**Mary Bruce Webb**

## **Global Child Welfare And Well Being:**

Global Child Welfare and Well-being Susan C. Mapp, 2011 Using the Convention on the Rights of the Child as a framework issues such as child trafficking child soldiers and child maltreatment are examined in nations around the world as well as efforts to solve these problems **The Routledge Handbook of Global Child Welfare** Pat Dolan, Nick Frost, 2017-02-17 In the context of the increasing global movement of people and a growing evidence base for differing outcomes in child welfare Routledge Handbook of Global Child Welfare provides a compelling account of child welfare grounded in the latest theory policy and practice Drawing on eminent international expertise the book offers a coherent and comprehensive overview of the policies systems and practices that can deliver the best outcomes for children It considers the challenges faced by children globally and the difference families services and professionals can make This ambitious and far reaching handbook is essential reading for everyone working to make the world a better and safer place for children

Children Rights and Wellbeing in India Joseph A Gathia, Sanjay V. Gathia, 2015-01-01 India has emerged as one of the fastest growing markets in the world But what does it mean to its children Of total estimated population in 2014 as 1 236 million nearly 28 5 % are below age of 14 years Despite such a huge child population in India the issues that affect their lives and even survival tend to receive remarkably little attention This study Children s Rights and Well being in India Law Policy and Practice Volume I II and III is one among the few to address this theme on such a wide canvas that spans both time frame and issues There has been a growing interest over the past decade in the concept of child s rights among policy makers practioners and academics in both India and internationally But does it mean the same thing to children and families as it does to policy makers How can it be measured And if it has begun to impact on government policy has it made any difference to children s lives The three volume study Children s Rights and Well being in India provide an overview of key child development policies programmes laws trends and raises pertinence questions about their potential impact on children s rights The challenges of improving children s well being go beyond the provision of more effective public services important though these are The bigger questions are how can we create a society in which children are better valued and parents better supported in bringing up their children And what can be done to reduce inequalities which influence every aspect of children s well being This book makes use of a variety of sources of data including that of Govt of India the World Bank and UN agencies particularly the UNICEF and the ILO All the three volumes of Children s Rights and Well being in India are an essential text for all those who want to understand the crisis threatening our children s future **Re-Visioning Public Health Approaches for Protecting Children** Bob Lonne, Deb Scott, Daryl Higgins, Todd I. Herrenkohl, 2019-04-26 This volume provides readers around the globe with a focused and comprehensive examination of how to prevent and respond to child maltreatment using evidence informed public health approaches and programs that meet the needs of vulnerable children and struggling families and communities It outlines the system failures of contemporary forensically driven child

protection practice Detailed guidance is provided about how to re think earlier intervention strategies and establish stronger and more effective programs and services that prevent maltreatment at the population level Service user and stakeholder perspectives particularly from marginalized groups including Indigenous peoples highlight how public health approaches can better support families and keep children safe Case studies from different countries grapple with the fraught nature of large system change and the various strategies needed to effect multi level reforms Presenting the reader with an array of innovative services used in different institutional and community context this volume confronts the complex challenges found in implementing successful prevention programs that are aligned with diverse cultural and political environments and community expectations

**Child Abuse and Neglect Worldwide** Jon R. Conte Ph.D.,2014-03-26 In this comprehensive three volume set experts from around the globe provide an understanding of child abuse knowledge and healing detailing current therapeutic practices and policy issues This riveting three volume set examines classic current and emerging research on child neglect and abuse in countries all over the world covering regions that include Africa Asia the Arab world Latin America Europe and our own backyards and bedrooms in North America The entries put maltreatment of children in the global spotlight and explain the prevalence incidence and risk factors for children in each setting addressing the laws social and cultural perceptions and differences regarding child abuse and neglect worldwide The chapters provide a glimpse into the historical and cultural context of abuse in regions of the world and identify the most ineffective as well as the most protective or promising responses to child maltreatment worldwide Professionals from entry level to expert will find materials that will expand their understanding and practice with and on behalf of abused children and the adults in their lives

