# Economic Foundations Of International Law

**Andrea Bianchi**

## **Economic Foundations Of International Law:**

Economic Foundations of International Law Eric Posner, Alan O. Sykes, 2013-01-01 Exchange of goods and ideas among nations cross border pollution global warming and international crime pose formidable questions for international law Two respected scholars provide an intellectual framework for assessing these problems from a rational choice perspective and describe conditions under which international law succeeds or fails

**Economic Foundations of International Law** Eric A. Posner, Alan O. Sykes, 2013-01-01 Exchange of goods and ideas among nations cross border pollution global warming and international crime pose formidable questions for international law Two respected scholars provide an intellectual framework for assessing these problems from a rational choice perspective and describe conditions under which international law succeeds or fails

**Book Review** Shen Wei, 2013 There are various ways of understanding interpreting and theorising international law For instance Kelsen founded a method of jurisprudence that was critical of ideology the so-called pure theory of law This is a method allowing jurists to engage with law as a subject of study in a non political and purely scientific manner As a result international law could be regarded as a single and self entailing system Lasswell and McDougal developed a sociological approach to integrate the conceptualising of international society and law into the conceptualising of social process in general Allott tried a pure jurisprudential and philosophical way of remoulding international law in a new global order This article reviews Posner and Sykes new book *Economic Foundations of International Law* and tries to understand whether a law and economics approach makes sense in understanding international law

**Foundations of International Economic Law** David Collins, 2019-12-27 This introductory textbook explores the key legal principles and institutions that underpin the global economy Featuring discussion of the economic rationale and social impact of the various legal regimes Professor David Collins explores the four main pillars in international economic law international trade international investment monetary relations and development

**International Law Theories** Andrea Bianchi, 2016-11-04 Two fish are swimming in a pond Do you know what the fish asks his friend No tell me I was talking to a frog the other day And he told me that we are surrounded by water His friend looks at him with great scepticism Water Whats that Show me some water International lawyers often find themselves focused on the practice of the law rather than the underlying theories This book is an attempt to stir up the water that international lawyers swim in It analyses a range of theoretical approaches to international law and invites readers to engage with different ways of legal thinking in order to familiarize themselves with the water all around us of which we hardly have any perception The main aim of this book is to provide interested scholars practitioners and students of international law and other disciplines with an introduction to various international legal theories their genealogies and possible critiques By providing an analytical approach to international legal theory the book encourages readers to enhance their sensitivity to these different approaches and to consider how the presuppositions behind each theory affect analysis research and practice in international law *International Law Theories* is

intended to assist students scholars and practitioners in reflecting more generally about how knowledge is formed in the field

**A Landscape of Contemporary Theories of International Law** Emmanuel Roucounas, 2019-09-16 This rich and remarkable volume offers an overview of the most important schools movements and trends which make up the theoretical landscape of contemporary international law as well as the works of over 500 authors It moves beyond generalization and examines how the relevant literature deals with the basic issues of the international legal system such as international obligations legitimacy compliance unity and universality the rule of law human rights use of force and economics It offers insights into the addressees the state international organizations individuals and other private persons and the construction of international law including law making the relationship between norms and interpretation Moreover it widens the discourse by addressing old yet enduring as well as new concerns about the functioning of the international legal system and presents views of non international lawyers and political scientists regarding that system It is a valuable analysis for researchers students and practitioners

*International Law as Behavior* Harlan Grant Cohen, Timothy Meyer, 2021-04 Using a multi disciplinary approach this volume shows how international law shapes behavior

**The Protection of Community Interests in the International Law of State Responsibility** Julia Lemke, 2025-04-29 This book redefines the traditional understanding of state responsibility It presents a compelling argument that international law s effectiveness hinges on its ability to protect not only state interests but also those of the global community Drawing from principles established in the Articles on the Responsibility of States for Internationally Wrongful Acts ARSIWA the book examines how states conceptualised as rational actors navigate collective action challenges Through a law and economics lens it sheds light on the role of international state responsibility in providing global public goods and safeguarding common pool resources This interdisciplinary book offers valuable insights and normative suggestions for enhancing the ARSIWA s efficacy in promoting community interests It will appeal to scholars and practitioners in public international law law and economics and international relations interested in a better understanding of international law s role in tackling pressing global issues

