Dilemmas Of Security Politics Strategy And The Israeli Experience In Lebanon

Clive Jones, Sergio Catignani

Dilemmas Of Security Politics Strategy And The Israeli Experience In Lebanon:

Dilemmas of Security Avner Yaniv, 1987 Essential reading for anyone interested in Israel's conflict with its neighbors Middle East Journal Israel's experience in Lebanon invasion frustration retrenchment and collapse is recounted with attention to detail and a command of the material unmatched in any other book The real contribution of the book is not so much in the author's specific conclusions as in the way in which his knowledge and his analysis illuminate the entire subject Foreign Affairs *Israel's Security Networks* Gabriel Sheffer, Oren Barak, 2013-06-28 Provides a fresh perspective on Israeli civil security relations and politics introducing the concept of informal security networks in the area of national security

Israel and Hizbollah Clive Jones, Sergio Catignani, 2009-12-04 Since the end of the Cold War academic debate over the nature of war in the contemporary world has focused upon the asymmetric nature of conflict among a raft of failed or failing states often held together by only a fragile notion of a shared communal destiny Little scholarly attention has been paid however to one such conflict that predates the ending of the Cold War yet still appears as intractable as ever Israel's hostile relationship with Lebanon and in particular its standoff with the Lebanese Shi'a militia group Hizbollah As events surrounding the Second Lebanon War in the summer of 2006 demonstrate the clear potential for further cross border violence as well as the potential for a wider regional conflagration that embraces Damascus and Tehran remains as acute as ever This book focuses on the historical background of the conflict while also considering the role that other external actors most notably Syria Iran and the United Nations play in influencing the conduct and outcomes of the Israeli Lebanese conflict In addition it also looks at Hizbollah's increasing sway in Lebanese domestic politics its increased military cooperation with Iran and Syria and the implications of such developments **Insurgencies and Counterinsurgencies** Beatrice

Heuser, Eitan Shamir, 2016 A study of the evolving national styles of conducting insurgencies and counter insurgency as influenced by transnational trends ideas and practices **Israel's Covert Diplomacy in Lebanon** Kirsten E. Schulze, 2016-06-01 This book deals with the relations of the Jewish Agency and the State of Israel with the Lebanese Maronites in the period 1920-1984 It is essentially a study of the evolution of Israeli policy towards and the minority alliance with the Maronites The central argument of the book is that Israel has pursued an active policy of intervention in the domestic politics of Lebanon through the alliance and thus the book challenges the view of Israel as a nation that dwells alone *Rabin and Israel's National Security* Efraim Inbar, 1999-06-17 For more than forty years Yitzhak Rabin played a critical role in shaping Israeli national security policy and military doctrine He began as a soldier in the Palmach the elite underground unit of the Jewish community in Palestine served in the 1948 War of Independence and ultimately became chief of staff of the Israel Defense Force IDF defense minister in several governments ambassador to the United States and twice prime minister As chief of staff Rabin led the IDF to its triumph in the 1967 Six Day War He was assassinated in 1995 as prime minister as he left a peace rally Drawing on unpublished materials and interviews with important sources including

Rabin himself Efraim Inbar's work offers a systematic study of Rabin's strategic thinking and his policies Topics include the evolution of Rabin's thinking his contributions to IDF military buildup his stress on Israel's relationship to the United States his attitudes toward the use of force and his approach to Israel's nuclear status in the Middle East Inbar's conclusion evaluates Rabin's contribution to Israel's national security and assesses Rabin's personal transition from warrior to peace maker Because of Rabin's crucial role in Israel's defense establishment at important junctures in its history this book provides an important view into the security challenges Israel has faced and how the country has responded over four decades

The Jews of Lebanon Kirsten Schulze,2008-12-04 Tells the story of the Jews of Lebanon in the twentieth century This work challenges the prevailing view that Jews in the Middle East were second class citizens and were persecuted after the establishment of the State of Israel in 1948

War and Memory in Lebanon Sune Haugbolle,2010-03-15 Sune Haugbolle's often poignant book chronicles the battle over ideas that emerged from the wreckage of the Lebanese civil war

Air University Library Index to Military Periodicals ,1988 **Ideology and Power in the Middle East** Peter J. Chelkowski,Robert J. Pranger,2013-07-12 Scholars from the United States Canada Europe and the Middle East combine their talents and expertise to honor George Lenczowski whose studies of the Middle East over two generations have made him a foremost expert on contemporary affairs in this most volatile and complex region

International Relations of the Middle East Louise Fawcett,2013-03-21 Leading scholars of Middle East politics and international relations present comprehensive coverage of the international politics of the Middle East a region at the forefront of international attention

