Canadian Army Journal:

Canadian Army Journal ,1961 *Canadian Army Journal* ,1951 **W.I.F.E Canadian Army** Operation Operation Notebook,2017-05-03 Beautiful and functional this notebook is the perfect size for your desk at home on the go in your bag or at work 150 crisp lined pages and a gorgeous matte card stock cover DETAILS 150 Lined Sheets Crisp White Pages with a Thick Cardstock Cover Dimensions 6 x 9 *Canada's Mechanized Infantry* Peter Kasurak,2020-02-01 Canada s Mechanized Infantry explores the largely ignored development of the infantry in the Canadian Army after the First World War Although many modern studies of technology and war focus on tanks and armour soldiers from the Second World War onward have discovered that success really depends on a combination of infantry armour and artillery to form combat teams Peter Kasurak demonstrates how the army implemented successful infantry vehicles and doctrine to ultimately further its military goals during the Second World War In the postwar period however progress was slowed by a top down culture and an unwillingness to abandon conventional thinking on the primacy of foot infantry and regimental organization This insightful book is the first to examine the challenges that have confronted the Canadian Army in transforming its infantry from First World War foot soldiers into a twenty first century combat force integrating soldiers vehicles weapons and electronics

Varsity's Soldiers Eric McGeer,2019-09-04 The role of Canadian universities in selecting and training officers for the armed forces is an important yet overlooked chapter in the history of higher education in Canada For more than fifty years the University of Toronto supported the largest and most active contingent of the Canadian Officers Training Corps COTC which sent thousands of officer candidates into the regular and reserve forces Based on the rich fund of documents housed in the university archives Varsity s Soldiers offers the first full length history of military training in Toronto Beginning with the formation of a student rifle company in 1861 and focusing on the story of the COTC from 1914 to 1968 author Eric McGeer seeks to enlarge appreciation of the university s remarkable contribution to the defence of Canada the place of military education in an academic setting and the experience of the students who embodied the ideal of service to alma mater and to country **Department of the Army Pamphlet** ,1972 *The Royal Engineers Journal* ,1926 **Monty and the**

Canadian Army John A. English,2021-10-08 General Bernard Law Montgomery affectionately known as Monty exerted an influence on the Canadian Army more lasting than that of any other Second World War commander In 1942 he assumed responsibility for the exercise and training of Canadian formations in England and by the end of the war Canada s field army was second to none in the practical exercise of combined arms In *Monty and the Canadian Army* John A English analyses the way Montgomery s operational influence continued to permeate the Canadian Army For years the Canadian Army remained a highly professional force largely because it was commanded at almost every lower level by Monty men steeped in the Montgomery method The era of the Canadian Army headed by such men ceased with the integration and unification of Canada s armed forces in 1964 The embrace of Montgomery by Canadian soldiers stands in marked contrast to largely

negative perceptions held by Americans Monty and the Canadian Army aims to correct such perceptions which are mostly superficial and more often than not wrong and addresses the anomaly of how this gifted general one of the greatest field commanders of the Second World War managed to win over other North American troops **Canada and the Korean War** Andrew Burtch, Tim Cook, 2024-05-01 Korea was the first hot war of the Cold War It was also Canada's most significant military engagement of the twentieth century following the two world wars Canada and the Korean War gathers leading scholars to explore the key themes and battles of a seminal yet understudied conflict Canada had little stake and less interest in Korea before 1950 but the risk the conflict posed to the fragile postwar order was deemed too great for the country to stand on the sidelines Alongside their allies more than 30 000 Canadian service personnel fought a determined and skilled enemy The armistice that ended the war left Korea devastated and divided and it remains a dangerous hotspot today This timely collection synthesizes Canadian and international perspectives on a conflict that shaped not only the Canadian armed forces but also the evolving Canada Korea relationship In the process Canada and the Korean War sheds light on how the war has been framed and reframed in public memory **In Peace Prepared** Andrew B. Godefroy, 2014-10-15 The Allies claimed victory at the end of the Second World War but the United States invention of the atomic bomb and its replication by the Soviet Union posed new dangers for all nations In Peace Prepared examines what Canada's Cold War Army did to prepare for war and why and how it did it Although a Third World War never happened army officers supported by a large civilian defence workforce of scientists engineers and designers responded aggressively to the challenges presented by the possibility of nuclear attack Through innovation and adaptation they developed a collaborative and systematic approach to problem solving that not only played a significant role in the evolution of Canada's national force but also shaped how armies in the Western Alliance related to one another during the Cold War and beyond **The Canadian Historical Review**, 1920 Includes section Recent publications relating to Canada **British Military Operations in Egypt and the Sudan** Harold E. Raugh Jr., 2008-05-02 The British Army's campaigns in Egypt and the Sudan from 1882 to 1899 were among the most dramatic and hard fought in British military history In 1882 the British sent an expeditionary force to Egypt to quell the Arabic Revolt and secure British control of the Suez Canal its lifeline to India The enigmatic British Major General Charles G Gordon was sent to the Sudan in 1884 to study the possibility of evacuating Egyptian garrisons threatened by Muslim fanatics the dervishes in the Sudan While the dervishes defeated the British forces on a number of occasions the British eventually learned to combat the insurrection and ultimately largely through superior technology and firepower vanquished the insurgents in 1898 British Operations in Egypt and the Sudan A Selected Bibliography enumerates and generally describes and annotates hundreds of contemporary current and hard to find books journal articles government documents and personal papers on all aspects of British military operations in Egypt and the Sudan from 1882 to 1899 Arranged chronologically and topically chapters cover the various campaigns focusing on specific battles leading military personalities

and the contributions of imperial nations as well as supporting services of the British Army This definitive volume is an indispensable reference for researching imperialism colonial history and British military operations leadership and tactics

