## **Deacon Manual:**

The Deacon's Handbook Leonard Gillams, 2023-08-21 The Deacon's Handbook is more than just a resource for those serving as deacons and those who aspire to be one. The fact is that you don't have to be a deacon to apply principles that God would smile upon. The wisdom in this handbook transcends sex, age, and educational background. In other words, it may be geared for deacons, but it can benefit anyone. Leonard Gillams, a longtime ordained deacon, observes that while no one is perfect, how we behave informs ourselves, others, and God Himself on how we are measuring up to His Holy standards. He considers questions such as: How did the deacon's ministry develop? How can a deacon effectively interact with a congregation? How can a deacon build a strong spiritual foundation from which to serve the church? The author emphasizes that just as God holds deacons responsible for the churches they serve, He also expects them to take care of their families. Get guidance to succeed at church and at home with wisdom steeped in Scripture and firsthand experience. **The Deacon**

**Ministry Handbook** Alan Witham, 2023-01-31 If you ask any pastor what keeps their church moving forward, they will likely point to the serving work of the deacon. These special men are the foundation of healthy churches because of their unique servant leadership role, no matter the church size. Typically, they visit the homebound and the sick, as they care and pray for those in need. Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does, but it does not equate to understanding what a deacon is. Through this book, Alan Witham, Steve Rice, and their teammates bring clarity to the role of deacon by providing a practical guide that serves as The Deacon Ministry Handbook. The authors bring decades of local church experience, having served as deacons, pastors, and consultants. The Biblical Deacon Training Manual Larry