**The Oxford Handbook of Law and Economics** Francesco Parisi, 2017-04-04 Covering over one hundred topics on issues ranging from Law and Neuroeconomics to European Union Law and Economics to Feminist Theory and Law and Economics The Oxford Handbook of Law and Economics is the definitive work in the field of law and economics The book gathers together scholars and experts in law and economics to create the most inclusive and current work on law and economics Edited by Francisco Parisi the Handbook looks at the origins of the field of law and economics tracks its progression and increased importance to both law and economics and looks to the future of the field and its continued development by examining a cornucopia of fields touched by work in law and economics The uniqueness of its breadth depth and convenience make the volume essential to scholars students and contributors in the field of law and economics

**Economic Dimensions in International Law** Jagdeep S. Bhandari, Alan O. Sykes, 1997 Each of the chapters was

presented at a conference in the spring of 1995 sponsored by Duquesne University and George Mason University Pref

**Proportionality in International Humanitarian Law** Amichai Cohen, David Zlotogorski, 2021-01-18 The principle of proportionality is one of the corner stones of international humanitarian law Almost all states involved in armed conflicts recognize that launching an attack which may cause incidental harm to civilians that exceeds the direct military advantage anticipated from the attack is prohibited This prohibition is included in military manuals taught in professional courses and accepted as almost axiomatic And yet the exact meaning of the principle is vague Almost every issue from the most elementary question of how to compare civilian harm and military advantage to the obligation to employ accurate but expensive weapons is disputed Controversy is especially rife regarding asymmetrical conflicts in which many modern democracies are involved How exactly should proportionality be implemented when the enemy is not an army but a non state actor embedded within a civilian population What does it mean to use precautions in attack when almost every attack is directed at objects that are used for both military and civilian purposes In **Proportionality in International Humanitarian Law** Amichai Cohen and David Zlotogorski discuss the philosophical and political background of the principle of proportionality Offering a fresh and comprehensive look at this key doctrine they comprehensively discuss the different components of the proportionality equation the meaning of incidental harm to civilians the military advantage and the term excessive The book proposes the debates over the principle of proportionality be reframed to focus on the precautions taken before the attack along with the course States should follow in investigations of the violations of the principle

**International Politics and Institutions in Time** Karl Orfeo Fioretos, 2017 **International Politics and Institutions in Time** is the definitive exploration by a group of leading international relations scholars of the contribution of the historical institutionalism tradition for the study of international politics Historical institutionalism is a counterpoint to the rational choice and sociological traditions of analysis in the study of international institutions bringing particular attention to how timing and sequence of past events path dependence and other processes impact distributions of global power policy choices and the outcome of international political battles This book places particular emphasis on the sources of stability and change in major international institutions such as those shaping state sovereignty and global governance including in the areas of international organization law political economy human rights environment and security Featuring work by pioneering scholars the volume is the most comprehensive collection to date on historical institutionalism in IR It is projected to be of interest to multiple audiences including the international relations community to historians especially as that field is experiencing its own international and global turns as well as sociologists and economists who work on institutions and international affairs

**Balance of Power and Norm Hierarchy: Franco-British Diplomacy after the Peace of Utrecht** Frederik Dhondt, 2015-05-19 **Balance of Power and Norm Hierarchy Franco British Diplomacy after the Peace of Utrecht** offers a detailed study of French and British diplomacy in the age of Walpole and Fleury After Louis XIV s decease European

international relations were dominated by the collaboration between James Stanhope and Guillaume Dubois Their alliance focused on the amendment and enlargement of the peace treaties of Utrecht Rastatt and Baden In depth analysis of vast archival material uncovers the practical legal arguments used between Hampton Court and Versailles Balance of Power or Tranquillity of Europe were in fact metaphors for the predominance of treaty law even over the most fundamental municipal norms An implacable logic of norm hierarchy allowed to consolidate peace in Europe

