My People, the Amish (Review Copy) Joe Keim,2017-02-10 I woke up with a start that Sunday morning Church services would soon begin across the field from our house the same place where Esther and I had exchanged our wedding vows nine months earlier As we lay in bed we talked about our decision and made last minute plans Joe you are gonna have to let my parents know that we are not attending church today she urged Hesitantly I got up and walked over to my in laws part of the house and informed them we would not be at the service that morning My father in law looked at me and said I ll stay home too That s not going to work I thought People were coming at 9 00 to help us move Okay I ll go to church I said With that my father in law agreed to go also It was like Esther s parents knew something was up I put on church clothes and took off walking across the field where others gathered Esther stayed home to direct our friends in the move When I walked into the barn where the men were my father in law recognized me and nodded his head as if to say he was happy with my decision By 8 40 all the preachers started toward the house Because Esther s dad was a preacher he was in the first group to leave I watched At the moment I saw him enter the house I turned and fled without saying a word to anyone I ran out the back door across the field and into the house where friends were carrying our belongings to the truck They flung pillows and bedding out the upstairs windows to the ground below Others rushed around gathered our goods and loaded the truck It only took fifteen minutes to load all of our possessions Before we left I wrote a note to my father in law and my parents to explain why we were leaving the Amish I shook uncontrollably and cried bitterly When I finished I looked at the note It didn t make sense so I tore it up I wrote a second note and then a third I threw all of them away With a gripping sorrow in my heart I knew that anything I wrote wouldn t make sense to those we were leaving behind I knew the immense hurt and pain I would bring my dad and mom again And I knew that this would be the last time I would leave the Amish and I would never return