*The Politics of Child Protection* Nigel Parton,2014-03-24 From Every Child Matters and the Munro Review to changing shifts in thinking from Coalition government the child protection system has seen dramatic political and policy developments over recent years This book brings you a critical analysis of these developments from a leading writer and commentator It begins by exploring the origins of present day arrangements locating English policy and practice in both a wider British and international context It examines tragic cases such as Baby P and Maria Colwell considering their impact on public and professional attitudes and in turn the implications for the child protection system Looking to the future of child protection Nigel Parton considers the current state of the system and argues that we need to address wider social and political issues including poverty class and inequality Original authoritative and up to date *The Politics of Child Protection* is an important book for all students practitioners and researchers interested in safeguarding and child protection

*Global Health* Solomon Benatar,Gillian Brock,2021-02-18 Addressing global health is one of the largest challenges facing humanity in the 21st century however this task is becoming even more formidable with the accelerated destruction of the planet Building on the success of the previous edition the book outlines how progress towards improving global health relies on understanding its core social economic political environmental and ideological aspects A multi disciplinary group of authors

suggest not only theoretically compelling arguments for what we must do but also provide practical recommendations as to how we can promote global health despite contemporary constraints The importance of cross cultural dialogue and utilisation of ethical tools in tackling global health problems is emphasised Thoroughly updated new or expanded topics include mass displacement of people novel threats including new infectious diseases global justice and ecological ethics and planetary sustainability Offering a diverse range of perspectives this volume is essential for bioethicists public health practitioners and philosophers

*Foster Children, Rights and the Law* Matthew Trail, 2025-03-31 This book discusses child wishes rights and participation in the foster care system Making decisions in a foster child's best interest is a widely used but also widely criticized international legal doctrine This work discusses the two major legal frameworks best interest and normalcy for which foster care decisions are made and how those frameworks might shape how child welfare professionals view and interpret children's rights and participation Normalcy the idea that decisions should promote a normal life is a separate legal doctrine which can be in conflict with best interest determinations However the concept of normalcy is also theoretically built into best interest decisions and therefore also plays a role in most child welfare systems Mixing both empirical legal and child welfare research the book demonstrates the ways in which risk aversion and fear drive best interest decision making to the detriment of both practitioners and the children they aim to serve It argues that a children's rights framework starting with normalcy is a better tool for promoting child participation and centering the child within the dependency process The book will be of interest to academics researchers and policymakers working in the areas of children's rights law child welfare and international human rights law

*Global Child Poverty and Well-Being* Minujin, Alberto, Nandy, Shailen, 2013-01-28 Child poverty is a central and present part of global life with hundreds of millions of children around the world enduring tremendous suffering and deprivation of their most basic needs Despite its long history research on poverty and development has only relatively recently examined the issue of child poverty as a distinct topic of concern This book brings together theoretical methodological and policy relevant contributions by leading researchers on international child poverty With a preface from Sir Richard Jolly Former Assistant Secretary General of the United Nations it examines how child poverty and well being are now conceptualized defined and measured and presents regional and national level portraits of child poverty around the world in rich middle income and poor countries The book's ultimate objective is to promote and influence policy action and the research agenda to address one of the world's great ongoing tragedies child poverty marginalization and inequality

*International Social Work* Lynne Moore Healy, Rebecca Leela Thomas, 2020-07-30 International Social Work Professional Action in an Interdependent World Third Edition is a comprehensive treatment of all dimensions of international social work The authors four part framework includes domestic practice and policy influenced by global forces professional exchange international practice and global social policy The first section of the book explores globalization development and human rights as foundational concepts for international social work The text then provides an overview of global social issues

and international organizations related to social welfare Part II offers an overview of the global history of the profession Similarities and differences in social work around the world are examined through seven country examples Part III provides an extensive discussion of current aspects of the global profession with chapters on ethics social policy international development practice and practice at the international domestic interface Modalities of international professional exchange are then explored prior to a concluding chapter that provides recommendations for international action The text is enlivened by numerous case examples drawn from many parts of the world The history chapters include brief biographies of noted social workers on the international scene whose accomplishments serve as inspiration for readers The text is extensively referenced with updated professional literature and intergovernmental documents Carefully selected items in the appendix expand the usefulness of the book

