins a renowned literature professor and award winning author thought she knew what reading was until struck by a debilitating illness she finds herself reading day and night because it is all she can do A lifelong lover of books she realizes for the first time that if you pay close attention to your reactions as you read literature can become a path of self discovery Tompkins s inner journey begins when she becomes captivated unexpectedly by an account of friendship between two writers to whom she d given little thought Paul Theroux and V S Naipaul Theroux s memoir launches her on a path of introspection that stretches back to the first weeks of her life in a Bronx hospital and forward to her relationship with her mother and the structure of her present marriage Her reading experience intensified by the feelings of powerlessness and loss of self that come with chronic illness expands to include writers such as Henning Mankell and Ann Patchett Alain de Botton Elena Ferrante and Anthony Trollope As she makes her way through their books she recognizes herself in them stumbling across patterns of feeling and behavior that have ruled her without her knowing it envy a desire for fame fear of confronting the people she loves a longing for communion The reader along with Tompkins comes to the realization that literature can be not only a source of information and entertainment not only a balm and a refuge but also a key to unlocking long forgotten memories that lead to a new understanding of one s life
