

Chapter 12: Economic Growth and Government

Four basic and often conflicting developments are going on in the world today in the 1990s:

1. The world's population is increasing rapidly, and the world's resources are being depleted.	2. In developing, the economic growth rate is slowing down.
3. The world's population is increasing rapidly, and the world's resources are being depleted.	4. The world's population is increasing rapidly, and the world's resources are being depleted.
5. The world's population is increasing rapidly, and the world's resources are being depleted.	6. The world's population is increasing rapidly, and the world's resources are being depleted.
7. The world's population is increasing rapidly, and the world's resources are being depleted.	8. The world's population is increasing rapidly, and the world's resources are being depleted.
9. The world's population is increasing rapidly, and the world's resources are being depleted.	10. The world's population is increasing rapidly, and the world's resources are being depleted.