*Women Migrant Workers* Zahra Meghani, 2015-10-05 This volume makes the case for the fair treatment of female migrant workers from the global South who are employed in wealthy liberal democracies as care workers domestic workers home health workers and farm workers An international panel of contributors provide analyses of the ethical political and legal harms suffered by female migrant workers based on empirical data and case studies along with original and sophisticated analyses of the complex of systemic structural factors responsible for the harms experienced by women migrant workers The book also proposes realistic and original solutions to the problem of the unjust treatment of women migrant workers such as social security systems that are transnational and tailored to meet the particular needs of different groups of international migrant workers

**Spirituality, Culture, and Development** Subhabrata Dutta, Srilatha Juvva, Khadija Khaja, Chathapuram S. Ramanathan, 2016-10-07 This book explores culture development and spirituality from the perspective of social work This framework serves as foundation and guides analytical deliberation through the use of case studies from around the world With emerging trends in development synchronistic synthesis between the inner self and interventions it is anticipated to contribute to advancing well being of all people The book reflects global experiences from both the social work professions and development practitioner s perspectives as it pertains to economic and social development The book serves as a guide to those who want to better understand and incorporate spirituality into successful social work interventions practice and research It examines social development in the daily lives of children and families by looking at larger national and international phenomenon that can affect the well being of communities The book further discusses natural disasters poverty war migration human trafficking war violence and other factors with suggestions of innovative global interventions that have been utilized to assist diverse marginalized groups and communities

Child Welfare and Child Well-Being Mary Bruce Webb, 2010 The landmark National Survey of Child and Adolescent Well Being NSCAW study represents the first effort to gather nationally representative data based on first hand reports about the well being of children and families who encounter the child welfare system NSCAW s findings offer an unprecedented national source of data that describe the developmental status and functional characteristics of children who come to the attention of

child protective services Much more than a simple history of placements or length of stay in foster care NSCAW data chart the trajectory of families across service pathways for a multi dimensional view of their specific needs The NSCAW survey is longitudinal contains direct assessments and reports about each child from multiple sources and is designed to address questions of relations among children s characteristics and experiences their development their pathways through the child welfare service system their service needs their service receipt and ultimately their well being over time The chapters in this rich synthesis of NSCAW data represent thoughtful and increasingly sophisticated approaches to the problems highlighted in the study and in child welfare research in general The authors capitalize on the longitudinal multidimensional data to capture the experiences of children and families from the time they are investigated by CPS through multiple follow up points and to consider the interdependent nature of the traditional child welfare outcomes of safety permanence and well being The topics covered not only are critical to child welfare practice and policy but also are of compelling interest to other child service sectors such as health mental health education and juvenile justice The authors of chapters in this volume are esteemed researchers within psychology social work economics and public health Together they represent the future of child welfare research showcasing the potential of NSCAW as a valuable resource to the research community and providing glimpses of how the data can be used to inform practice and policy

**A Magna Carta for Children?** Michael Freeman, 2020-10-01 The UN Convention on the Rights of the Child is the most widely ratified human rights treaty in the world yet everyday children still face poverty violence war disease and disaster Are the rights we currently afford to children enough Combining historical analysis with international human rights law Michael Freeman considers early legal and philosophical theories on children s rights before exploring the impact and limitations of the Convention itself He also suggests ways that we may rethink children s rights in the future as well as identifying key areas for reform This book will appeal to an interdisciplinary audience who are interested in children s rights children s studies the history of childhood international human rights and comparative family law It is a crucial restatement of the importance of law policy and rights in improving children s lives

