*Starting a Solo Law Firm 2021 Edition* Attorney Robert Schaller, 2021-01-14 Attorney Robert Schaller and the Schaller Law Firm offer young lawyers in *Starting a Law Firm in 2020 2021* a must have desk reference book for building a law firm Lawyers should invest in their future Young lawyers worked hard in college and again in law school Now it is time to reap the rewards of the intensive legal training Earn the profits deserved Develop pride and earn respect from your peers Any lawyer who possesses a heartfelt desire to build a respected legal career along with the vision and drive to succeed should read and embrace the steps set forth in this book This book is dedicated to the young lawyers who are unfulfilled

working as associates for other lawyers or who recently graduated from law school with the courage to hang out a shingle and start their own law firm This book provides concrete guidance about issues the author wished someone had taught him before he started his own law firm Some lawyers have the courage to open a solo practice law firm Other lawyers start a law firm with one or two other lawyers they know and trust There is strength in numbers It is appealing to young lawyers in particular to have a law school classmate or fellow associate nearby for support Others establish an affiliation with an existing firm Sometimes a lawyer needs another lawyer to brainstorm and bounce ideas around Deciding whether to start a law firm is a tough decision You gain the freedom described above but you lose the security of working for an established firm as an associate But is that freedom In the short run a young lawyer likes the security of knowing a paycheck is coming twice a month But all private practice lawyers ultimately realize that they eat what they kill Therefore the early shelter and protection offered by an established firm is lost after a few years when the developing lawyer is required to either leave the firm or develop a pool of clients that generate sufficient profits for the firm to justify the lawyer s salary In essence the lawyer has to develop the lawyer s own profit center or the lawyer s own solo firm within the firm Either way the lawyer has to know how to start a practice and thrive This book will help striving lawyers get on the path to success
