

The background of the entire image is a dark, blue-toned night photograph of a city skyline, with a bridge visible in the lower half. A single, gnarled branch with sharp, dark thorns extends diagonally from the bottom left towards the top right. The branch is positioned so that its tip and a section further back form the outline of a heart. The heart shape is filled with a soft, glowing light, making it stand out against the dark sky and city lights.