Out of Bounds Matthew Abraham,2014-01-02 Academic freedom is a key element of the academic enterprise in the U S However it does not seem to exist when scholars seek to advocate on behalf of Palestinian self determination This unique work examines how the knowledge power nexus is shaping the discourse around the Israel Palestine conflict and restricting academic freedom Beginning with a discussion of American Zionism the work proceeds to explain why scholars working on the question of Palestine are often denied standard academic freedom This is supported by prominent cases such as Norman G Finkelstein's denial of tenure the Middle East Studies Department at Columbia University and Mearsheimer and Walt's book *The Israel Lobby* The work of Edward Said and Noam Chomsky are also discussed and the book concludes with recommendations for protecting intellectual freedom to those seeking to critically pursue the question of Palestine This scholarly study will appeal to a broad audience of faculty students and readers who seek to understand the importance of academic freedom and the thorny debates surrounding the Israel Palestine conflict

The Breakdown of the State in Lebanon, 1967-1976 Farid El Khazen,2020-12-10 Why did the Lebanese state the most open and democratic political system in the Middle East break down between 1967 and 1976 In this major contribution to the debate Fazel el Khazen rejects the standard explanations of the Lebanese Civil War and argues instead that the causes were due to the official state ideology which recognized diversity dissent and a highly pluralistic population and then specific external factors pressures from the

Arab Israeli Conflict inter Arab rivalries and the Palestine Liberation Organization s close connection to Lebanese politics Using an historical analysis el Khazen sheds light on the political situation of the country in the lead up to the conflict and the major role Lebanon s neighbours had in the events The detailed and comprehensive account uses interviews with the key protagonists in the civil war and analysis of unpublished sources to reveal how and why the breakdown took place

Professionals against Populism Michael Keren,2012-02-01 This book based on Shimon Peres s private papers tells the unusual story of the Peres government of 1984 1986 in Israel It is the story of an unpopular politician demonized by his political enemies who operates under great time restraints to manage a pluralistic democracy losing ground to enchanted masses in public squares Lacking support from his own national unity government Peres reverted to his old time alliance with Israel s technocrats in his combat against populism Michael Keren analyzes the role of legal professionals strategic experts and economists in the three main events of the Peres era the scandal over the killing of two Arab terrorists by the General Security Service the efforts to renew the peace process in the Middle East after the Lebanon war and the economic stabilization program of 1985 This analysis illumines Israel s hitherto unexplored technocratic stratum and its ongoing struggle over Israel s nature as an advanced industrial state This stratum the author contends has been the moving force behind the construction of the nuclear reactor in Dimona in the 1960s the combat against populism in the 1980s and the Israeli Palestinian peace process of today

Negotiating Arab-Israeli Peace Laura Zittrain Eisenberg,Neil Caplan,2025-04-22 Fifteen years since the publication of its second edition this foundational text in the history of Arab Israeli peacemaking endeavors has been updated to include developments from the past twenty five years Thoroughly revised and expanded the third edition of Negotiating Arab Israeli Peace examines the history of recurrent efforts to resolve the Arab Israeli conflict since the 1970s and identifies a pattern of negative negotiating behaviors that repeatedly derail peacemaking efforts In addition to updating all of the book s existing chapters with post 2010 sources and developments authors Eisenberg and Caplan have added new chapters on the Arab Peace Initiative the Annapolis Conference the Kerry mission and the Abraham Accords as well as a conclusion that questions several core notions regarding the nature of the conflict the possibility of its resolution Arab Israeli normalization and the viability of the two state solution An epilogue extends the book s framework into present day crises in the region specifically Hamas s 7 October 2023 attack on Israel and Israel s war against Hamas in Gaza A companion website comprises nine appendices among them 145 primary source documents expanded notes links to websites for maps data and analysis peace activities and additional visual and documentary sources Also online is a robust instructor s guide offering supplementary resources and ideas for assignments research and classroom exercises all of which draw upon and complement the themes running throughout the text By measuring contemporary diplomatic episodes against the historical pattern of counterproductive negotiating habits Negotiating Arab Israeli Peace makes possible a coherent comparison of some eighty years of Arab Israeli negotiations and offers readers a framework with

