Citizen Strangers Shira Robinson, 2013-10-09 A remarkable book a detailed panorama of the many ways in which the Israeli state limited the rights of its Palestinian subjects Orit Bashkin H Net Reviews Following the 1948 war and the creation of the state of Israel Palestinian Arabs comprised just fifteen percent of the population but held a much larger portion of its territory Offered immediate suffrage rights and in time citizenship status they nonetheless found their movement employment and civil rights restricted

by a draconian military government put in place to facilitate the colonization of their lands Citizen Strangers traces how Jewish leaders struggled to advance their historic settler project while forced by new international human rights norms to share political power with the very people they sought to uproot For the next two decades Palestinians held a paradoxical status in Israel as citizens of a formally liberal state and subjects of a colonial regime Neither the state campaign to reduce the size of the Palestinian population nor the formulation of citizenship as a tool of collective exclusion could resolve the government's fundamental dilemma how to bind indigenous Arab voters to the state while denying them access to its resources More confounding was the tension between the opposing aspirations of Palestinian political activists Was it the end of Jewish privilege they were after or national independence along with the rest of their compatriots in exile As Shira Robinson shows these tensions in the state's foundation between privilege and equality separatism and inclusion continue to haunt Israeli society today An extremely important highly scholarly work on the conflict between Zionism and the Palestinians G E Perry Choice **Politics of Arabic in Israel** Camelia Suleiman, 2018-02-01 Explores popular Renaissance tragedies through a chronological commentary of political social cultural and aesthetic factors **Israeli Sociology** Uri Ram, 2017-11-06 This book presents a comprehensive historical account of sociology in Israel the first history of sociology in Israel from its beginnings in late 19th century to the early 21st century It locates the ruptures and reorientations of the sociological text within its shifting historical context Israeli sociology is shown to have evolved in tandem with the development of the Israeli Jewish nation in Palestine and later of the state of Israel Offering a critical overview of the origins and the development of the discipline it argues that this can be divided into the following phases Predecessors 1882 1948 Founders 1948 1977 Disciples 1967 1977 Critics and More Critics 1977 1987 Intermediators 1977 2018 Post Modernists 1993 2018 and Post Colonialists 1993 2018 This book contributes a fascinating national case study to the history of sociology and will appeal further to students and scholars of social theory and Israel Studies *Hamas and the Media* Wael Abdelal, 2016-06-10 The Islamic resistance movement Hamas is arguably one of the most important Palestinian organizations in recent decades Since Hamas establishment it has extensively utilized media as a means of mobilization for its political and ideological agendas and its tactics have undergone a remarkable evolution from graffiti art to satellite broadcasting This book presents the first systematic and historical contextualization of the development of Hamas media strategy It determines three key phases in Hamas development and explores the complex and important relationship at work between its politics and use of media Assessing four elements of the Hamas media strategy the media message discourse the media objectives the infrastructure and the target audience this book tracks how Hamas grew its media infrastructure and looks at how the idea of resistance has permeated the media discourse Determining both tactical and strategic objectives and detailing the various layers to the target audience it offers the first in depth academic study of the Hamas media strategy This book's exploration of the key role the media plays in the Palestinian issue makes it a timely and relevant contribution to the study of

the Israeli Palestinian Conflict and a valuable resource for students scholars and policymakers working in Middle Eastern studies

Transitional Justice for Israel/Palestine Jeremie Bracka, 2022-01-01 This book applies the dynamic field of transitional justice to conflict resolution in Israel Palestine Around the globe diverse societies have pursued truth telling restorative justice and reconciliation to end conflict yet the language of transitional justice has been all but absent in Israel Palestine This volume squarely addresses how transitional justice could contribute to conflict transformation and accountability incorporating the questions of collective justice memory and human rights It covers the most important historical and legal issues facing Israel Palestine with a focus on civil societies in South Africa Northern Ireland and Latin America Ultimately the book proposes an unofficial Israeli Palestinian Truth and Empathy Commission IPTEC to address gross human rights abuses committed by both nations Transitional Justice for Israel Palestine will be of interest to researchers NGOs and policy makers working in transitional justice and societies with ongoing conflict

Constitution Writing, Religion and Democracy Asli Ümmühan Bali, Hanna Lerner, 2017-02-02 This book explores the challenge of crafting a democratic constitution under conditions of deep disagreement over a state's religious or secular identity

