## **Glass Always Half Full Gratitude:**

**Gratitude** Susan Serena Marie, 2022-07-07 Today's world can get your mind tangled up in unhealthy habits, obsessions and negativity. However, regardless of the trials this world may throw at you, God has greatly blessed each and every one of us. This workbook is all about learning how to see and remember these blessings because if we switch our focus from the world and train our eyes to look for God in the midst of our trials, we will not only be following Scripture but also be given the power to overcome these trials. Scripture also says that our gratitude blesses the Lord. It says that every good and perfect gift comes from Him. So if God is constantly blessing us, don't you want to be a blessing to Him as well? I know that I sure do. Therefore, this workbook's sole purpose is to illuminate our immeasurable blessings and aid us in praising His Mighty Name. With thought-provoking questions, simple exercises, and space for journaling, this workbook is a wonderful tool. Interspersed throughout with constant scripture, it awakens the reader to the awe-inspiring love of our Creator. [The Power of Giving and Gratitude!](#) Anthony DeNino, 2020-04-27 Welcome to [The Power of Giving and Gratitude](#). This book will expand your mind and lay out plans that will help you to live a more meaningful, more powerful, and more impactful life. In the process of living this enhanced life, you will also help others do the same. This book promises to help you have a closer relationship with your body, your mind, and your soul while bringing into your life a more meaningful relationship with God. You've heard the old proverb: It takes a village right? Well, I'm happy to let you know that all it takes to have a lasting impact on the world is one person: You. [Always A Loveolution](#) Holly Peckskamp, 2014 How did it come to be called the Loveolution? An unexplained urge when I woke one morning, a feeling that defied all logic, a moment in time that stood on one single drop of blood. It all came down to one simple question: Did I really have leukemia? Loveolution is not yet a word in our dictionary, however, if broken down, the word evolution means any process of formation or growth and development. Taking it one step further, adding love to evolution becomes Loveolution, which I believe is the process of creating oneness and the foundation of love. It takes a village to help us each personally evolve towards oneness. Always a Loveolution is an amazing journey which will help you rediscover a connection to your soul without any boundaries, rules, or judgments. It is an experience that will give you the tools to start your personal journey to align your mind, body, and soul. It creates confidence and a safe place to step forward and empower yourself, reigniting your inner light. It is a blessed opportunity to leave all suffering and/or pain in the past, a gift to experience God's guidance from the depths of your soul. It is my prayer and hope that this story will offer some wisdom to awaken your spirit to the elements of divine oneness. [Back to Virtue](#) Peter Kreeft, 2009-10-27 We have reduced all virtues to one being nice. And we measure Jesus by our standard instead of measuring our standard by Him. For the Christian explains, author Peter Kreeft, being virtuous is not a means to the end of pleasure, comfort, and happiness. Virtue, he reminds us, is a word that means manly strength. But how do we know when we are being meek or just cowardly? When is our anger righteous and when is it a sin? What is the difference between being virtuous and merely ethical? [Back to Virtue](#) clears up

these and countless other questions that beset Christians today Kreeft not only summarizes scriptural and theological wisdom on leading a holy life he contrasts Christian virtue with other ethical systems He applies traditional moral theology to present day dilemmas such as abortion and nuclear armament Kreeft restores to us what was once common knowledge the Seven Deadly Sins have an antidote in the Beatitudes By setting up a close contrast between the two sets of behaviors Kreeft offers proven guidance in the often bewildering process of discerning right from wrong as we move into the questionable mores of the twenty first century He provides a road map of virtue a map for our earthly pilgrimage synthesized from the accumulated wisdom of centuries of Christians from Paul and the early Church Fathers through C S Lewis
