book for some time Initially it was more talk than action plus I thought would ever become reality But as the years went by and I started accumulating a small collection of poems I deemed worthy enough to share with others outside my inner circle the thought began to seem more realistic So I initially started drafting the book back in 2005 with the help of my Aunt Vanessa I was still re writing many of the poems since initially they were written in Ebionics style you know da for the cause instead of because So there was some initial editing that was taking place Then of course lifes trials and tribulation decided to intervene and press the pause button Distractions came from every direction and I just could not devote quality time to the book Meanwhile my Aunt was working hard on the book cover and formatting the 1st draft of the poems I sent her Things started to pick back up around the time I got married Whether it was divine inspiration or my wifes intervention but either way I started working on the book again This was late 2007 and things were looking good for a summer of 2008 release Then once again a setback occurred I found out my aunt had been battling cancer Believe me when I tell you the poem book was the last thing on my mind Its funny how mortality can restructure and reprioritize your entire program and what you deem important After a year and a half of battling cancer my Aunt passed away on November 5th 2009 five days before the birth of my daughter Talk about a trying time I attended the funeral 2 days after my daughters birth with my wife and child still in the hospital A myriad of emotions dancing around in my head but as fate would have it poetry brought stability back to my spirit I wrote several poems over the next couple of weeks that eased my spirit So fast forward to the spring of 2010 and my beautiful wife finally said enough procrastination this book is getting published and you have 3 months to make it happen She found an online publishing company and made the initial contact So it seems that it was destiny that I met her married her and she forced me to get moving on this book     *Stolen Excerpts* JMR,JustMakingRhymes,Jamiar,2022-08-02 This is the second installment of the Stolen Excerpt series This book centers around relationships built on love longing and lust I hope you enjoy this book This is the time when Destiny collides with Reality and you get exposed to my mental landscape I hope you will take a walk with me and ENJOY     *The Sugarhouse: A Novella (plus four novel excerpts)* Donald O'Donovan,2010-08-13 A charming and sentimental trip back to a world of homespun characters fertile fishing ponds innocent love and at the center of it all Cooperstown New York s much loved house of ill repute the Sugarhouse Excerpts from four novels by Donald O Donovan accompany THE SUGARHOUSE including ORGASMO NIGHT TRAIN CONFESSIONS OF A BEDBUG HAULER and TARANTULA WOMAN     *Their Baby Surprise* Katrina Cudmore,2017-07-01 A baby to bind them Construction lawyer Charlotte Aldridge always keeps love at arm s length so one night of passion with handsome billionaire CEO Lucien Duval is more than enough Until it changes her life forever Lucien doesn t make a habit of seducing his employees but something about guarded Charlotte captures his attention and refuses to let go And when she tells him she s pregnant he s adamant that his child will have the one thing he never did the love of two committed parents     *The Ante-Nicene Fathers: The twelve patriarchs, excerpts and epistles, the Clementina, Apocrypha, decretals, memoirs of Edessa*
