 Van Hugo, 2024-11-11 I want my readers and audiences to know that this book is the rest of the last two books and also more about other subjects After the publishing of the last two books it has come to my attention that my work is not done because there are more situations that are going in Haiti and the world shortly after the fourth book was published I wish some of the information were available to me few months before I publish the fourth book to include them on the fourth book That is why the fifth book takes longer to publish due to some ongoing situation that is going in the world particularly in Haiti I know the title of the book may sound strange to some of you Do not let the title of the book fools yo u because there is more going in the book than the title itself I could not find any other title to give the fifth book because of the way it was design and write on a lot of subjects Each part or chapter stands individually but connect to each other to some degree You will find out for yourself while reading the book
