REVIEWS It takes rare talent for a man to write a novel from a male POV and have it published to great critical and commercial acclaim But it takes a miracle for that same male or in this case males to write a novel from the POV of a teenage girl and have it turn out as incredibly as did the new StoneHouse YA by Aaron Patterson and Chris White AIREL From the first sentence I felt compelled to dive into this young woman s story and just as importantly I felt like I personally knew her which means I laughed stressed and cried right along with her A beautifully written and crafted fiction about teenage innocence faith loss and love A must read for teens and adults alike Vincent Zandri International Bestselling Author of The Remains The Innocent and Concrete Pearl I am happy to say that this novel is one of my favorites of its kind I never thought I could read a novel like this and be so swept away I am always willing to try new books but I usually steer clear of this kind of novel Not anymore Not when I can be so engrossed into the character s story like I was with the beautiful AIREL that before I know it s over I kept turning the pages wanting to no NEEDING to know what was going to happen next Molly Edwards Willow Spring NC
