Burn Bright Patricia Briggs, 2019-01-29 In the 1 New York Times bestselling Alpha and Omega series mated werewolves Charles Cornick and Anna Latham face a threat like no other one that lurks too close to home They are the wild and the broken The werewolves too damaged to live safely among their own kind For their own good they have been exiled to the outskirts of Aspen Creek Montana Close enough to the Marrok s pack to have its support far enough away to not cause any harm With their Alpha out of the country Charles and Anna are on call when an SOS comes in from the fae mate of one such wildling

Heading into the mountainous wilderness they interrupt the abduction of the wolf but can't stop blood from being shed. Now Charles and Anna must use their skills: his as enforcer, hers as peacemaker, to track down the attackers, reopening a painful chapter in the past that springs from the darkest magic of the witchborn.

Blood Bound Patricia Briggs, 2007-01-30 Kick ass werecoyote auto mechanic Mercedes Thompson Publishers Weekly has leapt to the forefront of today's urban fantasy heroes thanks to bestselling author Patricia Briggs. Now Mercy finds herself in the middle of a bloodbath with only one way out. Mercy has friends in low places and in dark ones. And now she owes one of them a favor. Since she can shapeshift at will, she agrees to act as some extra muscle when her vampire friend Stefan goes to deliver a message to another of his kind. But this new vampire is hardly ordinary and neither is the demon inside of him. When the undead and the werewolves sent to find him don't return, the local vampire queen turns to Mercy for help. A coyote is no match for a demon, but Mercy is determined to get her friends back, including the two werewolves circling around her heart.

Storm Cursed Patricia Briggs, 2020-01-28 In this powerful entry in the 1 New York Times bestselling series, Mercy Thompson must face a deadly enemy to defend all she loves. My name is Mercedes Athena Thompson Hauptman and I am a car mechanic. And a coyote shapeshifter. And the mate of the Alpha of the Columbia Basin werewolf pack. Even so, none of that would have gotten me into trouble if a few months ago I hadn't stood upon a bridge and taken responsibility for the safety of the citizens who lived in our territory. It seemed like the thing to do at the time. It should have only involved hunting down killer goblins, zombie goats, and an occasional troll. Instead, our home was viewed as neutral ground, a place where humans would feel safe to come and treat with the fae. The reality is that nothing and no one is safe. As generals and politicians face off with the Gray Lords of the fae, a storm is coming, and her name is Death. But we are pack, and we have given our word. We will die to keep it.

Hunting Ground Patricia Briggs, 2009-08-25 1 New York Times bestselling author Patricia Briggs invites readers to follow her into the seductive realm of the Alpha and Omega series. Anne Latham didn't know how complicated life could be until she became a werewolf and was mated to Charles Cornick, the son and enforcer of the leader of the North American werewolves. She didn't know how dangerous it could be. Either Anna and Charles have just been enlisted to attend a summit to present Bran's controversial proposition that the wolves should finally reveal themselves to humans. But the most feared Alpha in Europe is dead, set against the plan, and it seems like someone else might be too. When Anna is attacked by vampires using pack magic, the kind of power only werewolves should be able to draw on, Charles and Anna must combine their talents to hunt down whoever is behind it all or risk losing everything.

Soul Taken Patricia Briggs, 2023-06-27 Mercy Thompson, car mechanic and shapeshifter, must face her greatest fears in this chilling entry in the 1 New York Times bestselling series. The vampire Wulfe is missing. Since he's deadly, possibly insane, and his current idea of fun is stalking me, some may see it as no great loss. But I'm warned that his disappearance might bring down the carefully constructed alliances that keep our pack safe, my mate, and I. I must find Wulfe and hope he's still alive. As alive as a vampire can be anyway. But Wulfe isn't the only one who has

disappeared And now there are bodies too Has the Harvester returned to the Tri Cities reaping souls with his cursed sickle Or is he just a character from a B horror movie and our enemy is someone else The farther I follow Wulfe s trail the more twisted and darker the path becomes I need to figure out what s going on before the next body on the ground is mine

Wild Sign Patricia Briggs,2021-03-16 Mated werewolves Charles Cornick and Anna Latham must discover what could make an entire community disappear before it s too late in this thrilling entry in the 1 New York Times bestselling Alpha and Omega series In the wilds of the Northern California mountains all the inhabitants of a small town have gone missing It s as if the people picked up and left their possessions behind With a mystery on their hands and no jurisdiction on private property the FBI dumps the whole problem in the lap of the land owner Aspen Creek Inc aka the business organization of the Marrok s pack Somehow the pack of the Wolf Who Rules is connected to a group of vanished people Werewolves Charles Cornick and Anna Latham are tasked with investigating and soon find that a deserted town is the least of the challenges they face Death sings in the forest and when it calls Charles and Anna must answer Something has awakened in the heart of the California mountains something old and dangerous and it has met werewolves before
