**Understanding Concepts of Business Strategy** R. Duane Ireland, Robert E. Hoskisson, Michael A. Hitt, 2006 The overall approach of Understanding Business Strategy is process oriented and applied The authors of this text are known for their attention to detail and the currency of their research Although the text maintains the same level of academic reliability

as the authors other texts the subject of strategic management will be studied at a more basic fundamental level and with a greater effort to help students integrate and synthesize knowledge from prior business courses This fundamental text overtly supports students efforts to master strategy and features will be built in to create a tone that is tutorial student friendly and with a vision of the student as a future business practitioner This text relies heavily on a model that will illustrate process and that model is reiterated graphically across chapters as well as providing an overarching framework simply including Vision Strategy and Implementation
