LaChance,2017-02-08 For Steven A LaChance the possession case that inspired *The Exorcist* has always felt incomplete In this book he shows how the official account crumbles under scrutiny revealing instead a story of familial horror and spiritual corruption that implicates the highest levels of the Catholic Church Known as the 1949 St Louis Exorcism the harrowing story of a possessed child and his terrified family was immortalized in *The Exorcist* While theories and rumors about the case abound none of them explain how a young child could have been possessed to the degree described in Father Raymond Bishop s infamous diary Join Steven A LaChance author investigator and himself the survivor of a long term demonic attack as he shares shocking evidence for how seemingly benign events progressed into a full blown demonic possession While the conventional story is that the boy brought the infestation upon himself this book presents an alternative interpretation and provides new insights into the nature of possession itself As LaChance gains access to a secret location that plays a crucial role in the story he sheds new light on how the exorcism s bizarre aftermath continues to haunt the city of St Louis and the Catholic Church to this day      *Spiritual Warfare* Brian Borgman,Robert Ventura,2014-01-10

*Greek Letter Exposed* Rayford L. Johnson,2024-02-26 Ever wondered why secret societies are secret Why is it that an overwhelming majority of elite leaders in America including those who ve occupied the highest office have belonged to an organization in the vast network of secret societies whose rituals and teachings derived from the ancient mystery schools of Egypt and Babylon Why is death the penalty for breaking a secret society oath Why do they pay homage to pagan gods and goddesses Why do many self proclaimed Christians belong to these secret societies when their practices blatantly violate God s Commandments such as Exodus 20 3 which states Thou shalt have no other gods before me And why don t their pastors say anything about it Is there a secret motive behind the positive PR that many of these secret organizations receive for their good deeds such as feeding programs scholarships volunteering youth mentoring etc that even the lower ranking members of these societies don t know about Could today s network of these secret societies be the architects and workers of the antichrist New World Order aka Illuminati as prophesied in the Holy Bible These questions and more will be answered by author and Evangelist Rayford L Johnson who has spent more than 20 years researching writing and teaching on the occult Johnson has counseled and ministered demon deliverance prayers on many former members of the occult Many of them have testified that they have been set free by the power of Jesus Christ from the spiritual torment and generational curses that the pagan rituals and oaths have unknowingly brought upon them and even their family through the spiritual legalities of breaking God s commandments The Truth Shall Make You Free John 8 32 <http://www.thugexposed.org>