which to assess the relative strengths and weaknesses of peace making attempts past present and future **Israel After Begin** Gregory S. Mahler, 2012-02-01 This book focuses on the nature of Israeli politics in the post Begin era It examines significant contemporary issues such as the withdrawal of Israeli forces from Lebanon the harnessing of the enormous inflation rate the escalating tension between religious and secular Israeli Jews the widening influence of radical right wing activist Rabbi Meir Kahane the fluctuating relationship between Israel and the U S the survival of the Likud Party and changes in national electoral strategies of the major parties It places recent events in Israeli politics in a historical context and suggests what the implications of these events might be for the future *Conflict and War in the Middle East* Bassam Tibi, 1998-09-28 Few studies of Middle East wars go beyond a narrative of events and most tend to impose on this subject the rigid scheme of superpower competition The Gulf War of 1991 however challenges this view of the Middle East as an extension of the global conflict The failure of the accord of both superpowers to avoid war even once regional superpower competition in the Middle East had ceased must give rise to the question Do regional conflicts have their own dynamic Working from this assumption the book examines local regional constraints of Middle East conflict and how through escalation and the involvement of extra regional powers such conflicts acquire an international dimension The theory of a regional subsystem is employed as a framework for conceptualising this interplay between regional and international factors in Tibi s examination of the Middle East wars in the period 1967-91 Tibi also provides an outlook into the future of conflict in the Middle East in the aftermath of the most recent Gulf War *The Iron Wall: Israel and the Arab World (Updated and Expanded)* Avi Shlaim, 2014-10-20 Fascinating Shlaim presents compelling evidence for a revaluation of traditional Israeli history New York Times Book Review For this newly expanded edition Avi Shlaim has added four chapters and an epilogue that address the prime ministerships from Barak to Netanyahu in the one book everyone should read for a concise history of Israel s relations with Arabs Independent What was promulgated as an iron wall strategy building a position of unassailable strength was meant to yield to a further stage where Israel would be strong enough to negotiate a satisfactory peace with its neighbors The goal still remains elusive if not even further away This penetrating study brilliantly illuminates past progress and future prospects for peace in the Middle East *International Organizations and Ethnic Conflict* Milton J. Esman, Shibley Telhami, 2019-06-30 From Rwanda to Somalia to the former Yugoslavia one feature of the post Cold War world has become dreadfully clear Ethnic conflicts are escalating and with them demands for international intervention But legally most ethnic conflicts are internal matters How are international organizations their resources stretched woefully thin to know when intervention is appropriate or possible This volume addresses the changing nature of relations between war torn multiethnic states and international organizations particularly the United Nations and its agencies Are the established norms that limit intervention in ethnic conflicts adequate to contemporary conditions Can international organizations meet the increasing demand If not what are the consequences of the disparities between established norms current capabilities and

expanding expectations and how might these disparities be narrowed The contributors explore the desirability and potential effectiveness of international interventions in ethnic conflicts Detailed studies of two specific cases of severe and violent tensions in Lebanon and Yugoslavia complement the general discussion with particular insights into the risks and exigencies of international attempts to manage ethnic civil war A deeply thoughtful overview of one of the most pressing and perplexing issues confronting the world today this volume clarifies the changing role of international organizations in an increasingly fragmented world

The Israel Lobby and U.S. Foreign Policy John J. Mearsheimer, Stephen M. Walt, 2007-09-04

Originally published in 2007 *The Israel Lobby and U S Foreign Policy* by John Mearsheimer of the University of Chicago and Stephen M Walt of Harvard s John F Kennedy School of Government provoked both howls of outrage and cheers of gratitude for challenging what had been a taboo issue in America the impact of the Israel lobby on U S foreign policy A work of major importance it remains as relevant today as it was in the immediate aftermath of the Israel Lebanon war of 2006 Mearsheimer and Walt describe in clear and bold terms the remarkable level of material and diplomatic support that the United States provides to Israel and argues that this support cannot be fully explained on either strategic or moral grounds This exceptional relationship is due largely to the political influence of a loose coalition of individuals and organizations that actively work to shape U S foreign policy in a pro Israel direction They provocatively contend that the lobby has a far reaching impact on America s posture throughout the Middle East in Iraq Iran Lebanon and toward the Israeli Palestinian conflict and the policies it has encouraged are in neither America s national interest nor Israel s long term interest The lobby s influence also affects America s relationship with important allies and increases dangers that all states face from global jihadist terror The publication of *The Israel Lobby and U S Foreign Policy* led to a sea change in how the U S Israel relationship was discussed and continues to be one of the most talked about books in foreign policy

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **Dilemmas Of Security Politics Strategy And The Israeli Experience In Lebanon**

In some sort of inundated with displays and the cacophony of fast interaction, the profound energy and psychological resonance of verbal beauty usually diminish in to obscurity, eclipsed by the constant barrage of sound and distractions.
