Economic Management In Pakistan 1999 2002:

Pakistan Yasmeen Niaz Mohiuddin, 2006-11-27 A comprehensive study of the history politics religion economy and culture of Pakistan how it came to be where it is and where it is going Pakistan occupies a position of geopolitical and strategic importance for the United States This book explains why and reveals the reality of this little studied country Although Pakistan became a country only in 1947 its people and culture have a rich history It is a Muslim state a nuclear power and a politically troubled land Pakistan stretches from the heights of the Hindu Kush to the lowlands of the Indus delta Its people and culture are as varied as its landscape This scholarly yet accessible work treats the full range of modern Pakistan Its thorough examination of the country's problems along with its strengths makes this an ideal resource for high school or college course work and an indispensable addition to library collections *Pakistan* Rashid Amjad, Shahid Javed Burki, 2015-04-13 This book discusses the fundamental constraints that need to be overcome to move the economy of Pakistan to higher growth

Historical Dictionary of Pakistan Shahid Javed Burki, 2015-03-19 Pakistan is unlike most other countries in the emerging world It is one of the two nations the other being the state of Israel founded on the basis of religion Although it was created to provide a homeland for the Muslim community of British India in its original form it was able to accommodate only about half of the people of Islamic faith who lived in the subcontinent Pakistan's birth in 1947 resulted in one of the largest movements of people in human history when some 14 million people left their homes with 8 million Muslims leaving India for what is now Pakistan and 6 million Hindus and Sikhs moving in the opposite direction This was the first large scale incidence of ethnic cleansing the world was to witness This fourth edition of Historical Dictionary of Pakistan covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Pakistan

Pakistan in Regional and Global Politics Rajshree Jetly, 2012-04-27 Pakistan is at currently at the centre of regional and global geo strategic issues as a frontline state in the global war on terrorism It is seeking to project itself as a modern Islamic state that can engage both the Islamic bloc and the western world in the post 9 11 era This book addresses some questions under the broad rubric of International Relations and Security It focuses on four themes Pakistan and global security Pakistan's international relations politics and identity in Pakistan and economic development of Pakistan Leading international experts have contributed articles within the framework of these themes

Democratic Transition and Security in Pakistan Shaun Gregory, 2015-10-23 This volume examines the trajectory of Pakistan's democratic transition and the implications of this change for its security In May 2013 for the first time in its 66 year history Pakistan saw an elected government complete a full term in office and transfer power through the ballot box to another civilian government At this important moment in Pakistan's history this collection brings together twelve leading academics and writers with an

aim to provide a far reaching analysis of the current situation in Pakistan and emergent trends Drawing on history diverse theoretical perspectives and empirical evidence three themed sections deal respectively with democratic transition including Islam and democracy civil military relations and economics contested borders and contested spaces the Pashtun belt Kashmir and intra Islamic conflict and regionalism bilateral relations from both Pakistani and Indian perspectives US Pakistan relations and nuclear weapons dynamics Together the contributors explore the status of Pakistan s democratic transition contemporary security dynamics and wider regional security and political dynamics and the complex interplay of the three to provide a wide ranging analysis of Pakistan s contemporary national and regional challenges its impact on the region and evidence of some positive trends for Pakistan s future The book will be of much interest to students of South Asian politics Asian security governance and IR in general as well as policy makers diplomats and military professionals

Developing Sustainable Agriculture in Pakistan Iqrar Ahmad Khan, Muhammad Sarwar Khan, 2018-04-17 Agriculture plays a pivotal role in the economy and development of Pakistan providing food to consumers raw materials to industries and a market for industrial goods Unfortunately agricultural production is stagnant due to several barriers including a fixed cropping pattern reliance on a few major crops a narrow genetic pool poor seed quality and a changing climate In addition the high cost of production weak phytosanitary compliance mechanisms and a lack of cold chain facilities makes Pakistan agriculturally uncompetitive in export markets Despite all these issues agriculture is the primary industry in Pakistan and small farmers continue to dominate the business Small farmers grow crops for subsistence under a fixed cropping pattern and a holistic approach is required to develop agriculture to improve the livelihoods of the rural populace This book presents an exhaustive look at agriculture in Pakistan Chapters provide critical analyses of present trends inadequacies in agriculture strategic planning improvement programs and policies while keeping in view the natural resources plant and animal related agricultural production technologies input supplies population planning migration and poverty and balanced policies on finance credit marketing and trade

Political Survival in Pakistan Anas Malik, 2010-10-22 Presenting a framework that incorporates macro level forces into micro level strategic calculations this book explains key political choices by leaders and challengers in Pakistan through the political survival mechanism It offers an explanation for continuing polity weakness in the country and describes how political survival shapes the choices made by the leaders and challengers Using a unique analysis that synthesizes theories of weak states quasi states and political survival the book extends beyond rationalist accounts and the application of choice theoretical approaches to developing countries It challenges the focus on ideology and suggests that diverse religiously and ethnically defined affinity groups have interests that are represented in particular ways in weak state circumstances Extensive interviews with decision makers and polity participants combined with narrative accounts allow the author to examine decision making by leaders in a state bureaucratic machinery context as well as the complex mechanisms by which dissident affinity groups may support quasi state options This study can be used for

comparisons in Islamic contexts and presents an interesting contribution to studies on South Asia as well as Political Development

The Dragon from the Mountains Matthew McCartney, 2022-02-03 China has promised to invest more than 60 billion in Pakistan in roads rail energy and a deep water port at Gwadar This is unprecedented relative to decades of minimal foreign direct investment FDI entering Pakistan This is the China Pakistan Economic Corridor CPEC Support for CPEC in Pakistan is widespread and encompasses much of academia the military the mainstream political leadership and civil society Supporters argue that CPEC offers the potential to transform Pakistan and support rapid equitable and sustainable economic growth Detractors of CPEC argue that it will more likely tip Pakistan into a dependent debt relationship with China and that it will facilitate more Chinese imports into Pakistan posing a threat to Pakistan's industrial base This book utilises an in depth understanding of economic change in contemporary China and Pakistan and economic theory and studies of big infrastructure projects from the contemporary and historical world to evaluate these contrasting views about CPEC
