Global Passage Robert R. McMillan, 2009 Global Passage covers Panama from the Spanish gold seekers through the French failure and the United States success in constructing the Canal along with the current efforts to enlarge the Canal

Global Passage Commission, Robert R. Mcmillan, 2006-08-28 Global Passage Transformation of Panama and the Panama Canal by former Panama Canal Commission Chairman Robert McMillan is an insider's brilliantly researched book about the past present and future of Panama and the Panama Canal The publication of the book will coincide with the approval by Panamanian voters of a 5.25 billion dollar canal enlargement project We Visit Panama Bonnie Hinman, 2010-12-23 Come to Panama and see a small nation that acts like it is big The Panama Canal transports ships from the Atlantic to the Pacific Ocean in less than a day That feat alone makes Panama important to the rest of the world But there is more to Panama than the canal The Kuna Indians live on islands off the Caribbean coast where they welcome visitors to observe their way of life In the western highlands is the inactive Volc n Bar where quetzals fly In Panama City is Casco Viejo the old part of the city where Panama declared its independence from Colombia in 1903 The mysterious and sometimes dangerous Dari n calls visitors to experience rain forests beaches and a spectacular collection of wildlife And the Panama Canal always beckons to travelers who want to see how the famous locks work You may find yourself wanting to stay in Panama rather than head home at the end of your visit **Secrets of the Panama Canal: Unveiling a Vital Passage** Pasquale De

The Avocado Debate Honor May Eldridge, 2023-11-24 Whether smashed on toast or hailed as a superfood the avocado has taken the world by storm but what are the environmental and social impacts of this trendy fruit This book does not seek to demonise the avocado and its many enthusiasts Instead it will illuminate consumers on the often unseen impacts of foods A staple of cafes restaurants homes and social media channels demand for the avocado has grown exponentially over the past thirty years From an everyday crop in South and Central America to a global phenomenon this drastic change in demand has many consequences for people and the planet As demand grows so does the need for more land with land clearances threatening habitats and biodiversity As production grows so does global distribution and the impacts that air and sea travel have on the environment The shift from a local to a global product disturbs the local food system raising serious questions around food sovereignty and food justice and the importance of establishing an agricultural system that is both environmentally and socially just While focusing here on the avocado this book allows readers to gain a better understanding of the food system as a whole In doing so it empowers us all to think carefully and critically about the environmental and ethical implications of our food choices more broadly We shouldn t feel

guilty about eating avocados we should simply understand the impact of doing so This book is essential reading for all who are interested in learning more about the food system sustainable diets and the relationship between farming and the environment

Logistics in Transition Carlo Secchi,Alessandro Gili,2024-10-17 International cooperation is essential for fostering global connectivity and building resilient logistics systems Geopolitical shifts and climate change present significant challenges that could disrupt the efficient operation of these systems In the face of global instability diversification and redundancy in transportation systems and modes are vital with supply security forming the backbone of the global economy s smooth functioning How can the resilience of value chains be bolstered amidst geopolitical pressures while navigating these dual transitions How can logistics adapt to and capitalize on the new wave of potentially protectionist industrial policies What strategies can be employed to mitigate risks particularly for Europe Italy and the businesses involved

Performance in a Militarized Culture Sara Brady,Lindsey Mantoan,2017-09-13 The long cultural moment that arose in the wake of 9 11 and the conflict in the Middle East has fostered a global wave of surveillance and counterinsurgency Performance in a Militarized Culture explores the ways in which we experience this new status quo Addressing the most commonplace of everyday interactions from mobile phone calls to traffic cameras this edited collection considers How militarization appropriates and deploys performance techniques How performing arts practices can confront militarization The long and complex history of militarization How the war on terror has transformed into a values system that prioritizes the military The ways in which performance can be used to secure and maintain power across social strata Performance in a Militarized Culture draws on performances from North Central and South America Europe the Middle East and Asia to chronicle a range of experience from those who live under a daily threat of terrorism to others who live with a distant imagined fear of such danger

Global South Modernities Gorica Majstorovic,2020-09-10 Global South Modernities Modernist Literature and the Avant Garde in Latin America examines the seminal influence that Latin American writers had on the style subject matter and ideology of literature in the Global South from 1900 to the late 1930s Gorica Majstorovic challenges the historical and racial logic of interwar Latin American literary studies by introducing the solidarity relations between the global decolonial movements and placing anti imperialism Blackness and indigeneity at the center of decolonial analysis Following Mignolo de Sousa Santos and Cheah the texts under analysis subvert the processes of European colonial worlding and show modernity itself as pluralized Drawing on these works Majstorovic bridges the gap between aesthetics and politics while shifting the focus onto the Latin American transnational modernist networks and situating the analysis within the theoretical frameworks of the Global South While examining the idea of globality through its different conceptualizations cosmopolitanism immigration and travel Majstorovic analyzes avant garde magazines of the 1920s Mexican petrofiction urban proletarian and decolonial travel narratives of the 1930s calling into question modernism s usual framing as an Anglo American interwar phenomenon Majstorovic constructs a new genealogy of Latin American literature by examining the asymmetrical relations

within its multiple modernities and offers a new understanding of Latin American interwar literature through the lens of the Global South
