Captain Conan Joseph M Bruccoli Great War:

Captain Conan Roger Vercel, 2008 This is a brutal tale of the exploits of French commandos on the Great War s Bulgarian front First published in 1934 Vercel's novel was awarded the Prix Goncourt for its unflinching assessment of the toll fierce combat had taken on the youth of France Largely autobiographical and told from the perspective of a young lieutenant the book follows the exploits of a French commando unit attacking Bulgarian outposts along the Romanian border The unit is led by Captain Conan a haberdasher s son who finds his calling as a fearless killer ready to crawl through barbed wire and slit the throats of his enemies on midnight raids Conan is loyal only to his men as all notions of patriotism are lost in place of the fraternity and brutality needed for survival and success in this close combat Following the Armistice Conan's unit is redeployed to Bucharest to maintain the peace but they do more harm than good The soldiers have become murderers thieves and rapists and Conan himself is charged with injuring his lover's husband But the victim withdraws the charges and Conan leaves Bucharest when the French are called to combat Lenin and Trotsky's guerrilla forces along the Ukrainian border Conan and his men now facing their former Russian allies have lost all ideals of honorable battle and are reduced to serving as mindless weapons to be moved about on the field Conan becomes the hero of his final fight but Vercel shows us that there is no happy homecoming for a trained killer only isolation loneliness and nostalgia for battles Conan never fully understood Morgan's introduction to this new edition maps the public reception of Vercel's novel and places the book in the larger context of World War I combat literature Retreat, a Story of 1918 Charles Richard Benstead, 2008 Retreat is based on the authors combat experiences as a British Fifth Army artillery officer during the massive German advance in March 1918 The book centers on the British retreat as experienced by an egotistical chaplain ill suited to combat The soldiers have little interest in religion and the pacifist priest is useless in their environment Juxtaposed against the chaplain is a battle fatigued officer who maintains his courage in the face of insurmountable odds through an empowering sense of national duty In this theater of battle the author describes the cruel injustices of the war as he knew it and the inadequacies of religion to address the harsh circumstances on the front This Man's Army John Allan Wyeth, 2008 This is an autobiographical account of Wyeth's service in France and Belgium from 1917 1919 detailing his duties as interpreter messenger and occasionally sentry while traveling town by town toward the German Hindenburg line Civilization. 1914-1917 Georges Duhamel, 2009 This title includes a French field surgeon s autobiographical tales of the Western Front Civilization 1914 1917 is a largely autobiographical narrative of the Great War written by a remarkable observer a French physician poet and novelist who treated the wounded and performed some two thousand operations in mobile hospital units during the war First published in 1918 and translated into English the following year the book was awarded the Prix Goncourt and a special award of the Academie Française Out of print for ninety years Georges Duhamel's account is available once more in this Joseph M Bruccoli Great War Series edition featuring a new introduction by Catharine Savage

Brosman which offers a biographical sketch of Duhamel and places his work within the context of French narratives of World War I Duhamel s book comprises sixteen vignettes in which character rather than plot remains the constant focus Each tale is presented in the first person but with varying narrators. The settings are often field medical units just miles away from the bombardments Here the stench of blood plight of the wounded and efforts of well intentioned doctors bring to the fore the realities of war as Duhamel knew them to be Pathos anger and frustration are more plentiful than any sense of glory duty or honor in these circumstances In lieu of the political and nationalistic considerations of war that dominate the writings of some of his contemporaries Duhamel's narratives offer instead the historical and literary merits of his keen attention to details particularly concerning combat medicine and his rich development of the varied tones characters and locations of his sketches Throughout the book Duhamel pits those characters and efforts meant to preserve and mend humanity against an overarching machine age and its armored acolytes intent on human destruction The resulting collection works to bear authoritative witness to the war on the Western Front and to extract from the author's experiences some measure of poetic truth about the nature of civilization in our modern age Flesh in Armour Leonard Mann, 2008 Drawn in part from the authors combat experience in France during WW I the novel is an exploration of the lives of soldiers in the Australian Imperial Force from the Ypres campaign in 1917 until just before the Armistice The plot follows three soldiers in the same battalionCharl Bentley a naive and handsome raw recruit eager for combat Frank Jeffreys a schoolteacher whose intellect and anxiety have led to disillusionment and Jim Blount a resourceful and courageous warrior hero who remains undaunted by battle despite being wounded The novel bears an unmistakable Australian point of view particularly in its wry sense of humor in spite of the dark subject matter and in its vehement disdain for British commanders who viewed the AIF volunteers as disposable **The British National Bibliography** Arthur James Wells, 2009 A History of the Great War Arthur Conan Doyle, 1916 The Great Boer War Sir Arthur Conan Doyle, 2020-12-25 The Great Boer War Sir Arthur Conan Doyle

The Great Boer War Sir Arthur Conan Doyle,2007-09 Sir Arthur Ignatius Conan Doyle DL 1859 1930 was a Scottish author He is most noted for his stories about the detective Sherlock Holmes which are generally considered a major innovation in the field of crime fiction and for the adventures of Professor Challenger He was a prolific writer whose other works include science fiction stories historical novels plays and romances poetry and non fiction His first significant work was A Study in Scarlet which appeared in Beeton's Christmas Annual for 1887 and featured the first appearance of Sherlock Holmes who was partially modelled after his former university professor Joseph Bell Other works include The Firm of Girdlestone 1890 The Captain of the Polestar 1890 The Doings of Raffles Haw 1892 Beyond the City 1892 The Adventures of Sherlock Holmes 1892 The Exploits of Brigadier Gerard 1896 The Great Boer War 1900 The Green Flag 1900 The Hound of the Baskervilles 1902 and The Lost World 1912