No Holding Back Brian A. Reid,2009-06-15 Landmark study of the Canadians first major operation in Normandy New revelations on the death of German panzer ace Michael Wittmann Handsomely illustrated with maps photos and diagrams On August 8 1944 the Canadian Army launched Operation Totalize a massive armored and mechanized infantry attack that aimed to break through enemy defenses south of Caen and trap the German Army in Normandy by linking up with Patton s Third Army **Air University Periodical Index** ,1961 **Academic Writing for Military Personnel, revised edition**

Adam Chapnick,Craig Stone,2023-05-16 Academic Writing for Military Personnel is a manual for writing clear and effective academic prose Authored by an experienced writing instructor and a retired military officer both of whom teach in a professional military education institution it is designed for members of the armed forces who are entering or perhaps re entering the academic community and having spent much of their careers either writing in the professional military context or not writing at all The book not only teaches officers how to write convincingly but also explains why a sound grasp of academic writing can enhance their effectiveness in their regular duties particularly as they reach the more senior levels of service Chapters focus on the value of written communication skills the difference between professional staff and academic writing the research process the writing process academic professionalism and common writing problems and challenges A particularly innovative final chapter discusses how officers can use the knowledge that they have acquired through their professional experiences in the academic context Specific examples chosen with a military audience in mind are integrated throughout the text to provide the reader with relevant and practical guidance The revised edition incorporates new examples from a more diverse set of authors takes into account recent changes in communication technologies and reflects new advancements in the scholarship of teaching and learning As the only comprehensive guide to effective academic writing designed specifically for military personnel this book will be a crucial addition to the libraries of junior and senior officers in militaries worldwide Available formats trade paperback accessible PDF and accessible ePub [Air University Library Index](#)

[to Military Periodicals](#) ,1999 [A Space Bibliography: Through 1958](#) Air University (U.S.). Aerospace Studies Institute.

Documentary Research Division,Raymond Estep,1959 Contents Astronomy Bibliography Biography and autobiography Commands installations and organizations Electronics communications control and guidance History Manufacturing materials and methods Missiles rockets and rocket powered aircraft Orbits and trajectories Propulsion engines and propellants Research and testing Satellite vehicles Space flight Space law Space medicine [Military Doctrine](#) Bert Chapman,2009-09-03 This comprehensive volume provides a thorough overview of 20th and 21st century military doctrines worldwide Military Doctrine A Reference Handbook takes a thorough look at 20th and 21st century military doctrines around the world It excerpts relevant English language scholarly and governmental literature to paint a picture of how military

doctrine has developed in recent history what military doctrines are currently operating on the world stage and where military doctrine is heading in the near future The book casts a wide net scanning the relevant government documents international agreements monographs journals conference papers and Internet resources to present a thorough overview of the importance of military doctrine in today's highly unstable world Because military institutions are important formulators of national military doctrine and not merely implementers this book examines the roles played by military organizations around the world With the proliferation of independent military scholars and the widespread influence of their work in the Internet age the book also scans the gray literature and describes its effects on military doctrine **Canadian Foreign**

Policy in Africa Edward Ansah Akuffo, 2016-04-15 After over fifty years of Canadian engagement with Africa no comprehensive literature exists on Canada's security policy in Africa and relations towards Africa's regional organizations The literature on Canada's foreign policy in Africa to date has largely focused on development assistance For the first time Edward Akuffo combines historical and contemporary material on Canada's development and security policy while analyzing the linkage between these sets of foreign policy practices on the African continent The book makes an important contribution to the debate on Canada's foreign policy generally and on Africa's approach to peace security and development while shedding light on a new theoretical lens non imperial internationalism to understand Canada's foreign policy The author captures an emerging trend of cooperation on peace security and development between the Canadian government and African regional organizations in the twenty first century The resulting book is a valuable addition to the literature on African politics new regionalisms foreign policy global governance and international development studies **The Routledge**

Research Companion to Security Outsourcing Joakim Berndtsson, Christopher Kinsey, 2016-06-10 Conveniently structured into five sections The Routledge Research Companion to Outsourcing Security offers an overview of the different ways in which states have come to rely on private contractors to support interventions Part One puts into context the evolution of outsourcing in Western states that are actively involved in expeditionary operations as well as the rise of the commercial security sector in Afghanistan To explain the various theoretical frameworks that students can use to study security military outsourcing Part Two outlines the theories behind security outsourcing Part Three examines the law and ethics surrounding the outsourcing of security by focusing on how states might monitor contractor behaviour hold them to account and prosecute them where their behaviour warrants such action The drivers politics and consequences of outsourcing foreign policy are covered in Part Four which is divided into two sections section one is concerned with armed contractors providing the provision of private security with the main driver being a capability gap on the part of the military law enforcement agencies and section two looks at military contractors supporting military operations right back to antiquity less controversial politically and often technologically driven The final Part takes into consideration emerging perspectives exploring areas such as gender feminist methodology maritime security and the impact of private security on the military

profession This book will be of much interest to students of military and security studies foreign policy and International Relations