The Politics of Jewishness in Contemporary World Literature Isabelle Hesse, 2016-02-11 Reading a wide range of novels from post war Germany to Israeli Palestinian and postcolonial writers The Politics of Jewishness in Contemporary World Literature is a comprehensive exploration of changing cultural perceptions of Jewishness in contemporary writing Examining how representations of Jewishness in contemporary fiction have wrestled with such topics as the Holocaust Israeli Palestinian relations and Jewish diaspora experiences Isabelle Hesse demonstrates the colonial turn taken by these representations since the founding of the

Jewish state Following the dynamics of this turn the book demonstrates new ways of questioning received ideas about victimhood and power in contemporary discussions of postcolonialism and world literature A Question of Identity Dikla Rivlin Katz, Noah Hacham, Geoffrey Herman, Lilach Sagiv, 2019-06-04 Who am I and Who are we are the existential foundational questions in our lives In our modern world there is no construct more influential than identity whether as individuals or as groups The concept of group identity is the focal point of a research group named A Question of Identity at the Mandel Scholion Interdisciplinary Research Center in the Humanities at the Hebrew University of Jerusalem The papers collected in this volume represent the proceedings of a January 2017 conference organized by the research group which dealt with identity formation in six contextual settings Ethno religious identities in light of the archaeological record Second Temple period textual records on Diaspora Judaism Jews and Christians in Sasanian Persia minorities in the Persian achaemenid period Inter ethnic dialogue in pre 1948 Palestine and redefinitions of Christian Identity in the Early Modern period *Israeli Culture on the Road to the Yom Kippur War* Dalia Gavriely-Nuri, 2014-02-27 The surprise of the Yom Kippur War 1973 rivals that of the other two major strategic surprises in the twentieth century Operation Barbarossa the German surprise attack on the Soviet Union and the bombing of Pearl Harbor The major difference between these events is that Israeli intelligence had a lot more and better quality information leading up to the attack than did the Soviet Union or the United States prior to those attacks Why then was the beginning of the Yom Kippur War such a surprise While many scholars have tried to explain why Israel was caught unawares despite its sophisticated military intelligence services Dalia Gavriely Nuri looks beyond the military intelligence and political explanations to a cultural explanation Israeli Culture on the Road to the Yom Kippur War reveals that the culture that evolved in Israel between the Six Day War and the Yom Kippur War played a large role in the surprise Gavriely Nuri s analysis provides new and innovative insights into the relationship between culture and socio political phenomena and security **Theatre and the Israel-Palestine Conflict** Azza Harras, 2025-02-20 This book delves into the complex narratives surrounding the ongoing Israeli Palestinian dispute through the unique lens of theatre This ground breaking exploration employs postcolonial theory to analyze a diverse array of theatrical works by Israeli Palestinian and Western playwrights By juxtaposing portrayals of significant events such as the Nakba or the Israeli War of Independence the Intifadas and the experiences of diaspora and exile Harras provides a nuanced examination of how these events are represented on stage The book reveals the profound impact of language in constructing and contesting historical narratives and underscores theatre s role as a space for cultural critique and self reflection This comprehensive study offers new insights into the power of artistic expression to challenge historical dichotomies and encourage a deeper understanding of this enduring conflict Essential for scholars of Postcolonial Studies Middle East Studies and the Performing Arts this work invites readers to reconsider the conflict through the transformative lens of theatre *The Normalization of War in Israeli Discourse, 1967-2008* Dalia Gavriely-Nuri, 2013 The Normalization of War in Israeli Discourse 1967 2008 by Dalia Gavriely

