Decolonizing Global Citizenship Education Ali A Abdi,Lynette Shultz,Thashika Pillay,2015-12-01 The ideas for this reader came out of a conference organized through the Centre for Global Citizenship Education and Research CGCER at the University of Alberta in 2013 With the high expansion of global citizenship education scholarship in the past 15 or so years and with most of this scholarship produced in the west and mostly focused on the citizenship lives of people in the so called developing world or selectively attempting to explain the contexts of marginalized populations in the west the need for multidirectional and decolonizing knowledge and research perspectives should be clear Indeed the discursive as well as the practical constructions of current global citizenship education research cannot fulfill the general promise of learning and teaching programs as social development platforms unless the voices of all concerned are heard and validated With these realities this reader is topically

comprehensive and timely and should constitute an important intervention in our efforts to create and sustain more inclusive and liberating platforms of knowledge and learning This collection of cutting edge theoretical contributions examines citizenship and neo liberal globalization and their impacts on the nexus of the local and global learning production of knowledge and movements of people and their rights Case studies in the collection also provide in depth analysis of lived experiences that challenge the constructed borders which derive from colonial and imperial re structuring of the contemporary world and nation states The contributors articulate agency in terms of both resistance and proactive engagement toward the construction of an alternative world which acknowledges equality justice and common humanity of all in symbiosis with the social and natural environment It is a valuable reader for students scholars practitioners and activists interested in the empowering possibilities of decolonized global citizenship education N Dr
