Comic Connections Sandra Eckard, 2018-12-28. *Comic Connections: Building Character and Theme* is designed to help teachers from middle school through college find exciting new strategies to help students develop their literacy skills. Some readers might want to delve into the history of a comic to better understand characters and their usefulness, while other readers might want to pick up an activity, presentation, or project that they can fold into that day's lesson. This volume in the *Comic Connections* series focuses on two literary elements: character and theme, that instructors can use to build a foundation for advanced literary studies. By connecting comics and pop culture with these elements, students and teachers can be more energized and invested in the ELA curriculum.
