Imagine Emil Nnani, 2011-02-03 I have read many books and have seen many movies that all begin with This is based on a true story and many times I have wondered why they would say that To be based on a true story means something is false and added in This story is my story and is told by me This story is not based on a true story at all this is a true story Emil E Fetti Nnani Imagine is a story of a young man born into a life that he doesn t deserve A story of a young man who was dealt the cards of life cards which no man would be willing to play A story of a young man who has lost all hope in life so he was forced to create his own life in his imagination Imagine starts off telling us about Emil s childhood Every detail is explained Emil s childhood was terrible horrible and overall his childhood was unbelievable He used everything around him in his childhood to his benefit which helped fuel his imagination of a better world and a better life Both of his parents are from Africa His dad abandoned him his mom was snatched away from him and tossed in prison He stood alone At times he thought even his God left him and he was left only with his imagination He was a child with an incredible imagination which took him to be a king in the eyes of his peers He got involved with the wrong crowd gangs guns girls drugs and the law Surrounded by prayers from his mother and pastor but not caring about his life he went to serve time in prison like his mom Life was hard for him and it only got harder After barely surviving in prison he was released with hopes of changing and living a better life but things never turn out as we plan them His imagination kept him alive in the streets of Raleigh and kept him breathing behind those prison gates but the straw that finally broke the camel s back was when his imagination was put to the test

Bigger Than Me Ryan Capitol, 2010-09-07 In his memoir Bigger Than Me Ryan Capitol shares the compelling story of his addiction to love and sex and how his compulsions led him into a world of pornography and abuse and eventually on a path to healing Capitol narrates a horrifying and often graphic journey through childhood sexual abuse that began with his older brother and continued on for ten years through a variety of sexual predators who were unfortunately also family members As he details the human side of sexual abuse he illustrates how sex became his only way to show love and affection With an honest and self disclosing style he chronicles how at age eight he

made his first sexual overture toward a little girl and how at age eleven he boasted about making it to first base with at least four girls in his class all while battling internal demons that unleashed him into a downward spiral from which he would not emerge for many more years For anyone who has ever wondered why men and women sexually molest children or rape someone in the middle of the night *Bigger Than Me* tells the gripping and sometimes shocking story of how it all starts A Broken Judicial System the Power of Unsubstantiated Accusation Victor Cuevas, 2023-06-15 In 2005 Victor Cuevas was falsely accused of raping a thirteen year old girl Even though he was acquitted of all charges three years later his life has never been the same In this book he looks back at the fight he waged to clear his name Although he did not know it at the time the author's nightmare began Aug 23 2005 when he visited a resort for a relaxing overnight getaway with his girlfriend Five weeks later he was arrested after a thirteen year old girl claimed he took her to the same resort during the same timeframe and sexually assaulted her The police marched into the middle school where he worked and escorted him out of the building in handcuffs in front of students peers and the news media They didn't tell him what he had allegedly done wrong In this account the author reveals how teenage angst between two people turned into a false accusation of rape He also shares a stark account of what happens when you've been accused of a sex crime even after a jury of peers declares you to be innocent *Ninja Vs.