Worlds of Human Rights Bill Derman, Anne Hellum, Kristin Sandvik, 2013-04-15 This book engages with contemporary African human rights struggles including land property gender equality and legal identity Through ethnographic field studies it situates claims making by groups and individuals that have been subject to injustices and abuses often due to different forms of displacement in specific geographical historical and political contexts Exploring local communities complexities and divided interests it addresses the ambiguities and tensions surrounding the processes whereby human rights have been incorporated into legislation social and economic programs legal advocacy land reform and humanitarian assistance It shows how existing relations of inequality domination and control are affected by the opportunities offered by emerging law and governance structures as a plurality of non state actors enter what previously was considered the sole regulatory domain of the nation state

*Economic Stress, Human Capital, and Families in Asia* Wei-Jun Jean Yeung, Mui Teng Yap, 2013-11-26

This book presents recent findings about the consequences and policy implications of economic stress for human capital development and family well being in Asia The scope of the chapters goes beyond the impact of current financial crisis to include the effect of economic deprivation families in Asia experience as a result of job loss low wage employment and catastrophic natural calamities The studies show how macro level economic stress can filter down through households to affect individuals economic and socio psychological well being The chapters reveal a wide spectrum of economic stresses experienced by families in Asia that is linked to poor human capital development emotional distress health problems changing fertility patterns more frequent geographic movement and less supportive parenting behavior The elderly women children low skilled workers are particularly vulnerable The economic shocks in the past several decades have exposed the vulnerability of the family institution and the weaknesses in this region s social protection system that can lead to detrimental long term effects on human capital development This book is relevant for researchers and students in fields such as Family Studies Globalization Development Social Problems Social Stratification Social Inequalities Poverty and Welfare Education and Social Policies      Future Directions in Social Development James Midgley,Manohar Pawar,2016-11-25 This book invites readers to think about future directions in social development The book succinctly presents the historical context and progress of social development By reflecting on the Millennium and Sustainable Development Goals it discusses the increasing global relevance of several critical themes and issues such as human rights and good governance participation peace gender environment religion and spirituality aging social protection and partnership It appreciates the importance of goals and targets but calls to look beyond them to visualise future directions in social development The book argues that values driven social development needs to focus on knowledge creation dissemination and training draw on multidisciplinary knowledge and professionals promote conscientious consumption create less unequal societies and engage in innovation that brings happiness to everyone      *Touch in Sports Coaching and Physical Education* Heather Piper,2014-08-07 In our increasingly risk averse society touch and touching behaviours between professionals and children have become a fraught issue In sports coaching and physical education touching young sports performers and participants has in some contexts come to be redefined as dubious and dangerous Coaches find themselves operating in a framework of regulations and guidelines that create anxiety for them and others and for many volunteer and sometimes professional coaches this fearful context has led them to question the risks and benefits of their continuing involvement in sport Touch in Sports Coaching and Physical Education is the first book to explore this difficult topic in detail Drawing on a series of international studies from the US UK Australia Canada Sweden and elsewhere it presents important new research evidence and examines theories of risk and moral panic that frame the discussion By challenging prevailing orthodoxies the book makes a significant contribution to critical discussion around practice pedagogy politics and policy in sport and physical education and also informs current debates around the nature and quality of all in loco parentis relationships      **The Capability Approach,**

**Empowerment and Participation** David Alexander Clark, Mario Biggeri, Alexandre Apsan Frediani, 2019-05-15 This book explores the linkages between Amartya Sen's Capability Approach and participatory forms of development especially those associated with critical pedagogy and empowerment from the bottom up. It shows how the capability approach and the participatory movement can complement and reinforce each other helping to ensure that democratic principles are respected and become the foundation for sustainable human development. The Capability Approach provides guiding principles for protecting the transformative roots of participation safeguarding ownership accountability and empowerment while participation delivers vital methods for making the Capability Approach operational. Divided into three overlapping parts that focus on concepts methods and applications this work draws on diverse fieldwork experiences to unpack power relations address adaptive preferences explore individual and collective agency consider new partnerships for development and develop innovative concepts.

**The Handbook of Social Policy** James Midgley, Michelle Livermore, 2009 The Handbook of Social Policy is a comprehensive examination of the development implementation and impact of social policy. The contributors document the substantial body of knowledge about government social policies and their driving forces.
