People Who Don't Know They're Dead Gary Leon Hill, 2005-05-24 In People Who Don t Know They re Dead Gary Leon Hill tells a family story of how his Uncle Wally and Aunt Ruth Wally s sister came to counsel dead spirits who took up residence in bodies that didn t belong to them And in the telling Hill elucidates much of what we know or think we know about life death consciousness and the meaning of the universe When people die by accident in violence or maybe they re drunk stoned or angry they get freeze framed Even if they die naturally but have no clue what to expect they might not notice they re dead It's frustrating to see and not be seen It's frustrating not to know what you re supposed to do next It's especially frustrating to be in someone else's body and think it's your own That's if you re dead If you re alive and that spirit has attached itself to you well that s a whole other set of frustrations Wally Johnston a behavioral psychologist first started working with a medium in the 70s to help spirits move on

to the next stage Some years after that Ruth Johnston an academic psychiatric nurse who d become interested in new consciousness and alternative healing began working with Wally to clear spirits who weren t moving on These hitchhikers had attached themselves to the auras of living relatives or strangers in an attempt to hold on to a physical existence they no longer need Through her pendulum Ruth obtains permission from the higher self of both hitchhiker and host to work with them Then Wally speaks with them gently but firmly to make sure they know they are no longer welcome to inhabit the bodies and wreak havoc on the lives of the living Hill has woven this fascinating story with the history and theory of what happens at death with particular emphasis on the last 40 years and the work of such groundbreaking thinkers as Elmer Green Raymond Moody William James Aldous Huxley Edith Fiore Martha Rogers Mark Macy Elisabeth Kubler Ross Bruce Lipton and a host of others whose work helps inform our idea of what it is to live and to die As it turns out our best defense against hitchhikers is to live consciously And our best chance of doing that is by paying attention and staying open to possibilities A Defence of the Reformed Catholicke of M.W.
