[The CELTA Course Trainer's Manual](#) Peter Watkins, Scott Thornbury, Sandy Millin, 2023-02-02 This is an essential resource for CELTA candidates and trainers. The Trainee Book supports candidates with an accessible ready to use course while the Trainer's Manual provides trainers with all the material they need to deliver CELTA whether in the classroom, online or as a blended course. The second edition reflects changes to the qualification and includes new material on topics including teaching in virtual classrooms, teaching young learners and the use of L1. It includes 40 practical units organised into the five main CELTA topic areas: Learners and teachers and the teaching and learning context, Language analysis and awareness, Language skills (reading, listening, speaking and writing), Planning and resources for different teaching contexts and Developing teaching skills and professionalism. The book also features a range of supplementary materials to support trainees to get the most from their course.

**The CELTA Course** Scott Thornbury, 2013      [Assessing Language Teachers' Professional Skills and Knowledge](#) Rosemary Wilson, Monica Poulter, 2015-01-31 The growth in English language teaching worldwide and the related increase in teacher training programmes of all kinds highlight the need for greater accountability in the assessment of teachers. The need for formal summative assessment has taken on greater importance in training programmes and requires procedures which do not always sit easily with the development process while transparency of assessment procedures is also increasingly demanded by the candidates themselves. This edited volume discusses key issues in assessing language teachers.

professional skills and knowledge and provides case study illustrations of how teacher knowledge and teaching skills are assessed at pre service and in service levels within the framework of the Cambridge English Teaching Qualifications The volume provides discussion of ways in which the changing nature of English language teaching has impacted on teacher education and assessment examples of specific assessment procedures for both teaching knowledge and practical classroom skills accounts of the ways in which the Cambridge English Teaching Qualifications have been integrated into and adapted for local contexts This is the first volume of its kind wholly dedicated to language teacher assessment and as such will be of interest to language teachers and teacher educators as well as to researchers and postgraduate students **Educating**

**Second Language Teachers** Donald Freeman, 2016-09-27 Donald Freeman examines how core ideas and practices in educating second language teachers relate to and differ from teacher education in other content areas He weaves together research in general and second language teacher education with accounts of experience and practice to examine how background knowledge is defined in language teaching Throughout Freeman demonstrates how understanding the processes of teacher learning knowing thinking and reflecting are the same things done differently in second language teacher education Educating Second Language Teachers reconsiders pre and in service teacher education and proposes a detailed comprehensive design theory for teacher education A masterful account of the landscape of second language teacher education and the development of its theoretical assumptions and practices It offers a unique and original conceptualization of the field and will be an invaluable resource for teachers teacher educators and researchers Jack C Richards University of Sydney and University of Auckland Additional online resources are available at [www.oup.com/elt/teacher/eslt](http://www.oup.com/elt/teacher/eslt) Donald Freeman is Associate Professor of Education at the University of Michigan Oxford Applied Linguistics Series Advisers Anne Burns and Diane Larsen Freeman **The Routledge Handbook of English Language Teacher Education** Steve
