Friesen, E. James Wilder, Anne M. Bierling, Rick Koepcke, Maribeth Poole, 2013 *Jesus by Heart* Roy T. Edgemon, Barry Sneed, 1999 In the World but Not of It Gina Lake, 2016-04-10 From the Introduction by Jesus What I have come to teach now is that you can embody love as I did You can become Christ within this human life and learn to embody all that is good within you I came to show you the beauty of your own soul and what is possible as a human I came to show you that it is possible to be both human and divine to be love incarnate You are equally both You walk with one foot in the world of form and another in the Formless This mysterious duality within your being is what this book is about The consciousness that is within me is also within you You are the son as equally as I am You are the I am I spoke about You and I are one You and everyone else are one Many are ready for the Christ within to come forward and manifest in the world more fully The birthing of this Christ of Christ Consciousness is the true second coming Christ Consciousness as I am using it points to the divinity within everyone and the potential for that divinity to become a living reality to become what lives you I was an example of that possibility in my lifetime two thousand years ago This book was given to Gina Lake by Jesus It is part of a series of books including A Heroic Life and The Jesus Trilogy You will learn How to embody the divine self in the world How to tell when you are identified with the ego How to spot the ego in your thoughts and conversations What kind of

thoughts are in the thought stream How to disidentify from the ego How to be in your body and senses How to move into Presence and stay there How to be present while speaking and acting in the world Spiritual practices that support Presence What embodiment enlightenment self realization and awakening are Pitfalls on the spiritual path How to be with emotions How to be with and heal energetic blocks in the body How to overcome bad habits and addictions [Into the Light of Jesus](#) Amelinda Casias,2016-11-14 Into the Light of Jesus is a book of inspired letters of encouragement from the heart to Jesus The letters are comprised of entries from the authors personal journals They tell of His love healing strength peace forgiveness and acceptance **Digital Christianity** David Foster,2021-05-13 How do Christians develop and maintain a close relationship with God in amongst everything else we have going on in our lives With so many things crying out for our attention every day how do we connect with God and ensure that as Christians He comes first in our lives Jesus lived in the first century with no electricity no smart phones no internet no television no streaming services no dating apps no exams no college or university no pensions investments or even bank accounts He was not married nor did He have any children He had no mortgage or debt or credit cards so how can what He taught His followers 2000 years ago in a very different society still apply to us today in a society that moves so fast it s hard to keep up sometimes That s what this book is about I want to show you how what Jesus taught and also what He practiced is the perfect advice and ways for us to live today What worked for His followers back then will work just as well for us today if we apply what Jesus taught and practice it in our lives We all have struggles and problems and worries and fears and issues and drama happening in our lives We have so much going on around us that we forget to take care of what is going on inside of us My prayer and hope is that this book will help you in your walk with Jesus and relationship with the Lord in the middle of all the craziness that bombards each and every one of us every day Can we unplug our devices and screens and plug into the Lord Can we shift our focus from a 3 inch screen to the Creator of it all Can we practice what Jesus did and ensure that we are as connected to God as we are to social media My prayer is that after reading this book you will find new ways of navigating your way through this hyper paced world we live in and connect with Jesus in such a way that no matter how difficult or pressured life gets you will always have Him by your side **Living Jesus** Luke Timothy Johnson,1999 **Jesus Speaking** Gina Lake,2017-05-05 Jesus still exists and is and has always been available to those who are devoted to him This book is Jesus speaking from another dimension today His message as channeled through Gina Lake is meant to bring you into greater alignment with the Christ within you with Christ Consciousness It is also intended to give you the experience of having a relationship with the wise and gentle being we ve known as Jesus the Christ as he speaks to you as if you were sitting in his presence In it you will discover how to become the loving strong and peaceful being you are meant to be which Jesus exemplified By doing a few simple things and shifting your perspective in small ways which are explained in each of the chapters you can become a lover of life Note from the author This book given to me by Jesus is intended to serve a slightly different purpose than the other books I ve been given from

Jesus Unlike those books this one was created by speaking into a recorder and then transcribing those words Consequently it reads a little differently than the books that were intended as written works The audio version of this book of me channeling these words is also available The print book has been edited for clarity but the tone of the audiobook has been retained From the Introduction I am the one you have known as Jesus the Christ I am speaking to you now through this channel to help you to know of my presence and to feel my presence in your life more fully I want you to know that I exist here in another dimension that I am eternally present and continue to be the servant for all that is good and that you like me are also eternal and will continue to exist once you leave this temporary body You are so much more than you realize I was but an example of what you are capable of as a human being But in essence you like me are much more than a human being You are an eternal being My intention in speaking to you through this book is to help you realize your true nature and to live as the best human being you can be The challenges are great in the human body but you can overcome them and become the loving and strong being you are meant to be By making a practice of doing just a few things you can become more aligned with your own divinity with the goodness within you In this book I have laid out some of those things These simple practices and understandings will help you be happy more loving and more at peace These are the signs that you have arrived Home You are meant to be happy loving and at peace Allow me to be your guide Home It is my deepest honor to serve you in this way for in doing so I am serving the Whole and giving glory to the Father who has created all of life Gina s communion with Jesus has brought forth another jewel of truth This time rather than just reading Jesus s words you are invited to experience them and Him directly Through Gina s voice Jesus answers so many questions that have rumbled around the hearts and minds of all of us Jesus is honest direct and sometimes blunt Truth often is Jesus speaks not only of truth in the highest expressions of the spiritual but also in ways that are simple practical and useful in our daily lives If you choose to buy this audiobook Falling in Love with Life you will be gifting yourself a direct pathway out of confusion frustration and aloneness into an eternal Union that is an ongoing celebration of the Mystery of Life itself John Mark Stroud Founder of One Who Wakes