**The Oxford Handbook of the History of International Law** Bardo Fassbender, Anne Peters, Simone Peter, Daniel Högger, 2012-11 This handbook provides an authoritative and original overview of the origins of public international law It analyses the modern history of international law from a global perspective and examines the lives of those who were most responsible for shaping it

**The Political Economy of International Agreements** Florian Kiesow Cortez, 2021-09-25 This volume analyzes international agreements from a political economy perspective In four essays it raises the question of whether domestic institutions help explain if countries join international agreements and in case they do what type of international organization they join The book examines how specific democratic design elements channel and mediate domestic demands directed at politicians and how under certain circumstances entering international agreements helps politicians navigate these demands to their benefit The volume also distinguishes between different types of international instruments with a varying expected constraining effect upon member states and empirically tests if this matters for incentives to join The volume addresses scholars students and practitioners interested in a better understanding of how the shape of domestic institutions affects politicians incentives to enter into binding international agreements

**Commitments and Flexibilities in the WTO Agreement on Subsidies and Countervailing Measures** José Guilherme Moreno Caiado, 2019-05-02 Examines the WTO rules governing industrial subsidies as established by the SCM Agreement and interpreted by relevant case law

*The Role of the State in Investor-State Arbitration* Shaheeza Lalani, Rodrigo Polanco Lazo, 2015-01-08 Edited by Shaheeza Lalani and Rodrigo Polanco Lazo The Role of the State in Investor State Arbitration is a collection of contributions from lawyers arbitrators and political scientists on the development of the concept of the State in a field that currently presents an increasing number of controversial disputes Investor State Arbitration The book analyzes the limits of the host State as a regulator studying issues such as attribution and the role of State Owned Enterprises and sub State entities the changing role of the home State in Investor State disputes including its direct participation in Investor State arbitration and State to State dispute settlement and the overall role that both home and host States can play in the improvement of Investor State Dispute Settlement

Irrational Human Rights? An Examination of International Human Rights Treaties Naiade el-Khoury, 2020-12-15 In Irrational Human Rights An Examination of International Human Rights Treaties Naiade el Khoury pursues the question how effective international human rights treaties really are and offers a discussion on the effects of treaty mechanisms Such an examination as to the effects of international human rights treaties or rather their limits puts prevalent views of international

law to the test In doing so this book convincingly argues that rational theories are inadequate to grasp the full effect of international human rights treaties      *The Making of the International Solar Alliance* Vyoma Jha,2024-02-02 This book presents a case study of the creation of the International Solar Alliance ISA as a treaty based international organization Drawing on the political economy approach in the study of international law it identifies the politics players and process behind the making of the ISA      *Allegation by Political Laundering* Farhad Malekian,2018-10-29 The Julian Assange case reminds us of the well known Scandinavian narrative Keiserens Nye kl der The Emperor s New Clothes Once upon a time two tailors weaved new clothes for an emperor They claimed they used a magic fabric that apparently less talented people could not see In reality they wove nothing they had no loom at all However they pretended with gestures of the hand that the loom was active No one wanted to be the less gifted person so everyone lied and confirmed the clothes were progressing The emperor finally put on the magic clothes and marched naked around the capital city with the members of his entourage holding the magic train Unexpectedly a guiltless little child shouted out with a confident voice Men han har jo ikke noget paa But he doesn t have anything on The emperor knew the child was right but decided he must bear it until the procession was over Human rights or international criminal justice is not simply hocus pocus but it seems to be so in the case of Assange who has enlightened the world population about the hidden criminal political laundering of the big powerful states This book explores the propensity towards evil in the nature of collective entities based on political and economic gains against the international community as a whole It underlines that immoral criminal political laundering is the basic reason for money laundries throughout the globe

## Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Economic Foundations Of International Law**

In a world inundated with displays and the cacophony of fast communication, the profound energy and mental resonance of verbal artistry frequently diminish in to obscurity, eclipsed by the constant onslaught of noise and distractions. ### **Economic Foundations Of International Law Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Economic Foundations Of International Law PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant

information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Economic Foundations Of International Law PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Economic Foundations Of International Law free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
