Drake,2015-07-12 Excerpt from Camp Jackson Its History and Significance Oration Great events make anniversaries and all civilized peoples observe and commemorate them To St Louis now in the hundredth year of its existence no day has become more memorable than the tenth day of May eighteen hundred and sixty one when was witnessed by her citizens on this spot within her own corporate limits the first collision between our noble Union and those recreant State authorities which desired and intended to wrest Missouri by violence from the Union s embrace This generation in St Louis will not forget that day The Secessionists of St Louis will remember it as a day that suddenly nipped the treason of their leaders in the bud and her patriots will cherish it as the day that rescued them and Missouri from the grasp of traitors which once fixed upon her might not to this hour have been thrown off History too will assign that day a position of prime importance in the course of events succeeding the fall of Sumter for had the designs which caused the assemblage of citizen soldiery at Camp Jackson been accomplished who can

estimate the extent of the injury to the Union cause in Missouri and throughout this great Central Valley God only knows whether the whole course of the dread conflict which has now been waged for more than two years might not have been changed disastrously to our country Let us then render devout thanks to Him for the day itself and for the privilege of meeting here in peace to commemorate it You will not my friends fail to remember the wild excitement in our city and State which followed the capture of Camp Jackson and the use which was only too successfully made of that event to inflame disloyalty and rebellion through all the borders of Missouri To have attended to what was then said and written in denunciation of the capture one would have thought that such an outrage as the world had not before known had been perpetrated upon an innocent body of citizen soldiers lawfully convened for a laudable purpose and that those who composed the capturing force were demons in human shape worthy only of execration in time and of damnation in eternity to the latter of which Missouri traitors would gladly and quickly have consigned them if they could As to the character of the soldiery mustered at Camp Jackson it is not just or true to class them all as traitors or secessionists or sympathizers with secession While it is impossible to say at this time even if it could ever have been said who of the officers and men composing the encampment were loyal to the flag which floated over them and who were not it is I doubt not strictly true that many were there who were loyal who were unaware of the infamous designs of those who ordered their assembling and who would have been deeply shocked had they been led forth to do the work which the State authorities purposed should be done Of them as they were prior to and upon the day of the capture of Camp Jackson not as many of them afterwards became I would use no other words than those of pity for the unfortunate association which made them the victims of cunning and unscrupulous traitors But of those there who knew the design of the encampment and lent themselves to the first organized attempt to array Missouri against the glorious flag under which they were born and by the projection of which they had lived and prospered it is enough to say that more devilish traitors ever lived and that such of them as have not already fallen in the rebel ranks by Union ball or bayonet should be thankful to their dying hour that the surrender of Camp Jackson saved them then from the traitor s ignominious fate if indeed their being saved should be argued of thankfulness in them or anybody else on earth Applause It is important my friends to put on record so far as an address like this can accomplish it t **Camp**

Jackson, Its History & Significance; Oration Delivered ... May 11, 1863, on the Anniversary of the Capture of Camp Jackson ... Charles Daniel Drake, 1863 **Massacre at St. Louis** Kenneth E. Burchett, 2024-08-02 In 1861 Union Brigadier General Nathaniel Lyon marched through the divided slave state Missouri en route to St Louis Lyon was to arrest a state militia unit at Camp Jackson that planned to raid a federal arsenal in the city Upon capturing the men Lyon s troops encountered crowds of hostile citizens and after a gun shot they fired on the mob killing at least 28 civilians in what is now known as the Camp Jackson affair or the St Louis massacre In this book the author describes partisan activities leading to hostilities promotes awareness about the history of slavery in America and explores political divisions still evident in

American culture Previously unpublished materials about Governor Claiborne Jackson are included as well as the role of Montgomery Blair in the fight for Missouri an analysis of the number of arms in the St Louis Arsenal and the unknown total number of casualties of the St Louis massacre [Missouri Historical Review](#) Francis Asbury Sampson,1908 **Union and Anti-slavery Speeches** Charles Daniel Drake,1864 Contains his Reply to the Missouri republican **Commonwealth of Compromise** Amy Laurel Fluker,2020-06-05 In this important new contribution to the historical literature Amy Fluker offers a history of Civil War commemoration in Missouri shifting focus away from the guerrilla war and devoting equal attention to Union African American and Confederate commemoration She provides the most complete look yet at the construction of Civil War memory in Missouri illuminating the particular challenges that shaped Civil War commemoration As a slaveholding Union state on the Western frontier Missouri found itself at odds with the popular narratives of Civil War memory developing in the North and the South At the same time the state s deeply divided population clashed with one another as they tried to find meaning in their complicated and divisive history As Missouri s Civil War generation constructed and competed to control Civil War memory they undertook a series of collaborative efforts that paved the way for reconciliation to a degree unmatched by other states Acts of Civil War commemoration have long been controversial and were never undertaken for objective purposes but instead served to transmit particular values to future generations Understanding this process lends informative context to contemporary debates about Civil War memory **Bibliography of Slavery and Civil War in Missouri** Francis Asbury Sampson,William Clark Breckenridge,1908 *Camp Jackson, Its History and Significance* Charles Daniel Drake,1863 *War Department, Office of the Chief of Staff, War College Division, General Staff*,1913 *Bibliography of State Participation in the Civil War 1861-1866 ...* United States. Nathaniel Lyon's River Campaign of 1861 Kenneth E. Burchett,2025-04-24 On May 10 1861 Captain Nathaniel Lyon marched out of the federal arsenal at St Louis at the head of 7 000 Union Regulars and pro Union volunteers to break up a Missouri State Militia encampment at Camp Jackson Hostilities erupted and several civilians and soldiers died when opposing forces opened fire on each other The unfolding of events afterward drove previously undecided Missourians to join either the Union or Confederate side Receiving near dictatorial authority from the state legislature Governor Claiborne Fox Jackson raised a Missouri State Guard force to protect the State from invaders The War began in Missouri at the taking of Camp Jackson and this book presents the history and context of this pivotal Civil War event Contemporary illustrations provide detail to this complicated narrative and care is taken to present these events in the context of the vibrant character and lifestyles of the people who participated [Camp Jackson, Its History and Significance](#) Charles Daniel Drake,1863
