Gospel-Centered Youth Ministry Cameron Cole, Jon Nielson, 2016-02-12 Youth ministry is an essential part of most evangelical churches And yet there is a surprising lack of resources written specifically for youth workers focused on viewing all aspects of youth ministry through a gospel focused lens Featuring contributions from a host of experienced youth workers from a wide variety of churches this how to manual offers guidance related to every facet of youth ministry from planning short term mission trips to working with parents

Theologically rooted yet eminently practical this handbook will equip youth leaders to effectively shepherd the young people under their care training them to live faithfully in their homes churches and schools **Rebooted** Tim Gough,2018-09-20

Most youth ministry is simply too small Or too time or fad bound Or based on a model of some sort but without solid biblical foundations The author is passionate about growing youth ministry that can outlive the youth worker He deplores particularly the call for something for youth Something just won t do Tim Gough seeks to redress the balance He takes us on an expositional journey through the Bible as he sees it relating to youth work pulling out purposeful themes through key stories and passages He offers guidelines which can be used by any leader as he casts this strong healthy biblical vision to inspire us Here is youth leadership training for the long haul May this book contribute to the revival of biblical youth ministry

curriculum **Uncensored** Brian Cosby, 2015 The Bible is brimming with passages that can make Christians blush squirm or reel with embarrassment In response many opt for a feel good faith by embracing only the socially acceptable verses or safe topics like success to win people over Uncensored reveals the power when we accept all of God's Word The End of Youth Ministry? (Theology for the Life of the World) Andrew Root, 2020-03-17 What is youth ministry actually for And does it have a future Andrew Root a leading scholar in youth ministry and practical theology went on a one year journey to answer these questions In this book Root weaves together an innovative first person fictional narrative to diagnose the challenges facing the church today and to offer a new vision for youth ministry in the 21st century Informed by interviews that Root conducted with parents this book explores how parents perspectives of what constitutes a good life are affecting youth ministry In today's culture youth ministry can't compete with sports test prep and the myriad other activities in which young people participate Through a unique parable style story Root offers a new way to think about the purpose of youth ministry not happiness but joy Joy is a sense of experiencing the good For youth ministry to be about joy it must move beyond the youth group model and rework the assumptions of how identity and happiness are imagined by parents in American society

Youthanize Robert Cook, 2017-05-31 How Can We Pass On Our Faith to Our Kids After seeing the cover of this book you may be asking yourself Why would a Pastor write a book about killing off youth ministry We lose 60% to 90% of all church raised kids upon graduation These stats were enough to keep Rob Cook up at night on his knees How did we get so good at turning kids off from God Alienating Youth 101 or Quitting Church for Teens isn't taught in seminary Where have we lost our way He prayed God answered After 20 years of ministry to teens in Greater Philadelphia through 252 Underground Rob offers fresh street proven ways to equip young lives for eternity through a lifelong vibrant walk with Christ If you have a heart for unchurched teens and are passionate about exchanging the old ineffectual ways for ways that will impact young lives for eternity Youthanize is the guide that can help make that happen About the Author Robert Cook lives in Philadelphia with his wife Stephanie son Christian and several beloved pets What Others are Saying I have deplored the shallow pseudo Christian nature of most American youth ministry my entire adult life The fact that so many youth have left the church is no surprise So I'm delighted that Rob Cook has blessed the church with this book especially as it rises from the authority of his gritty hands on ministry Whether you're a teen or care about teens Rob will tell you what you need to hear and show you what to do about it Peter Lundell D Miss M Div Author missionary pastor Bible college instructor Go was never a Suggestion Rob Cook understands what it takes to follow God's Call down a path few are willing to travel His book is a blueprint to help you navigate the Journey Rev Chuck Kieffer Pastor The Foundry Church Evangelism Catalyst North American Mission Board Host Up at Night Radio At first I thought oh another youth ministry book Wow Robert Cook You just never cease to amaze me It was page after page and I just kept going with the out of the box thinking that you shared I've been in ministry for 39 years I think we pastors all have cut our teeth in youth ministry and I thought I was innovative and clever in my efforts to reach the

Beyond the Screen Andrew Zirschky, 2015-12-15 It s no secret that teenagers are perpetually connected via social media and mobile devices but while we ve analyzed as a culture how youth are connecting we ve done less well at understanding why teenagers are drawn to the glow of the screen Beyond the Screen explores the reality that teenagers use these technologies in desperate bid for an intimacy and depth of relationship largely absent from face to face society and the church Employing the latest ethnographic research on youth and digital media in tandem with theological reflection and interviews with teens themselves author Andrew Zirschky provides a deeper glimpse into the world of teens and social media and gives new direction and directives for ministering to Millennials
