Jackson, 2011-06-07 This book is designed to challenge your mind set and kick down some of the sacred cows that hinder you from becoming all that God has created you to be In the Gospel of John Jesus made a profound statement Jesus stated all the works he has done his disciplines could do and even greater works because he was returning to His heavenly father John 14 12 14 Was Jesus serious when he said that or was he trying to appease his followers Some may say that he was speaking figuratively but I am of the opinion that this statement was a literal one There are numerous scriptures to back up my contention If Jesus statement is true are you experiencing the power and authority that Jesus said was available to all those who call on his name If the answer is no then why arent you It is my contention in order for us to be trusted with that kind of power and authority we must develop the same mind set that Jesus had In the book of Romans the apostle Paul under the inspiration of the Holy Spirit encouraged the believers to renew their minds Romans 12 1 3 Paul realized that in order to experience the power and authority that God has for us we need to learn to think a different way We need to learn a new paradigm Many believers are living life far below what God has intended for them Some have rationalized that this is their plight and they endure the hardships with the hope that someday they will get their reward in the sweet by and by This sounds real religious and many would applaud this mind set But is it truly scriptural If you are not experiencing the aforementioned dont you think its time to ask why If you are satisfied with your life this book is not for you In fact I admire you I wish I could be that content but I am not I want to experience all that God has for me I want to be blessed so I can be a blessing according to the promise God gave Abraham You know that all those who are of the faith of Abraham are entitled to the same blessings of Abraham Maybe that is the problem you didnt know In this book I will discuss ways you can renew our mind and challenge your current cognitive processes The subjects that I will cover are the following What does it mean to be responsible What is the difference between responsibility and accountability How responsible are you What is your purpose in life What is Gods purpose for you Are you a prisoner of your past or a pioneer of your future What kind of fence do you have around your yard boundaries What keeps dysfunction alive and well Living life from an internal locus of control Thinking outside of the box Using your hardships to your advantage Turning your dreams into reality the process for change Strategies for success

 Serious Bible readers all recognize that there are differences between accounts of the same events in Matthew Mark Luke and John and no responsible reader can simply sweep these differences under the rug But can all of the accounts still be reconciled with a belief in biblical inerrancy Responding to the questions surrounding the gospel narratives New Testament scholar Vern Poythress contributes a worthy case for inerrancy in the gospels and helps readers understand basic principles for harmonization He also tackles some of the most complicated exegetical problems showing the way forward on passages that have perplexed many such as the centurion's servant the cursing of the fig tree and more All those interested in the authority of Scripture will find in this volume great encouragement and insight as Poythress has provided an arresting case to stem the tide of skepticism **The Voice of God** Cindy Jacobs,2004-10-15 Many Christians question whether prophecy is still a valid gift in today's world In this practical biblical examination of the gift of prophecy you'll get a clear picture of what prophecy is and how it works in the lives of individuals through personal prophecy and in entire churches and groups through corporate prophecy **Congressional Record** ,1894 *Congressional Record* United States. Congress,1894 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Latin America Report** ,1981 **The Examiner** ,1855

Authority - The Centurion's Secret George Stover,2018-01-21 It is said that Without a vision the people perish It is also true that without the people the vision will perish For any leader to fulfill his/her vision or calling there must be those who act as Armor Bearers Helps Ministers Just as Aaron and Hur held up the arms of Moses so each of us needs those who will add the strength needed to accomplish our mission
