True Identity John C. Majors, 2017-10-03 Teens Guide to Identity from FamilyLife All teens wrestle with the question Who am I and wonder What makes me special Though these questions linger for life they are most intense in the teen years where confusion awkwardness and a desperate grab for identity reign So how does a young person answer these critical questions Where do young men and women find their significance worth and value True Identity is perfect for parents and youth workers to give to the teenagers 14-16 in their lives to help them in their journey Drawing on experiences and wisdom from a wide array of experts the book provides compassionate answers to help teens discover who they really are emphasizing their identity in Christ above all other ways our culture defines them As the book walks teens through the steps to make their faith their own it highlights healthy independence and God honoring relationships The Passport2Identity curriculum launched in April 2016 and True Identity is its trade book companion

Outrageous Animal Adaptations Michael J. Rosen, 2018-01-01 A fish that walks on land a frog that makes its own sunscreen and an insect that can become invisible Whether to avoid predators to stalk prey or to withstand extreme temperatures Earth's creatures have evolved some outrageous features and tricks to ensure survival For example did you know that the geoduck nope it's not a duck it's a clam can live as long as 160 years And that the aye aye a nocturnal primate uses echolocation and a long spindly finger to find and dig up food Or that in its deep ocean habitat the vampire squid uses bioluminescence to startle predators These are among the many animals that show evolution and

adaptation at work **Just My Type** Daniel Carlson, Michael J. Rosen, 2016-01-01 For thousands of years philosophers and scientists have searched for the keys to human personality Today personality testing is a multibillion dollar business Many people take personality tests online just for fun Whether silly or serious personality testing can be an eye opening way to better understand yourself your family and your friends Just My Type introduces readers to the history of personality profiling ranging from ancient Chinese astrology to Freud and Jung to the modern day Myers Briggs and the Minnesota Multiphasic Personality Inventory MMPI assessments Examine the world of online personality assessments through mini self administered quizzes Learn how to distinguish useful applications from biased typecasting Place Hacking Michael J. Rosen, 2015-01-01 Leaping from the Eiffel Tower in a wingsuit Scaling Shanghai Tower one of the world's tallest buildings Camping on the roof of Philadelphia's abandoned Eastern State Penitentiary These scenarios are real examples of explorations adventures and infiltrations of the built environment Thousands of people around the globe engage in the recreational activity of place hacking climbing wading jumping or even ironing their way into prohibited or obscure spaces Why do they do it Is it the exhilaration of trespassing Is it discovering a new perspective Is it roving through surroundings in an unpredictable manner Place hackers say it's all these things and more They're pushing the boundaries of exploration in much the same way that Neil Armstrong Jacques Cousteau and James Cook travelled into the frontiers of Earth and outer space Modern day place hackers investigate storm sewers subway tunnels abandoned power plants derelict hospitals deserted towns high security skyscrapers and temporary obsolete or even active spaces They go solo or in groups They plot their safety and success or intentionally throw caution to the wind They plan entrance and exit strategies and provision with gear or they just go for it without any planning For some the experience is about flying under the radar being in the moment For others it's about capturing stunning images and posting them on blogs and Instagram In Place Hacking Venturing Off Limits Michael J. Rosen takes readers across the globe to witness the challenging exploits of place hacking The journey includes a conversation with archaeologist Bradley L. Garrett a world renowned urban explorer as well as encounters with infiltrators builderers subway runners rooftoppers vertical campers drainers and human flies They're all participants in a world of investigation where whatever is standing can be turned on its head for a second look **The Dating Game** Rick Bundschuh, 2006 Help your students think through how their faith should influence their dating habits The Highway Visual Curriculum gives you compelling and entertaining video segments to encourage conversations and learning **The Inside Story on Teen Girls** Karen M.
