Riot Most Uncouth Daniel Friedman, 2015-12-01 1807 Cambridge England A young woman is murdered in a boarding house and nobody knows what to do about it The volunteer watchman who patrols the streets of this placid college town has no idea how to investigate a serious crime and the private bounty hunters the girl's family has hired to catch the killer employ methods that are questionable at best What Cambridge needs is a hero and in a situation such as this it's very easy for a gentleman with a romantic disposition to mistake himself for one 19 year old Lord Byron the outlaw poet is a student at Trinity College though he can only be described as a student in the loosest sense of the word He rarely attends class and instead spends his time day drinking making love to faculty wives and feeding fine cuisine and expensive wine to the bear he keeps as a pet Catching a killer seems like a fine diversion however and Byron decides that solving the crime must take precedence over other less urgent matters such as his failing grades and mounting debts Written by the Edgar Award nominated author of Don't Ever Get Old which Publishers Weekly called wickedly funny and inspired by Byron's moody sexy and often hilarious poems and letters this dark twisty mystery will keep you guessing until its violent conclusion **The Byron Mystery** Sir John Charles Fox, 1972 The Byron Mystery John C.