Nuri provides intensive research on various manifestations of the Israeli war normalizing discourse a set of linguistic discursive and cultural devices aimed at blurring the anomalous character of war by transforming it into an event perceived as a normal part of life Everyday Life in the Segmented City Camilla Perrone, Gabriele Manella, Lorenzo Tripodi, 2011-11-10 The conference Everyday Life in the Segmented City held in July 2010 Florence gathered a multiplicity of approaches and points of view dealing with issues of global urbanization This title contains a selection of the papers presented at the conference **Marginal at the Center** Baruch Kimmerling, 2012 A self proclaimed guerrilla fighter for ideas Baruch Kimmerling was an outspoken critic a prolific writer and a public sociologist While he lived at the center of the Israeli society in which he was involved as both a scientist and a concerned citizen he nevertheless felt marginal because of his unconventional worldview his empathy for the oppressed and his exceptional sense of universal justice which were at odds with prevailing views In this autobiography the author who was born in Transylvania in 1939 with cerebral palsy describes how he and his family escaped the Nazis and the circumstances that brought them to Israel the development of his understanding of Israeli and Palestinian histories of the narratives each society tells itself and of the implacable situation along with predictions of some of the most disturbing developments that are taking place right now as well as solutions he hoped were still possible Kimmerling's deep concern for Israel's well being peace and success also reveals that he was in effect a devoted Zionist contrary to the claims of his detractors He dreamed of a genuinely democratic Israel a country able to embrace all of its citizens without discrimination and to adopt peace as its most important objective It is to this dream that this posthumous translation from Hebrew has been dedicated **State Expansion and Conflict** Oren Barak, 2017-09-28 Lebanon and Israel Palestine are two political entities that expanded in 1920 and 1967 respectively and became divided societies characterized by periods of stability and conflict This book provides the first detailed comparison between the two states and also explores the effects of their expansion on their changing relations It looks first at how both expanded states attempted to cope with their predicaments focusing on the relationship between state community and security before moving on to analyze the destabilizing effects of expansion on Israeli Lebanese relations The book draws on previously unpublished official documents memoirs media resources and films produced in Lebanon and Israel Palestine in addition to existing works on the two states and the Middle East Bridging the gap between comparative politics and international relations it will interest students of Lebanon and Israel Palestine the Middle East and conflict and peace **Nationalism and the Politics of Fear in Israel** Cathrine Thorleifsson, 2015-07-31 Kiryat Shmona located near the Israeli Lebanese border often makes the news whenever there is an outbreak of violence between the two countries In Israel's northernmost city the residents are mostly Mizrahim that is Jews descending from Arab and Muslim lands Cathrine Thorleifsson uses the dynamics at play along this border to develop wider conclusions about the nature of nationalism identity ethnicity and xenophobia in Israel and the ways in which these shift over time and are manipulated in different ways for various ends She explores the idea of being on

the periphery of nationhood examining the identity forming and negotiating processes of these Mizrahim who do not neatly dovetail with the predominantly Ashkenazi concept of what it means to be Israeli. Through in-depth ethnographic observation and analysis, Thorleifsson highlights the daily negotiation of Moroccan and Persian Jewish families who define themselves in opposition to Ashkenazi Jews from Russia and Central and Eastern Europe and the Druze, Christian and Muslim Arab populations which surround them. But this is not just an examination of differences and stereotypes which are continually perpetuated. Instead, Thorleifsson highlights the instances of intermarriage between Mizrahi and Ashkenazi Jews and what this means for the high politics of nationalist narratives as well as the everyday aspect of family dynamics. But having done so, she does also acknowledge that many of Israel's laws which deal with ethnic identity do result in discrimination and daily exclusion against a large number of its citizens, something which reflects the ethnocratic character of the state. By including all of these different aspects of the daily negotiation of identity in a northern town in Israel, Thorleifsson offers a frank and balanced account of the nature of state nationalism and the people who are affected by it. Covering an interesting aspect of Israeli society which is often overlooked, this account of relations between both Ashkenazi and Mizrahi Jews and those between Mizrahi Jews and Palestinians is an important contribution to the study of Israeli and Middle Eastern societies.

Israel's 70th Anniversary: Insights and Perspectives Regina Polak, 2020-09-07. The aim of the volume is to offer interdisciplinary insights unknown to many into the interior of the religious, cultural and political laboratory that is Israel. Europe can learn a lot from Israel: the handling of religious diversity within the country, the meaning of the Hebrew language, the integration of more than a million Jewish immigrants, the development of a dynamic economy, a flourishing education and science system, a rich culture in the field of literature and above all film, and last but not least the lively constant and conflictual struggle for democracy. Additionally, the question of Israel-related anti-Semitism is debated from the perspective of Jewish studies, social sciences and Catholic theology.

The European Union, Civil Society and Conflict Nathalie Tocci, 2011-03-29. Until recently, the European Union tended to view violent mass conflicts predominantly through the lens of negotiations between conflict leaders and powerful external actors. Today, the EU has begun to recognize the imperative of understanding and influencing developments on the ground in conflict situations by engaging with local civil society. The European Union, Civil Society and Conflict explores the EU's relations with civil society organizations at the local level in an effort to improve the effectiveness and relevance of its conflict and peace strategies. Looking in particular at the eastern and southern neighbourhoods, the volume analyses five case studies of EU and local civil society interaction in Georgia, Abkhazia, Nagorno-Karabakh, Moldova, Transnistria, Israel/Palestine and Morocco/Western Sahara. Through the comparative examination of these cases, this volume draws broad policy guidelines tailored to governmental and non-governmental action. Exploring the impact of the European Union in conflicts beyond its borders through its engagement with civil society, this book will be of interest to students and scholars of the EU, civil society and conflict.
